GENERAL NEWS.

The Home Rule bill has passed its first and stands for its second reading on March 13.

Jamaica papers of recent date announce war imminent between Hayti and San Domingo.

The exports of Canada for January, 1893, were \$4,975,162; the imports \$9,160,464, and the duty collected \$1,705,093; an increase of duty of about \$300,000 over the receipts for January, 1892.

The official Gazette says that 973 cases of cholera and 397 deaths occurred in Russia last month. Most of the cases were in the provinces of Podolia and Kieff.

Six hundred dollars have been subscribed in Ottawa for the Home Rule cause.

At a public meeting last Friday, speeches were made by Mr. Gilmour, M. P., Mr. McInerney, M. P., and Hon. Mr. Costigan.

Mr. Weldon, of Alberta, has moved for copies of petitions asking for the disallowance of the Nova Scotia act of last session in reference to the coal lands—particularly the petition of David McKeen and others.

The Dominion government sold \$1,775 worth of Sable Island ponies last year and cranberries, seal oil and calf skins brought the sale of the isle of sand product up to \$2,354. The expenses amounted to \$240, 20.

John W. McKay, the California millionaire, while walking along a street in San Francisco on Friday, was shot between the shoulder blades by a man who gave his name as Rippi, and who was unknown to Mr. McKay. The wound is believed not to be fatal. Subsequently Rippi shot himself in the left breast.

It is reported from Belfast that Orange societies in the north of Ireland are preparing for forcible resistance to a home rule parliament, should one be established. Excitement is running very high amongst Ulster loyalists. Many declare that in the event of the enactment of the home rule bill civil war will inevitably ensue.

As a result of correspondence between Secretary of State Foster and Sir Julian Pauncefote, the British minister, a new order-in-council has been issued by the Canadian Government regulating the tolls of the Dominion canals for the season of 1893. The effect of this new order is to abolish the rebate on tolls and the regulation against trans-shipped goods, thereby removing all the discriminations of which the Government of the United States has so long complained. In accordance with this diplomatic arrangement the President has issued a proclamation revoking the tolls levied on Canadian vessels and cargoes in the Sault Ste. Marie canal.

This week's Royal Gazette contains notice of an application for the incorporation of the Restigouche Electric and Telephone company.
