

THE GREAT SOUTH AMERICAN NERVE TONIC

AND Stomach and Liver Cure

The Most Astonishing Medical Discovery of the Last One Hundred Years.

It is Pleasant to the Taste as the Sweetest Nectar. It is Safe and Harmless as the Purest Milk.

This wonderful Nerve Tonic has only recently been introduced into this country by the proprietors and manufacturers of the Great South American Nerve Tonic, and yet its great value as a curative agent has long been known by a few of the most learned physicians, who have not brought its merits and value to the knowledge of the general public.

This medicine has completely solved the problem of the cure of indigestion, dyspepsia, and diseases of the general nervous system. It is also of the greatest value in the cure of all forms of failing health from whatever cause. It performs this by the great nerve tonic qualities which it possesses, and by its great curative powers upon the digestive organs, the stomach, the liver and the bowels. No remedy compares with this wonderfully valuable Nerve Tonic as a builder and strengthener of the life forces of the human body, and as a great renewer of a broken-down constitution. It is also of more real permanent value in the treatment and cure of diseases of the lungs than any consumption remedy ever used on this continent. It is a marvelous cure for nervousness of females of all ages. Ladies who are approaching the critical period known as change in life, should not fail to use this great Nerve Tonic, almost constantly, for the space of two or three years. It will carry them safely over the danger. This great strengthener and curative is of inestimable value to the aged and infirm, because its great energizing properties will give them a new hold on life. It will add ten or fifteen years to the lives of many of those who will use a half dozen bottles of the remedy each year.

IT IS A GREAT REMEDY FOR THE CURE OF

Nervousness, Nervous Prostration, Nervous Headache, Sick Headache, Female Weakness, Nervous Chills, Paralysis, Nervous Paroxysms and Nervous Choking, Hot Flashes, Palpitation of the Heart, Mental Despondency, Sleeplessness, St. Vitus' Dance, Nervousness of Females, Nervousness of Old Age, Neuralgia, Pains in the Heart, Pains in the Back, Failing Health, Broken Constitution, Debility of Old Age, Indigestion and Dyspepsia, Heartburn and Sour Stomach, Weight and Tenderness in Stomach, Loss of Appetite, Frightful Dreams, Dizziness and Ringing in the Ears, Weakness of Extremities and Fainting, Impure and Impoverished Blood, Boils and Carbuncles, Scrofula, Scrofulous Swellings and Ulcers, Consumption of the Lungs, Catarrh of the Lungs, Bronchitis and Chronic Cough, Liver Complaint, Chronic Diarrhoea, Delicate and Scrofulous Children, Summer Complaint of Infants.

All these and many other complaints cured by this wonderful Nerve Tonic.

NERVOUS DISEASES.

As a cure for every class of Nervous Diseases, no remedy has been able to compare with the Nerve Tonic, which is very pleasant and harmless in all its effects upon the youngest child or the oldest and most delicate individual. Nine-tenths of all the ailments to which the human family is heir are dependent on nervous exhaustion and impaired digestion. When there is an insufficient supply of nerve food in the blood, a general state of debility of the brain, spinal marrow, and nerves is the result. Starved nerves, like starved muscles, become strong when the right kind of food is supplied; and a thousand weaknesses and ailments disappear as the nerves recover. As the nervous system must supply all the power by which the vital forces of the body are carried on, it is the first to suffer for want of perfect nutrition. Ordinary food does not contain a sufficient quantity of the kind of nutriment necessary to repair the wear our present mode of living and labor imposes upon the nerves. For this reason it becomes necessary that a nerve food be supplied. This South American Nerve Tonic has been found by analysis to contain the essential elements out of which nerve tissue is formed. This accounts for its universal adaptability to the cure of all forms of nervous derangement.

CHICAGO, ILL., IND., Aug. 20, '86. To the Great South American Medicine Co.: DEAR GENTS:—I desire to say to you that I have suffered for many years with a very serious disease of the stomach and nerves. I tried every medicine I could hear of, but nothing doing me any appreciable good until I was advised to try your Great South American Nerve Tonic and Stomach and Liver Cure, and since using several bottles of it I must say that I am surprised at its wonderful powers to cure the stomach and general nervous system. If everyone knew the value of this remedy as I do you would not be able to supply the demand. J. A. HARRIS, Ex-Treas. Montgomery Co.

A SWORN CURE FOR ST. VITUS' DANCE OR CHOREA.

CHICAGO, ILL., IND., June 22, 1887. My daughter, eleven years old, was severely afflicted with St. Vitus' Dance or Chorea. We gave her three and one-half bottles of South American Nerve Tonic and she is completely restored. I believe it will cure every case of St. Vitus' Dance. I have kept it in my family for two years, and am sure it is the greatest remedy in the world for indigestion and dyspepsia, and for all forms of Nervous Disorders and Failing Health, from whatever cause. JOHN T. MISH.

State of Indiana, Montgomery County, ss: Subscribed and sworn to before me this June 22, 1887. CHAS. W. WRIGHT, Notary Public.

INDIGESTION AND DYSPEPSIA.

The Great South American Nerve Tonic Which we now offer you, is the only absolutely unfailing remedy ever discovered for the cure of Indigestion, Dyspepsia, and the vast train of symptoms and horrors which are the result of disease and debility of the human stomach. No person can afford to pass by this jewel of incalculable value who is affected by disease of the stomach, because the experience and testimony of many go to prove that this is the ONE and ONLY ONE great cure in the world for this universal destroyer. There is no case of unmalignant disease of the stomach which can resist the wonderful curative powers of the South American Nerve Tonic.

HARRIS E. HALL, of Warrington, Ind., says: "I owe my life to the Great South American Nerve Tonic. I had been in bed for five months from the effects of an exhausted stomach, indigestion, nervous prostration, and a general shattered condition of my whole system. Had given up all hopes of getting well. Had tried three doctors, with no relief. The first bottle of the Nerve Tonic improved me so much that I was able to walk about, and a few bottles cured me entirely. I believe it is the best medicine in the world. I can not recommend it too highly."

No remedy compares with SOUTH AMERICAN NERVE TONIC as a cure for the Nerves. No remedy compares with South American Nerve Tonic as a wonderful cure for the Stomach. No remedy will at all compare with South American Nerve Tonic as a cure for all forms of failing health. It never fails to cure indigestion and dyspepsia. It never fails to cure Chorea or St. Vitus' Dance. Its powers to build up the whole system are wonderful in the extreme. It cures the old, the young, and the middle-aged. It is a great friend to the aged and infirm. Do not neglect to use this precious boon. If you do, you may neglect the only remedy which will restore you to health. South American Nerve Tonic is perfectly safe, and very pleasant to the taste. Delicate ladies, do not fail to use this great cure, because it will put the bloom of freshness and beauty upon your lips and in your cheeks, and quickly drive away your disabilities and weaknesses.

A new ukase has been issued expelling the Jews from the Asiatic provinces of the Russian empire. There is great excitement at the Good Shepherd convent, Montreal, where Rosalie Kauffman, whose parents are Jews, but who do not live together, has been a pupil for four years. This afternoon the girl's mother came to see her, and when taking her leave Mrs. Kauffman seized her daughter, dragged her to the carriage, and the coachman drove off at full speed. It is stated that the lady heard that her child was about to embrace Catholicism, and hence the abduction, as she was only allowed to see Rosalie once a week.

St. Petersburg despatch: The latest and most interesting freak among the nobility has just come to public notice in the person of Count and Colonel Grusha Verniloff, who is just 98 years old. This highly interesting old gentleman has lived a roving life, being of independent means. Recent disclosures prove that, however, eminently respectable he may appear to be on the surface, he is in reality a gay scoundrel and deceiver, for it has come to knowledge that he is the husband of no fewer than thirty-one wives, whom he has espoused at different periods and in different parts of the country. His numerous conjugal partners have homes extending from the Volga to the Danube and from the Black to the Baltic seas. The police look upon his case as such an entirely hopeless one that they refuse to prosecute him for either polygamy or bigamy.

Consequences of Female Nerve.

The Saunterer has a friend on the staff of a Western newspaper with whom he often exchanges interesting clippings. The latest bit received at this office was the following, cut from a small paper published in North Dakota: "The many friends of Mrs. E— will be pleased to learn that she is not in serious danger, as the shock is not so severe as at first supposed. The particulars of the unfortunate affair are interesting. It seems that Mrs. E—, while going up stairs, saw a mouse run behind a barrel. Her cries were heard by the hired man, who hastened to the scene armed with his gun and followed by his faithful bull dog. Mrs. E— then took courage and poked the barrel with her broom. The mouse ran out, the dog started in pursuit, the hired man fired, the dog dropped dead Mrs. E— fainted, and the hired man, thinking he had killed her and that he would be arrested for murder, took to his heels and has not been heard of since. The mouse escaped."—Boston Budget.

What to Read.

If you are down with the blues, read the twenty-seventh Psalm. If there is a chilly sensation about the heart, read the third chapter of Revelation.

If you don't know where to look for a month's rent, read the thirty-seventh Psalm.

If you feel lonesome and unprotected, read the ninety-first Psalm.

If the stove-pipe has fallen down and the cook gone off in a pet, put up the pipe, wash your hands, and read the third chapter of James.

If you find yourself losing confidence in men, read the thirteenth chapter of I. Corinthians.

If people pelt you with hard words, read the fifteenth chapter of John.

If you are getting discouraged about your work, read Psalm cxxvi. and Galatians vi. 7-9.

If you are all out of sorts, read the twelfth chapter of Hebrews.—The Bible Reader.

Outrivals All Others.

In curing coughs, colds, hoarseness, asthma, bronchitis, sore throat, and all diseases of the throat and lungs, there is one remedy which is unequalled by any other. We refer to Dr. Wood's Norway Pine Syrup which has effected many remarkable cures this season.

The author of the offer-dam joke is believed to have disappeared, but the same old hacking cough comes round regularly at this time of the year. Hawker's Tolu will cause it also to disappear.
