MR. BODEN ON THE ACADIANS.

In the June number of Donahoe's Magazine, Mr. John Boden draws a pen picture of the Acadians of New Brunswick and Nova Scotia. Mr. Boden's information was no doubt derived from personal observation, and in some respects he gives a pretty accurate idea of their customs and manner of living.

The British Metropolis is just now excited over a question of precedence. The present Lord Mayor is a Roman Catholic, and at a banquet held in the Mansion House a short time ago, proposed the toast, "The Holy Father and the Queen."

The inquiry into the alleged grievance of the Protestant minority in Bathurst and Bathurst Village in the schools matter began at Bathurst Tuesday before Judge Fraser. The bill of complaint filed by the petitioners, which appears in another page, is a pretty lengthy document and contains some strong allegations.

The upper circles of New York and Washington are not so much in love with their Democratic institutions but that they dearly love a title. They are just now in a flutter of excitement over the visit of the Spanish Infanta Eulalie, and public balls and banquets in her honor are the order of the day.

On the contrary, she is a grown woman with a husband and children, and twenty-nine full blown summers have passed over her royal head.

Successful Young Men.

St. John, May 25.—C. B. Welton and Dr. Randall were set free to-day after seven months imprisonment. They are dismissed on their own recognizances to appear at the next county court to answer to other indictments against them, the amount fixed being \$10,000 for each indictment. This makes \$60,000 for Welton, and \$70,000 for Randall. The documents were signed cheerfully as these are not the slightest possibility that the matter will be prosecuted further.

Kingston. May 30.—Miss Kate McInerney died on Saturday morning of cancer, at the home of her sister-in-law Mrs. O. McInerney. Her remains were interred here on Sunday.

On Friday last, three of the houses known as the mill houses were burned. A defective flue was the cause of the fire. The occupants saved the most of their furniture. The old Holderness house and outbuildings caught several times and it was only by careful watching they were saved.

Gazing on the ruins I thought of you, Abram, and the grand opportunity you missed of replenishing your stock of fleas or at least enough for your share.

AWFUL HEADACHES.

2 YEARS OF SUFFERING.

LIFE A TORTURE.

Kind-ick Outhouse, of Newton, N. B., says: For several years I suffered from severe attacks of biliousness, which came on periodically, about every ten days. I had awful headaches and the smell of anything cooking turned sick. I became weak and nervous, and had no ambition or strength to work. I passed many sleepless nights, and for days could not retain food on my stomach. I suffered intensely with piles and haives, and my life was a constant torture to me. I became so weak that my friends gave up all hopes of my recovery. My brother brought me a bottle of

HAWKER'S NERVE AND STOMACH TONIC, and a box of HAWKER'S LIVER PILLS.

I had not taken them long before I commenced to improve and in a short time I was completely cured. I grew strong and vigorous, my appetite returned, I slept well and in a few months had gained 30 pounds in weight. I have not suffered from piles or biliousness since, now 2 years, and am as strong and hearty as any man could wish to be. I truly believe that you will give up all hopes of my recovery.

HAWKER'S NERVE AND STOMACH TONIC AND LIVER PILLS

Saved My Life. I hereby certify the above statement is correct in every particular.
