

LOCAL NEWS

SUPREME COURT.—The Supreme Court opened at Fredericton on Tuesday. In *Placide Richard vs. Wm. Main*, Mr. Rainsford moved for time to enter cause and prepare notices; leave granted to enter cause and to file notices until March 15th.

GOOD BEGINNING.—Mr. McInerney's speech in moving the address, in reply to the governor's speech, was a brilliant effort, and won for the new member for Kent the hearty applause of both sides of the House. He has certainly made a good beginning and we predict for him a brilliant parliamentary career.

PROBATE COURT.—At a session of the probate court before Judge James at Buctouche last week application was made by Messrs. Burdett & Co. of St. John, for the passing of the final accounts in the estate of the late Geo. R. Bailey of Harcourt. D. Grant, proctor for petitioner, C. Richardson for administrator.

LUMBERING OPERATIONS AT BUCTOUCHE.—Mr. H. Irving, who was in town last week, states that the cut of lumber on the Buctouche river this season will exceed that of any year since he has been in the business. The bare ground at the beginning of the winter, enabled operators to get most of their yarding done before hauling commenced.

THE KICKAPOOS.—The Kickapoo Indian Company have reached Richibucto on their tour through New Brunswick, and will entertain the people of this place in the Temperance Hall for a few evenings—commencing Wednesday evening. Wherever they have exhibited they have been greeted with a crowded house. The last evening they were in Moncton about 300 people were unable to gain admission to the Opera House.

EQUITY COURT.—At a sitting of the Equity Court in St. John last Tuesday before Judge Palmer in the case of A. C. Storer vs. G. W. Robertson it was ordered that the receiver sell the partnership property at Richibucto on Feb. 21st, pay such creditors as both parties agree on out of the proceeds, and pay the balance into the credit of the cause. C. J. Sayre and C. A. Palmer for plaintiff, and J. D. Phinney and the Attorney General for defendant.

THE COST OF CRIMINAL BUSINESS.—When it is remembered that the January term of the County Court adjourned without the trial of a single case, the taxpayers of the county will be surprised to learn that they have been forced to contribute nearly \$100 costs for criminal prosecutions. A KENT COUNTY BOY'S FORTUNE.—A young man named Napoleon Gallant, son of Damien Gallant Coal Branch, Kent Co., has recently received \$4000 for injuries received while breaking on the New York and New England railway. The young man left home about three years ago and went breaking on the above-named road running out of Boston. Some time ago he was crushed between two cars, sustaining injuries to his hip that left him a cripple for life. He brought action against the railway and the case was settled in September last by the company, paying over the amount and offering him a job for life. He, however, came home and purchased the farm of Mr. Geo. Perry, at Acadaville, and will turn his attention to farming. Mr. Gallant is to be married on Monday next to a Miss King of Richibucto.—Times

THE LAKE MAGAZINE.—The January number of the Lake Magazine which has just been issued, is undoubtedly one of the best ever presented to the public. From beginning to end it is full of matter which is not only interesting and amusing, but instructive as well. A well written article on Mexico, with accompanying illustrations, occupies the first pages; then comes a stirring article on Woman Suffrage, from the well-known pen of Katharine McKenzie, a political article by Knapp, dealing in a masterly way with the question of the day, Canada and Imperial Federation, and a number of short poems, stories and sketches, chief among which is "The Girl in Canada," by Stuart Livingston, and "A North-West Sketch" by Marguerite Evans, completes the contents. The Lake Magazine is published by the Lake Publishing Company, Toronto, for 10c. a number, or \$1.50 a year.
