

THE GREAT SOUTH AMERICAN NERVINE TONIC

Stomach and Liver Cure

The Most Astonishing Medical Discovery of the Last One Hundred Years.

It is Pleasant to the Taste as the Sweetest Nectar. It is Safe and Harmless as the Purest Milk.

This wonderful Nervine Tonic has only recently been introduced into this country by the proprietors and manufacturers of the Great South American Nervine Tonic, and yet its great value as a curative agent has long been known by a few of the most learned physicians, who have not brought its merits and value to the knowledge of the general public.

This medicine has completely solved the problem of the cure of indigestion, dyspepsia, and diseases of the general nervous system. It is also of the greatest value in the cure of all forms of failing health from whatever cause. It performs this by the great nerve tonic qualities which it possesses, and by its great curative powers upon the digestive organs, the stomach, the liver and the bowels. No remedy compares with this wonderfully valuable Nervine Tonic as a builder and strengthener of the life forces of the human body, and as a great renewer of a broken-down constitution. It is also of more real permanent value in the treatment and cure of diseases of the lungs than any consumption remedy ever used on this continent. It is a marvelous cure for nervousness of females of all ages. Ladies who are approaching the critical period known as change in life, should not fail to use this great Nervine Tonic, almost constantly, for the space of two or three years. It will carry them safely over the danger. This great strengthener and curative is of inestimable value to the aged and infirm, because its great energizing properties will give them a new hold on life. It will add ten or fifteen years to the lives of many of those who will use a half dozen bottles of the remedy each year.

IT IS A GREAT REMEDY FOR THE CURE OF

Nervousness, Nervous Prostration, Nervous Headache, Sick Headache, Female Weakness, Nervous Chills, Paralysis, Nervous Paroxysms and Nervous Choking, Hot Flashes, Palpitation of the Heart, Mental Despondency, Sleeplessness, St. Vitus' Dance, Nervousness of Females, Nervousness of Old Age, Neuralgia, Pains in the Head, Pains in the Back, Failing Health, Broken Constitution, Debility of Old Age, Indigestion and Dyspepsia, Heartburn and Sour Stomach, Weight and Tenderness in Stomach, Loss of Appetite, Frightful Dreams, Dizziness and Ringing in the Ears, Weakness of Extremities and Fainting, Impure and Impoverished Blood, Boils and Carbuncles, Scrofula, Scrofulous Swellings and Ulcers, Consumption of the Lungs, Catarrh of the Lungs, Bronchitis and Chronic Cough, Liver Complaint, Chronic Diarrhoea, Delicate and Scrofulous Children, Summer Complaint of Infants.

All these and many other complaints cured by this wonderful Nervine Tonic.

NERVOUS DISEASES.

As a cure for every class of Nervous Diseases, no remedy has been able to compare with the Nervine Tonic, which is very pleasant and harmless in all its effects upon the youngest child or the oldest and most delicate individual. Nine-tenths of all the ailments to which the human family is heir are dependent on nervous exhaustion and impaired digestion. When there is an insufficient supply of nerve food in the blood, a general state of debility of the brain, spinal marrow, and nerves is the result. Starved nerves, like starved muscles, become strong when the right kind of food is supplied; and a thousand weaknesses and ailments disappear as the nerves recover. As the nervous system must supply all the power by which the vital forces of the body are carried on, it is the first to suffer for want of perfect nutrition. Ordinary food does not contain a sufficient quantity of the kind of nutriment necessary to repair the wear our present mode of living and labor imposes upon the nerves. For this reason it becomes necessary that a nerve food be supplied. This South American Nervine has been found by analysis to contain the essential elements out of which nerve tissue is formed. This accounts for its universal adaptability to the cure of all forms of nervous derangement.

To the Great South American Nervine Tonic Co.:
DEAR GENTS:—I desire to say to you that I have suffered for many years with a very serious disease of the stomach and nerves. I tried every medicine I could hear of, but nothing doing me any appreciable good until I was advised to try your Great South American Nervine Tonic and Stomach and Liver Cure, and since using several bottles of it I must say that I am surprised at its wonderful powers to cure the stomach and general nervous system. If everyone knew the value of this remedy as I do you would not be able to supply the demand.

A SWORN CURE FOR ST. VITUS' DANCE OR CHOREA.

My daughter, eleven years old, was severely afflicted with St. Vitus' Dance or Chorea. We gave her three and one-half bottles of South American Nervine and she is completely restored. I believe it will cure every case of St. Vitus' Dance. I have kept it in my family for two years, and am sure it is the greatest remedy in the world for indigestion and dyspepsia, and for all forms of Nervous Disorders and Failing Health, from whatever cause.

INDIGESTION AND DYSPEPSIA.

The Great South American Nervine Tonic

Which we now offer you, is the only absolutely unfailing remedy ever discovered for the cure of Indigestion, Dyspepsia, and the vast train of symptoms and horrors which are the result of disease and debility of the human stomach. No person can afford to pass by this jewel of incalculable value who is affected by disease of the stomach, because the experience and testimony of many go to prove that this is the one and only one great cure in the world for this universal destroyer. There is no case of unmalignant disease of the stomach which can resist the wonderful curative powers of the South American Nervine Tonic.

HARRIS E. HALL, of Warrington, Ind., says: "I owe my life to the Great South American Nervine. I had been in bed for five months from the effects of an exhausted stomach, indigestion, nervous prostration, and a general shattered condition of my whole system. Had given up all hopes of getting well. Had tried three doctors, with no relief. The first bottle of the Nervine Tonic improved me so much that I was able to walk about, and a few bottles cured me entirely. I believe it is the best medicine in the world. I can not recommend it too highly."

No remedy compares with SOUTH AMERICAN NERVINE as a cure for the Nerves. No remedy compares with South American Nervine as a wonderful cure for the Stomach. No remedy will at all compare with South American Nervine as a cure for all forms of failing health. It never fails to cure indigestion and dyspepsia. It never fails to cure Chorea or St. Vitus' Dance. Its powers to build up the whole system are wonderful in the extreme. It cures the old, the young, and the middle aged. It is a great friend to the aged and infirm. Do not neglect to use this precious boon: if you do, you may neglect the only remedy which will restore you to health. South American Nervine is perfectly safe, and very pleasant to the taste. Delicate ladies, do not fail to use this great cure, because it will put the bloom of freshness and beauty upon your lips and in your cheeks, and quickly drive away your disabilities and weaknesses.

Windsor Castle.

Windsor Castle is one of the most picturesque places in England. It was originally built by William the Conqueror, who here established a hunting seat. To Edward III. it owes much of its magnificence and strength; and since his time it has been a favorite abode of English sovereigns. And what a history its thirty generations of existence can tell! Here the sagacious and statesmanlike Henry Tudor, who reconciled the rival houses of York and Lancaster, held high council with his court; here his son and successor dallied with his maids of honor, and after his scandalous divorce from Katherine of Aragon, placed the crown on Annie Boleyn; here the "good Queen Bess" listened to the plays of Shakespeare and received the encomiums of poets and courtiers; here the pedantic James and the pious Charles asserted the divine right, and here the Protector sat in deliberation with the stern representatives of the commonwealth.

Here, too, after the restoration, romped the "merry monarch" with beauty and wit; and from this palace was driven forth the next King to give place to the great Stattholder. The third George had resigned; and the palace at last proved a prison to the insane old ruler. His granddaughter, Victoria, makes Windsor her home; and the Queen's court is a model of good order, while her family exhibits the results of wholesome training and worthy example.

The palace contains many relics of bygone years. The armor and equipage of chivalry, the fashion of former ages, the disintegrated ruins of antiquity, and the graves of Kings and Queens in the royal chapel are here; and the portraits of heroes, statesmen, writers and civilians adorn the chambers or decorate the galleries. The paintings of some of the old masters hang in the large saloons; and one room, called "the beauty room," formerly contained pictures of Charles II.'s court. They have, to her honor, be it said, been banished by Victoria. To some portions of the palace the public are admitted; and obliging attendants point out the principal objects of interest.

Trusts and Combinations

Are unpopular. But there is one form of trust against which no one has anything to say. That is the trust which the public reposes in Hood's Sarsaparilla, and the best of it is the trust is fully justified by the merit of the medicine. For, remember, HOOD'S Sarsaparilla CURES.

A DISTRESSING SITUATION.—What a dreadful thing it is to wake up in the middle of the night suffering from cholera, —the nearest doctor a mile away and no one to send for him. Imagine a more distressing domestic situation, if you can; and yet cases of this kind are very common. The trouble, however, would never have become serious if the man of the house had a bottle of PERRY DAVIS' PAIN-KILLER at hand, for it is a remedy that never fails to cure cholera, cramps, diarrhea, or dysentery. All druggists keep it. 25c. for large New size.

Severe Abscess Cured.
DEAR SIR:—I had an abscess just behind my right ear, in August, 1891. After suffering for three months, I began to take B. B. B., and after one month's use of it I was very much better, and the abscess entirely disappeared in four months. I am certain that Burdock Blood Bitters is an excellent remedy.

A Dangerous Practice.

Ladies who do a great deal of sewing frequently suffer a great deal from soreness of the mouth and lips, and are often at a loss to ascertain the cause of the trouble. Half the time it is simply the result of biting off thread instead of using a pair of shears for cutting. In the case of silk thread the danger is quite marked, because it is usual to soak the thread in acetate of lead, partly to harden it and give it a good surface, and also, perhaps, to increase its weight somewhat. If this practice is followed regularly and very much silk thread is used the results may be quite serious and even lead to blood-poisoning.

Biliousness Cured.

GENTLEMEN,—I have used Burdock Blood Bitters for biliousness and find it the best for this complaint. I used several other remedies but they all failed to do me any good. However, it required only two bottles of B. B. B. to cure me completely, and I can recommend it to all.

Yours truly,
