A Lincoln County Miracle.

THE TERRIBLE EXPERIENCE OF A WELL-TO-DO FARMER.

Mr. Ezra Merritt Suffers Untold Agony—Told by a Physician that Only Death Could End His Sufferings—How He Secured His Release From Pain—Anxious that Others Should Benefit by His Experience.

Grimby Independent.

How often we hear the expression "Hills are green far away" as a term of disparagement. So it may be with many of our readers when they hear of anything occurring at a distance from home bordering on the wonderful. They may place little confidence in it, and even if they do believe it, allow the matter to pass from their minds without leaving any permanent impression. Not so with local affairs. When anything startling occurs in our midst, affecting people whom we know well, everyone is interested, and all are anxious and even eager for the most minute details. For some months past there have been published in the columns of the Independent from time to time, accounts of remarkable cures made by that now justly famous medicine—Dr. Williams' Pink Pills for Pale People. Possibly some of our readers have looked upon some of these accounts as describing cures highly improbable, if not impossible. And yet this should not be the case, for they are all vouched for by respectable newspapers, who could have no object in stating other than the facts, and who would be discredited by their own readers were they to do so. However, seeing is believing, and Mr. Ezra Merritt, of South Grimby, stands forth to-day as living testimony to the wonderful curative powers of this not at all over-estimated medicine—Dr. Williams' Pink Pills. Having heard that a most remarkable cure had been effected in the case of Mr. Merritt, the editor of the Independent, with that desire possessed by most newspaper men for verifying things coming under their notice, resolved to investigate the case and satisfy himself as to the truth of the story. Some days ago he drove over to Smithville, and at once called upon Mr. D. W. Eastman, druggist, a straightforward business man whose word is as good as his bond with all who know him. Mr. Eastman stated that he knew of the case of Mr. Merritt, and considered it a most remarkable one. Mr. Palmer Merritt had come to him one day and asked him if he could give him anything that would help his brother, Ezra Merritt, who was suffering untold agony with pains in all his joints, his back and his head. Mr. Merritt stated that his brother had tried everything, and could find nothing to help him and that the doctors could give him no ease. One doctor from the United States had told him positively that there was no help for him, and that death only could set him free from his agony. Mr. Merritt further told Mr. Eastman that his brother wished to try Dr. Williams' Pink Pills and asked him if he thought it would be any use. Mr. Eastman advised him to try them, as wonderful cures had been worked by their use. Mr. Merritt acted on his advice and continued the use of Pink Pills until he is now a well man and sound as ever.

The editor then drove over to see Mr. Merritt, and found that gentleman sound and hearty, looking over his cattle in his farmyard. Mr. Ezra Merritt is a well-to-do farmer owning two fine farms about 3½ miles west of Smithville, in the township of South Grimby. When the newspaperman told the object of his visit Mr. Merritt expressed his willingness to give him the fullest particulars of his case, and we cannot do better than give it in his own words: "The first time I was troubled," said Mr. Merritt, "was on July first, 1891. We commenced haying on that day and I felt sore and stiff in all my joints. I now believe the trouble originated through my washing some sheep in cold water the preceding April, when I went into the water and stayed so long that when I came out my legs were numb, but I did not feel any bad results until July as I have said. I gradually grew worse until I could scarcely do anything. I kept on trying to work but it was a terrible struggle, and the way I suffered was something awful. Every joint in my body was stiff and intensely painful. As time passed on I gradually grew worse, the pains went into my back and at times my agony was almost unbearable. I had tried all homemade remedies but without avail. I then consulted a doctor but his medicine had no effect. At the time of the Smithville fair a doctor was over here from the States and I consulted him. He said my case was hopeless, and I need not expect anything but death to release me from my pain. As winter came on the pain got into my head and my sufferings were something terrible. About dark the pain would start about my ear and work up until it reached the crown of my head. As morning came on the pain in my head would subside, but the pains in the rest of my body never left me, and at last I grew so bad that when I would lie on my back I could not get up to save my life without assistance. Although I had not lost my appetite I became weak, so bad that though I could walk around I could not stoop to lift a pound. I became so weak in this way that I got discouraged and lost all hope of ever getting better. It was about this time that I heard of the wonderful cures by the use of Dr. Williams' Pink Pills, and Mr. Eastman, of Smithville,

advised that they be given a trial. My brother got me a box and I took them but felt no good results. I took still another box and still no perceptible benefit, and I felt so weak and discouraged that I decided not to take any more. At this time a lady from Hamilton came to visit at our place and she strongly advised me to continue using the Pink Pills. She had known Mr. Marshall at that city and knew that his case was bona fide. I thought it useless to continue, but at the urgent solicitations of my friends did so, and by the time I was through with the third box I began to feel a benefit from them. This gave me hope which did not again waver, as I found myself steadily growing better, and continued the use of the Pink Pills until now I am as well as ever I was in my life. I know that it was Pink Pills that saved me when all else had failed, and I have no objections whatever to having the story of my cure being published, as it may be the means of helping some other sufferer back to health and strength and gladness." Mr. Merritt further said that he had now no fear of a hard day's work, and has not had the slightest return of the pains or the stiffness in the joints.

Returning to Smithville the editor again called upon Mr. Eastman and was informed by that gentleman that his sales of Pink Pills were something enormous. Mr. Merritt's cure having something to do with the increase in sales lately. There are other cases also in this vicinity little less than marvellous of which we may speak later on.

Dr. Williams' Pink Pills are a perfect blood builder and nerve restorer, curing such diseases as rheumatism, neuralgia, partial paralysis, locomotor ataxia, St. Vitus' dance, nervous headache, nervous prostration and the tired feeling therefrom, the after effects of la grippe, influenza and severe colds, diseases depending on humors in the blood, such as scrofula, chronic erysipelas, etc. Pink Pills give a healthy glow to pale and sallow complexions, and are a specific for the troubles peculiar to the female system, and in the case of men they effect a radical cure in all cases arising from mental worry, overwork or excesses of any nature.

These pills are manufactured by the Dr. Williams' Medicine Company, Brockville, Ont. and Schenectady, N. Y., and are sold only in boxes bearing the firm's trade mark and wrapper, at 50 c. a box, or six boxes for \$2.50. Bear in mind that Dr. Williams' Pink Pills are never sold in bulk or by the dozen or hundred, nor in any form except in packages bearing the company's trade mark, and any dealer who offers substitutes in any other form is trying to defraud you and should be avoided.

Dr. Williams' Pink Pill may be had of all druggists or direct by mail from Dr. Williams' Medicine Company from either address. The price at which these pills are sold make a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.

A Sure Remedy for Neuralgia.

Neuralgia is one of the most common and distressing complaints incidental to this climate. It is not confined to any particular season, for whilst most general in the winter seasons, yet many suffer its excruciating agony in the heat of summer. In late years this form of disease has become better known, and consequently the means of relief have become greatly increased in numbers, as well as in efficacy. Among the most powerful and penetrating combinations, placed within the reach of the public for the relief of neuralgia, we can mention no remedy equal to or more certain than Polson's Nerviline. Its power over pain is something wonderful, and we advise a trial for neuralgia, or any other painful complaints.

Gives Strength and Appetite.

DEAR SIR,—Last year I was very thin and reducing very fast, owing to the bad state of my blood and appetite. A friend of mine induced me to get a bottle of B. B. B., which I did. I obtained immediate perceptible relief from it, have gained strength and appetite, and now weigh 192 pounds.
