Liver Complaint Completely Cured by Sagwa!
The Only Remedy which did Any Good.

METROPOLIS, ILL., April 5, 1892.
I had been troubled with liver complaint for twelve years when your company was in Paducah, Ky., about two years ago. I tried one bottle of Kickapoo Indian Sagwa, and it did me great good. A slight occurrence of my trouble recently has caused me to purchase another bottle, and the results are so gratifying that I have bought five bottles more, and am satisfied of being completely cured, and I willingly recommend it to all who may be afflicted with liver trouble. It is the only medicine I have ever found which would do me any good. SAMUEL W. GREENE.

Terrible Blood Poison!
Completely cured by Sagwa.

HUDSON, N.H., Jan. 26, 1892.
Two years ago my blood was in a very bad state, and I was afflicted with boils and abscesses to an alarming extent. At the time I began using Kickapoo Indian Sagwa, I had two abscesses, one on my face and one on my neck, and was suffering untold agony. I used two bottles of the Sagwa, and was completely cured, and permanently rid of my troubles, and am satisfied that as a blood purifier it is unequalled by any in the market. C. C. LESLIE.

WM. FITZEY, Prospect, OHIO.
Rescued from the Grave!
The Startling Story of Wm. Fitzey.

PROSPECT, O., March 20, 1892.
About two years ago I suffered with an attack of the Grippe, from which I never fully recovered; and there has never been a waking moment since that I have not suffered with the headache, until I began using Kickapoo Indian Sagwa. Less than two bottles have completely cured me of headache; and I am satisfied that if I had not got some relief from some source within another year, I would have gone to my grave, or would have been a fit subject for the lunatic asylum. The doctors failed to afford me any relief, and the numerous patent medicines in the market were equally unavailing, and nothing gave me any relief whatever except what I believe to be the greatest boon to humanity, Kickapoo Indian Sagwa. WILLIAM FITZEY.

Sufferings Terrible!

Life was a burden. Felt that he was incurable, and gave up hope. Kickapoo Indian Sagwa restored him to health. A Glorious Remedy.

METROPOLIS, ILL., April 6, 1892.
For three years I was a terrible sufferer from chronic dyspepsia and nervousness, and life was a burden to me. I tried everything I heard of, and found nothing would give me any relief, and finally concluded that my case was incurable, and I felt that I must die; my trouble was such that life had no attraction for me, and I was worn out and discouraged. At this time my attention was called to Kickapoo Indian Sagwa, and I bought a bottle and began using it. To my joyful surprise, it gave me great relief. I purchased and used six bottles in all, and to-day am a well, hearty man, thanks to this glorious remedy. I cheerfully recommend it to any one suffering with the tortures of dyspepsia, and it will do all that is claimed. Any one doubting this statement may write me or see me in person. ROBERT NUCKOLLS, Proprietor Palace Hotel.

"Truly Wonderful!"
Will do all that You Claim.

BUTLER, ILL., April 9, 1892.
I have used Kickapoo Indian Sagwa, and found it wonderful in effect, and also used Kickapoo Indian Cough Cure for my eleven-months old child with gratifying results. These medicines are truly wonderful, and will do all that is claimed for them. LOUIS BREMER.

A Little Child Rescued from Pain and Anguish.

Gratitude of the Father. The Daughter's Health also Improved. Kickapoo Indian Remedies the Friend of the Family.

My little boy has been a terrible sufferer from earache, resulting from the measles, and for two years he had been treated by the best physicians at different times, and we had tried numerous remedies. Learning of Kickapoo Indian Oil we obtained it, and used some according to directions, and the boy was cured within five minutes, and has had no attacks since. I would not take \$50 for my bottle if I could not get another, and I gladly recommend it for all it claims to do. My daughter's health was also wonderfully improved by the use of Kickapoo Indian Sagwa, and I consider the Kickapoo remedies invaluable in every home. Respectfully, JOHN H. EVERSOLE, Music Dealer, Prospect, O.

HON. WM. F. CODY, "Buffalo Bill."

Many are familiar with the famous "Buffalo Bill," wonderful wild west show. Prior to his venture abroad, Mr. Cody exhibited at Staten Island, in New York Harbor, where he became afflicted with malaria. Knowing the virtues of Kickapoo Indian Sagwa, Mr. Cody sent to the agents for this wonderful Indian remedy, and after using a few bottles was permanently cured. "Kickapoo Indian Sagwa is a remarkable medicine," said Mr. Cody, "and I have known of its virtues a long time. You may use my name, and say that for what it claims to do it has no equal, and for malaria and chills it is far superior to quinine in many ways." Kickapoo Indian Sagwa is also a sure cure for Rheumatism, and if the Kickapoo Oil is used at the same time it is impossible for rheumatic pains and stiffness to remain. It is the only remedy the Indians ever use, and has been known by them for ages. An Indian would as soon be without his horse, gun, or blanket as to be without Sagwa. This, from the leading plainman in American history, a man whose integrity is unquestioned, should prove beyond a shadow of doubt that Kickapoo Indian Sagwa is just what is claimed for it: an honest medicine of superior curative qualities, combining the best of the vegetable kingdom gathered from the forests and gardens of nature.

Stomach Troubles Instantly Relieved and Permanently Cured.

Kickapoo Indian Sagwa is a Blessing to Ladies.

LACOLLE, QUEBEC, March 25, 1892.
I regard the Kickapoo Indian Sagwa remedies as truly wonderful. I have been a great sufferer from stomach trouble, and was unable to find relief from any source until I heard of these valuable remedies. The Kickapoo Indian Sagwa entirely cured me of my troubles, and the other remedies of your preparation have proved efficacious in every case, as I have reason to know. MISS NELLIE GRUDY.

All Else Failed!

Doctors Powerless to Cure. Kickapoo Indian Sagwa Cured.
WINCHESTER, N.H., March 17, 1892.
For the past twenty-five years I have been terribly afflicted with scrofula, and have tried everything there was in the market, but could get no relief. A year ago I purchased six bottles of Kickapoo Indian Sagwa, and by its use was completely cured, and the entire poison was eliminated from my system. I always keep it in the house, and my wife and myself both take it whenever we feel the least bit "run down." I would rather pay \$5.00 a bottle for Kickapoo Indian Sagwa than to be without it. CHARLES D. SLAYTER.

Chronic Headache.

Found no Relief except in Kickapoo Indian Sagwa, the Greatest Blessing to the Human Race.

PROSPECT, O., March 10, 1892.
For two years I had been more or less afflicted with headaches, and had failed to find any relief. I was recommended to use Kickapoo Indian Sagwa during my last attack, and by the second day my headache stopped, and I have had no return of it since. My headaches came from a liver and stomach trouble, and the Sagwa made its curative effects felt at once. I cheerfully recommend Kickapoo Indian Sagwa to all who may be afflicted, believing it to be the greatest blessing of the human race. MILDRED EVERSOLE.

An Old Injury Cured after 18 years.

FINGAL, ONT., Jan. 4, 1892.
For eighteen years I had suffered with lameness in my knee, caused by a fall, and doctored for it continuously without relief. I tried Kickapoo Indian Oil, and in three days' use it reduced the swelling and the pain was nearly gone, and a few bottles effected a permanent and lasting cure. I can faithfully recommend its use. WILLIAM SCOTT.

ADVERTISE IN THE REVIEW.

A Reply To "Truth."
To the Editor of the Review:
I see in your issue of the 19th inst. that Truth accuses me of making certain false statements in the "Advocate" of the 11th inst. Now Mr. Editor, I would like "Truth" to please name one false statement that I have made, and I will be only too happy to make amends. They are all facts, sir; and facts are bound to stand. I challenge "Truth" to name one single instance where I have erred. He is not satisfied with attacking me in this manner, but goes on to attack other young ladies in a way that is both slanderous and insulting, and shows him to be no gentleman. Why does he vent his wrath on those that have no interest in our common matter? In this he shows the nature of a cowardly wolf, more than a gentleman. He then proceeds to tell us that he does not intend to go West for sometime. The community will regret to hear this, as it is far better rid of such a gossip as he is. It will be quite easy to get a person to take his place, as sleeping in a station night after night is a position that can be filled by any person. So, go West, "Truth," we are better without you, and it will be a blessing to the place to be clear of an individual that thinks it no crime to slander and insult ladies through the columns of the press. "Truth's" writings are stranger than fiction.
In conclusion I will say to "Truth" unless he names me the mis-statements to which he refers, that I will not again stoop to answer the writings composed by his baby mind; but will treat them with the silent contempt which they deserve.
Thanking you, Mr. Editor, for your valuable space, and trusting that Truth will not again try to carry out the old maxim, "The greatest man is the fool!" I am yours truly,
TOPSY.
