Canadian Northwest.

EVERY bona-fide Settler can secure a Homestead (160 acres) FREE, and a second quarter-section can be obtained on very easy terms. To these lands, home seekers from the East are flocking in large numbers.—Vermont, Massachusetts, Maine, Michigan, and the great Western States of the Union, having sent delegates to look over the lands of the Canadian Northwest, and their reports having invariably been most favorable, numerous colonies have already gone from those localities, and these will be followed by still larger crowds in the spring.

The Canadian Northwest has admittedly the most productive soil in the world, and its wheat realizes the highest price—having carried off the Gold Medal at the Miller's World's Exposition held at London, England, last year.

KINGSTONE.

The registered horse "Kingstone," having a combination of the Hambletonian trotting blood and thorough-bred running blood, will be held at the subscriber's stables during the month of May for the service of a few choice mares, at the fee of \$4.00 for single service, \$8.00 for the season, and \$13.50 to insure. Payment for single service made at the time; payment for the season at the end of July, and payment for insurance nine months after date of last service, proof of non-conception assumed by owner of mare at time of service.

During June and July "Kingstone" will travel in some part or parts of the county where he appears to be most appreciated.

As "Kingstone's" sire, "Rysdyk," now 28 years old, is held at the present time at the fee of \$100.00 for the season, it must be self evident that his son "Kingstone" at the figure here advertised is very reasonable indeed.

TOWN TOPICS, the great 32 page weekly, is universally recognized as the most complete weekly journal in the world.

Its "Sensations" columns are imitable. Its society news, especially of the homes of the 400 of New York, Boston, Philadelphia, Chicago, and all over the world, is not equalled by any newspaper.

Its Financial Department is authority with all bankers and brokers. Its "Affair and Afloat" makes it the most interesting paper for all lovers of sport—yachting, foot ball, rowing, shooting, fishing, etc.

Its "On the Turf" exceeds all other racing notes. Its burlesques, poems and jokes are the cleverest. Its stories are by the best writers—among them Amelia Rivers, F. Marion Crawford, Julian Hawthorne, Edgar Poe, Jerome K. Jerome, Gilbert Parker, Mary J. Hawker ("Lance Falconer"), Barry Pain, Paul Bourget, etc.
