

THE GREAT SOUTH AMERICAN NERVE TONIC

Stomach and Liver Cure

The Most Astonishing Medical Discovery of the Last One Hundred Years.

It is Pleasant to the Taste as the Sweetest Nectar. It is Safe and Harmless as the Purest Milk.

This wonderful Nerve Tonic has only recently been introduced into this country by the proprietors and manufacturers of the Great South American Nerve Tonic, and yet its great value as a curative agent has long been known by a few of the most learned physicians, who have not brought its merits and value to the knowledge of the general public.

This medicine has completely solved the problem of the cure of indigestion, dyspepsia, and diseases of the general nervous system. It is also of the greatest value in the cure of all forms of failing health from whatever cause. It performs this by the great nerve tonic qualities which it possesses, and by its great curative powers upon the digestive organs, the stomach, the liver and the bowels. No remedy compares with this wonderfully valuable Nerve Tonic as a builder and strengthener of the life forces of the human body, and as a great renewer of a broken-down constitution. It is also of more real permanent value in the treatment and cure of diseases of the lungs than any consumption remedy ever used on this continent. It is a marvelous cure for nervousness of females of all ages. Ladies who are approaching the critical period known as change in life, should not fail to use this great Nerve Tonic, almost constantly, for the space of two or three years. It will carry them safely over the danger. This great strengthener and curative is of inestimable value to the aged and infirm, because its great energizing properties will give them a new hold on life. It will add ten or fifteen years to the lives of many of those who will use a half dozen bottles of the remedy each year.

IT IS A GREAT REMEDY FOR THE CURE OF

Nervousness, Nervous Prostration, Nervous Headache, Sick Headache, Female Weakness, Nervous Chills, Paralysis, Nervous Paroxysms and Nervous Choking, Hot Flashes, Palpitation of the Heart, Mental Despondency, Sleeplessness, St. Vitus' Dance, Nervousness of Females, Nervousness of Old Age, Neuralgia, Pains in the Heart, Pains in the Back, Failing Health, Broken Constitution, Debility of Old Age, Indigestion and Dyspepsia, Heartburn and Sour Stomach, Weight and Tenderness in Stomach, Loss of Appetite, Frightful Dreams, Dizziness and Ringing in the Ears, Weakness of Extremities and Fainting, Impure and Impoverished Blood, Boils and Carbuncles, Scrofula, Scrofulous Swellings and Ulcers, Consumption of the Lungs, Catarrh of the Lungs, Bronchitis and Chronic Cough, Liver Complaint, Chronic Diarrhea, Delicate and Scrofulous Children, Summer Complaint of Infants.

All these and many other complaints cured by this wonderful Nerve Tonic.

NERVOUS DISEASES.

As a cure for every class of Nervous Diseases, no remedy has been able to compare with the Nerve Tonic, which is very pleasant and harmless in all its effects upon the youngest child or the oldest and most delicate individual. Nine-tenths of all the ailments to which the human family is heir are dependent on nervous exhaustion and impaired digestion. When there is an insufficient supply of nerve food in the blood, a general state of debility of the brain, spinal marrow, and nerves is the result. Starved nerves, like starved muscles, become strong when the right kind of food is supplied; and a thousand weaknesses and ailments disappear as the nerves recover. As the nervous system must supply all the power by which the vital forces of the body are carried on, it is the first to suffer for want of perfect nutrition. Ordinary food does not contain a sufficient quantity of the kind of nutriment necessary to repair the wear our present mode of living and labor imposes upon the nerves. For this reason it becomes necessary that a nerve food be supplied. This South American Nerve has been found by analysis to contain the essential elements out of which nerve tissue is formed. This accounts for its universal adaptability to the cure of all forms of nervous derangement.

CHAMFORDVILLE, IND., Aug. 20, '86.
To the Great South American Medicine Co.:
DEAR GENTS:—I desire to say to you that I have suffered for many years with a very serious disease of the stomach and nerves. I tried every medicine I could hear of, but nothing done me any appreciable good until I was advised to try your Great South American Nerve Tonic and Stomach and Liver Cure, and since using several bottles of it I must say that I am surprised at its wonderful powers to cure the stomach and general nervous system. If everyone knew the value of this remedy as I do you would not be able to supply the demand.

A SWORN CURE FOR ST. VITUS' DANCE OR CHOREA.

My daughter, eleven years old, was severely afflicted with St. Vitus' Dance or Chorea. We gave her three and one-half bottles of South American Nerve and she is completely restored. I believe it will cure every case of St. Vitus' Dance. I have kept it in my family for two years, and am sure it is the greatest remedy in the world for Indigestion and Dyspepsia, and for all forms of Nervous Disorders and Failing Health, from whatever cause.

HARRIET E. HALL, of Waynetown, Ind., says: "I owe my life to the Great South American Nerve Tonic. I had been bed for five months from the effects of an exhausted stomach, indigestion, nervous prostration, and a general shattered condition of my whole system. Had given up all hopes of getting well. Had tried three doctors, with no relief. The first bottle of the Nerve Tonic improved me so much that I was able to walk about, and a few bottles cured me entirely. I believe it is the best medicine in the world. I can not recommend it too highly."

THE JOYOUS RESULT OF TAKING TIMELY ADVICE.

The Story of Mr. Wm. Prendergast's Suffering and Restoration—Given up by Doctors and Believed to be Dying He Finally Recovers Perfect Health.

From the Comber Herald.

Mr. Wm. Prendergast, of the township of Rochester, a former resident of this village, is known to almost all in this section, and is warmly esteemed by all his acquaintances. It is well known that Mr. Prendergast went through a terrible siege of suffering, and that few of his friends had any hope of his recovery. Mr. Prendergast's trouble was chronic enteritis, (intestinal inflammation) and what he suffered at times can scarcely be described. Hundreds of dollars were spent in medical treatment but without avail. Sedatives, stimulants, tonics and external applications, etc., were successively tried with little or no result. Brief temporary relief might ensue; it was always very brief when the dread tormenter returned to smite him with fresh agony. In this condition Mr. Prendergast continued until last summer, when the physician frankly told him that his case was incurable. The news came as a terrible shock to his wife and children. Long before this, after a manful struggle, he had been forced to give up work on his farm, but there had always been hopes of his recovery to buoy up his family and friends. But the statement that his case was considered incurable was like a stroke of impending doom, and his friends constantly dreaded to hear that he was no more.

Such was the condition of affairs at the close of last summer and a little later it was understood that Mr. Prendergast was getting better, and on the way to recovery. Lately one of his friends while in the Herald sanctum remarked, "Prendergast is on his feet again and as sound as a bell." Inquiry naturally followed as to what had produced this remarkable result, and we were informed that his recovery was solely due to the use of Dr. Williams' Pink Pills for Pale People. The Herald had published the particulars of many remarkable cures by the use of this remedy, and while not by any means sceptical, felt a strong desire to verify a case in our locality, and according drove to Mr. Prendergast's. On reaching the house it was ascertained that Mr. Prendergast was some distance away in the field mending a fence. Thither the scribe wended his way, meeting with cordial welcome and an invitation to come back to the house to dinner. After dinner we urged him to tell about the remarkable change that had taken place in his condition. At first he was inclined to put us off, saying that he hated to think of the old days of agony and misery. However, at last he told us all he had undergone, his story bearing out what has been said concerning his condition.

After the doctors had given him up, his wife, hoping against hope, had urged him to try Dr. Williams' Pink Pills. He scouted the idea at first, saying that these things were all humbugs. At last, more to please his wife than anything else, he sent to Comber for some of the Pink Pills. He had not taken them many days when he found they were giving him relief. The pain lessened, his appetite began to return, and so did hope and confidence. He procured another supply and found himself growing daily stronger. He felt that he could walk through the fields without the fear of being stricken down by a sudden pain. Later he resumed work on his farm and found to his amazement that he could do a hard day's work without fatigue. In a word that he had completely recovered. He had taken Dr. Williams' Pink Pills at the outset without hope of benefit, and merely to please his wife; now he finds them a life boat and an ark of safety.

Dr. Williams' Pink Pills for Pale People are manufactured by the Dr. Williams' Medicine Co., of Brockville, Ont., and Schenectady, N. Y., a firm of unquestioned reliability. Pink Pills are not looked upon as a patent medicine, but rather a prescription. An analysis of their properties shows that they contain, in a condensed form, all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after effects of la grippe, palpitation of the heart, and the tired feeling resulting from nervous prostration; all diseases depending upon vital humors in the blood, such as scrofula, chronic erysipelas, etc. As a remedy for building anew the blood, enabling the system to successfully resist disease, Dr. Williams' Pink Pills stands far in advance of any other remedy known to medical science. Pink Pills are a specific for the troubles peculiar to the female system, giving a rosy, healthy glow to pale or sallow complexions. In the case of men they effect a radical cure in all cases arising from mental worry, overwork, or excesses of any nature.

Dr. Williams' Pink Pills are sold only in boxes bearing the firm's trade mark and wrapper, (printed in red ink). Bear in mind that Dr. Williams' Pink Pills are never sold in bulk, or by the dozen or hundred, and any dealer who offers substitutes in this form is trying to defraud you and should be avoided. The public are also

cautioned against other so-called blood builders and nerve tonics, put up in similar form intended to deceive. They are all imitations whose makers hope to reap a pecuniary advantage from the wonderful reputation achieved by Dr. Williams' Pink Pills. Ask your dealer for Dr. Williams' Pink Pills for Pale People, and refuse all imitations and substitutes.

Dr. Williams' Pink Pills may be had of all druggists or direct by mail from Dr. Williams' Medicine Company from either address at 50 cents a box, or six boxes for \$2.50. The price at which these pills are sold make a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.

How to Put on Gloves.

The length of time a pair of kid gloves will wear depends very much upon the way they are put on, especially the first time. Never put on a pair of new gloves in a hurry; take plenty of time and keep cool. It is of great importance that the hand should remain dry and cool and be perfectly clean. It is well to dust it with a little plain rice powder to this end. Work the fingers well down before you put in the thumb, work the thumb in slowly, and then the rest of the hand; begin at the second button and ascend, then return to the first button, which will now fasten easily without breaking or stretching the buttonhole.

Your hand will frequently be moist with perspiration when about to remove the gloves; in this case pull them off wrong side out, so that the moisture can evaporate. When quite dry, turn the fingers and smooth the gloves into shape, lying them in a box or other receptacle except in the case of evening gloves, which may be folded half way up the arm. Another way to make the gloves last is to buy them large enough. A glove that is too tight presses the hand out of shape and makes it red, and is always in bad taste. Bracelets should no more be worn over gloves than should rings.—Albany Cultivator.

Strongly Endorsed.

The advertising of Hood's Sarsaparilla appeals to the sober common sense of thinking people, because it is true; and it is always fully substantiated by endorsements which in the financial world would be accepted without a moment's hesitation. They tell the story—HOOD'S CURES

Hood's Pills cure liver ills, jaundice, biliousness, sick headache, constipation.

The Comet Moving East.

SAN FRANCISCO, Cal., July 13.—Director Holden has telegraphed from the Lick Observatory as follows: "The comet discovered at Salt Lake City on July 8 is easily visible to the naked eye in the northwest soon after dark. It is moving with extreme rapidity to the east and south, and was observed at the Lick Observatory on Tuesday night for the determination of its position. It was photographed and its spectrum determined. It was almost the usual spectrum. The other was brighter than common in the blue region. Until the orbit is computed it cannot be said how much brighter this interesting comet will become."

JOHN KALLOUCH, Montville, Me.

THEY SAID I MUST DIE : : :

— BUT —

: : : I AM WELL AND HAPPY.

MR. KALLOUCH SAYS:—

"I am 55 years old, and for the last 15 years, have had the worst Blood Disease known to man. To add to my misery, my Bowels became constipated, appetite ceased, and I was so reduced in flesh and strength, I could only walk by the aid of canes. An Eating Sore started on my side, and in spite of physicians and medicines, increased, until it measured 2 by 3 1/2 inches, laying sections of my Ribs bare. Dr. Kilgore, advised SKODA'S REMEDIES. One course, 6 bottles of the DISCOVERY, with the LITTLE TABLETS, using the OINTMENT and SOAP externally, perfectly healed the sore. I have gained 25 lbs. in flesh, and am a WELL MAN."

I certify to truth of above statement. I knew Kallouch's condition before treatment, saw him during treatment, and have seen him since cured.
