Molus River Notes.

JAN. 9th.—Death has been in our midst. Miss Maggie O'Marrah died of consumption on the 5th inst., just one month after the death of her father from the same disease. The remains were taken to the family burying ground at Chapel Point for interment. Much sympathy is felt for her brother and sisters who have thus suffered a double bereavement within so short a time.

Mr. William Barnes, who has been suffering from an attack of paralysis, is slightly improved.

Mr. William Hutchinson has left Hutchinson villa and gone to live at the Barnes homestead to take care of the old couple.

Miss Mary Whalen, and her deaf and dumb sister, Carrie, have gone to Fredericton where Carrie will attend the deaf and dumb institution. Mary will assist the matron of the institution, and be company for her sister.

Miss Ella Warman, and Miss Nina Farrer, students at the provincial Normal school, have been home spending their Christmas vacation. They have again left for Fredericton to resume their studies.

Miss Lizzie McLean, of East Branch is visiting friends here.

Molus River is just now having more than its share of gaiety. Parties are the order of the day. The first was given by

Wm. McEachern, who is leaving Molus River for a short time. Mr. Roberts, the celebrated violinist, provided the music on this occasion. Dancing was indulged in until "the wee sma' hours." Mrs. F. Ward was easily the belle of the evening.

Still another party. This time it was at Mr. Stephen Ward's. A very pleasant time was spent. The Misses Thompson from Bridgetown were present.

Mr. D. D. Warman, boasts that his trotter, "Black Diamond" is the fastest in the county. One day last week he travelled from Main River bridge to Jardineville, 12 miles in 25 minutes. It is said that Geo. E. Warman will soon follow Fred's example and enter a life partnership.

Wishing the REVIEW a happy and prosperous New Year.

Miss Maud Stothart, of Jardineville, is spending part of her vacation with Mrs. H. H. Warman. Miss Grace Orr also spent a few days there on her way to St. John.

Mr. Wm. McEachern has left us to spend the winter in Maine. "Billy" will be much missed, especially by some of the young ladies.

We are pleased to note that Joseph X. is still among us; but we are afraid he is doing "things up honest" on the Main instead of the Moulis River just now.

Miss Mundle will reopen school here on Monday 16th January

Mrs. Richard Warman, who for some time past has been very ill, is now we are glad to say convalescent.

We believe Mr. Wm. Barnes is in a fair way of recovery from his recent attack of paralysis.

Dep. Sheriff Wheeler Does Not Care to Live If He Cannot Have

HOOD'S Sarsaparilla

It would be difficult to find a man better known in the vicinity of Burlington, Vt., than Mr. R. D. Wheeler of Winoski Falls, the efficient Deputy Sheriff of Burlington county. He says: "C. I. Hood & Co., Lowell, Mass.: "Dear Sirs: If Hood's Sarsaparilla cost

\$10.00 a Bottle

I should still keep using it, as I have for the past ten years. With me the question as to whether life is worth living depends upon whether I can get Hood's Sarsaparilla. I don't think I could live without it now, certainly I should not wish to, and suffer as I used to. For over ten years I suffered the horrors of the damned with

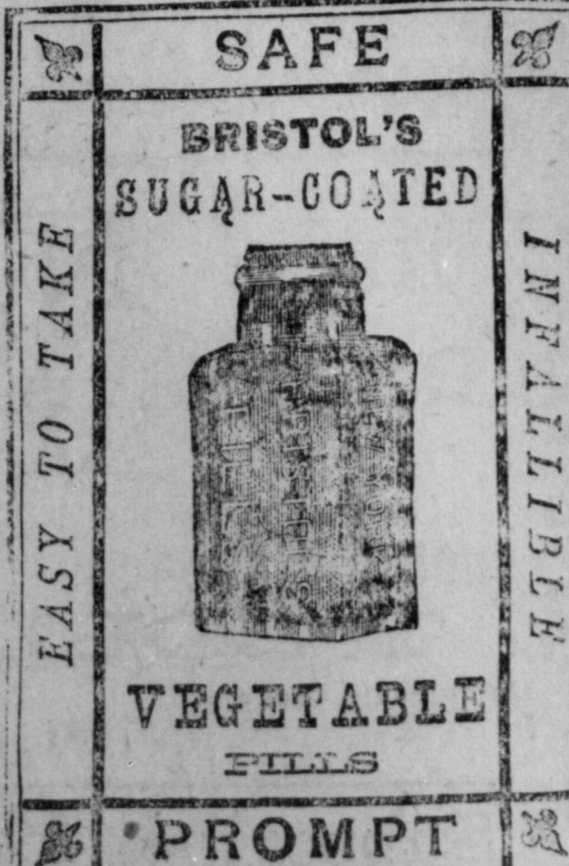

Sciatic Rheumatism

for if ever a man suffers with anything in this world it is with that awful disease. It seems to me as if all other physical suffering were compressed into that one. I took about everything man ever tried for it but never got a dollar's worth of help until I began taking

Hood's Sarsaparilla

I have taken it now pretty regularly for ten years and have no more pain and can get around all right. I have advised a good many to try Hood's Sarsaparilla." R. D. WHEELER, Deputy Sheriff, Winoski Falls, Vt.
