THE GOVERNORSHIP.

Notwithstanding the numerous and conflicting dispatches from Ottawa to the New Brunswick papers concerning the governorship of this province, it appears that the government have not yet taken the matter under serious consideration...

ed last week by the arrival of a drunken tramp, who proceeded to make some midnight calls. After vainly trying to gain admission into the house of several of our citizens, he at last found shelter in the house of Mr. A. T. How to Cure Corns.

It is one of the easiest things in the world to cure a corn. Do not use acids or other caustic preparations, and don't cut a hole in your boot. It is simply to apply Putnam's Painless Corn Extractor...

Cocagne.

FEB. 6th.—Smelt fishing has been quite a successful pursuit this season. In some cases, as many as half a ton per day was taken by a single net. The smelts were readily bought on the ice at prices ranging from 2 cents to 4 1/2 per pound...

We have had very cold weather lately; snowing or drifting most of the time. The roads are in a very bad condition. In some places they have to be broken in the fields.

There is plenty of snow in the woods at present, and lumbering is in full blast. Mr. Bowen Smith has quite a crew at work near the head of the Cocagne river.

Weddings and dances are all the go, or have been before lent, and let me say that our young people took advantage of the opportunities afforded them and did ample justice to the dances as well as to the supper.

Mr. J. N. Elliott has lately handed over the proprietorship of the Bay View hotel to Mr. Charles Woods. Mr. Elliott has removed to the Elliott homestead while Mr. Wood will be pleased to accommodate all transient or permanent boarders.

News is just as scarce as money here, so I will have to come to a close.

Safe and Sure.

Not only safety from mineral poison (of which B. B. B. does not contain the slightest trace), but prompt and certain action in the cure of disease may be confidently relied on from the use of this unrivalled natural specific for Dyspepsia, Constipation, Bad Blood, Headache, Biliousness and all diseases of the stomach, liver, bowels and blood.

Why you take Cold and Cough.

Generally caused by exposure to cold, wet feet, sitting in a draught, coming from hot and crowded places, in thin dress, or wearing damp clothes, stockings, or any other cause tending to check suddenly the perspiration. The result produces inflammation of the lining membrane of the lungs or throat, and this causes phlegm or matter, which nature tries to throw off by expectoration. In many cases she is unable to do so without assistance, and this is

Why you use Allen's Lung Balsam.

Kouchibouguac.

FEB. 3rd.—We are sorry to hear that the controversy between the fair sex of Kingston, and Richibucto, has not been settled. The question at issue is, who was belle of the Ball held in the Masonic hall last month?

Smelt fishing is almost a thing of the past. Our fishermen have not done much at it for the last fortnight.

John Stevenson was around our river last week on business. We are pleased to see him in good health.

Mr. King, the popular apple tree dealer was in town last Friday, negotiating with one of our well-to-do farmers, about a nice lot of trees.

One of our young men got married this morning, and made up his mind to open a store near McLeod's mills, Kouchibouguac.

Dep. Sheriff Wheeler Does Not Care to Live If He Cannot Have HOOD'S Sarsaparilla

It would be difficult to find a man better known in the vicinity of Burlington, Vt., than Mr. R. D. Wheeler of Winooski Falls, the efficient Deputy Sheriff of Burlington county. He says: "Dear Sirs: If Hood's Sarsaparilla cost

\$10.00 a Bottle I should still keep using it, as I have for the past ten years. With me the question as to whether life is worth living depends upon whether I can get Hood's Sarsaparilla. I don't think I could live without it now, certainly I should not wish to, and suffer as I used to. For over ten years I suffered the horrors of the damned with

Sciatic Rheumatism for if ever a man suffers with anything in this world it is with that awful disease. It seems to me as if all other physical suffering were compressed into that one. I took about everything man ever tried for it but never got a dollar's worth of help until I began taking

Hood's Sarsaparilla I have taken it now pretty regularly for ten years and have no more pain and can get around all right. I have advised a good many to try Hood's Sarsaparilla." R. D. WHEELER, Deputy Sheriff, Winooski Falls, Vt.

My life during the past 23 years has NEVER BEEN FREE FROM SUFFERING UNTIL NOW. Since I began to take GRODER'S Syrup, I FIND CHRONIC NEURALGIA of the heart of 20 YEARS ANDING has entirely disappeared. My distress from SEVERE CONSTIPATION has been an unending torture for the past ten years, but your remedy is fast restoring healthy action of the stomach and bowels.
