

THE GREAT SOUTH AMERICAN NERVINE TONIC

Stomach and Liver Cure

The Most Astonishing Medical Discovery of the Last One Hundred Years.

It is Pleasant to the Taste as the Sweetest Nectar. It is Safe and Harmless as the Purest Milk.

This wonderful Nervine Tonic has only recently been introduced into this country by the proprietors and manufacturers of the Great South American Nervine Tonic, and yet its great value as a curative agent has long been known by a few of the most learned physicians, who have not brought its merits and value to the knowledge of the general public.

IT IS A GREAT REMEDY FOR THE CURE OF

NERVOUS DISEASES.

As a cure for every class of Nervous Diseases, no remedy has been able to compare with the Nervine Tonic, which is very pleasant and harmless in all its effects upon the youngest child or the oldest and most delicate individual. Nine-tenths of all the ailments to which the human family is heir are dependent on nervous exhaustion and impaired digestion. When there is an insufficient supply of nerve food in the blood, a general state of debility of the brain, spinal marrow, and nerves is the result. Starved nerves, like starved muscles, become strong when the right kind of food is supplied; and a thousand weaknesses and ailments disappear as the nerves recover. As the nervous system must supply all the power by which the vital forces of the body are carried on, it is the first to suffer for want of perfect nutrition. Ordinary food does not contain a sufficient quantity of the kind of nutriment necessary to repair the wear our present mode of living and labor imposes upon the nerves. For this reason it becomes necessary that a nerve food be supplied. This South American Nervine has been found by analysis to contain the essential elements out of which nerve tissue is formed. This accounts for its universal adaptability to the cure of all forms of nervous derangement.

CRAWFORDVILLE, IND., Aug. 20, '86.
To the Great South American Nervine Tonic Co.:
DEAR GENTS—I desire to say to you that I have suffered for many years with a very serious disease of the stomach and nerves. I tried every medicine I could hear of, but nothing done me any appreciable good until I was advised to try your Great South American Nervine Tonic and Stomach and Liver Cure, and since using several bottles of it I must say that I am surprised at its wonderful powers to cure the stomach and general nervous system. If everyone knew the value of this remedy as I do you would not be able to supply the demand.

A SWORN CURE FOR ST. VITUS' DANCE OR CHOREA.

CRAWFORDVILLE, IND., June 22, 1887.
My daughter, eleven years old, was severely afflicted with St. Vitus' Dance or Chorea. We gave her three and one-half bottles of South American Nervine and she is completely restored. I believe it will cure every case of St. Vitus' Dance. I have kept it in my family for two years, and am sure it is the greatest remedy in the world for Indigestion and Dyspepsia, and for all forms of Nervous Disorders and Failing Health, from whatever cause.

INDIGESTION AND DYSPEPSIA.

The Great South American Nervine Tonic

Which we now offer you, is the only absolutely unfailing remedy ever discovered for the cure of Indigestion, Dyspepsia, and the vast train of symptoms and horrors which are the result of disease and debility of the human stomach. No person can afford to pass by this jewel of incalculable value who is affected by disease of the stomach, because the experience and testimony of many go to prove that this is the one and only one great cure in the world for this universal destroyer. There is no case of non-malignant disease of the stomach which can resist the wonderful curative powers of the South American Nervine Tonic.

HARRIET E. HALL, of Waynetown, Ind., says:
"I owe my life to the Great South American Nervine. I had been in bed for five months from the effects of an exhausted stomach, Indigestion, Nervous Prostration, and a general shattered condition of my whole system. Had given up all hopes of getting well. Had tried three doctors, with no relief. The first bottle of the Nervine Tonic improved me so much that I was able to walk about, and a few bottles cured me entirely. I believe it is the best medicine in the world. I can not recommend it too highly."

MRS. ELLA A. BRATTON, of New Ross, Indiana, says:
"I cannot express how much I owe to the Nervine Tonic. My system was completely shattered, appetite gone, was coughing and spitting up blood; am sure I was in the first stages of consumption, an inheritance handed down through several generations. I began taking the Nervine Tonic, and continued its use for about six months, and am entirely cured. It is the greatest remedy for nerves, stomach and lungs I have ever seen."

No remedy compares with SOUTH AMERICAN NERVINE as a cure for the Nerves. No remedy compares with South American Nervine as a wonderful cure for the Stomach. No remedy will act all over the system as a cure for all forms of failing health. It never fails to cure indigestion and dyspepsia. It never fails to cure Chorea or St. Vitus' Dance. Its powers to build up the whole system are wonderful in the extreme. It cures the old, the young, and the middle-aged. It is a great friend to the aged and infirm. Do not neglect to use this precious boon. If you do, you may neglect the only remedy which will restore you to health. South American Nervine is perfectly safe, and very pleasant to the taste. Delicate ladies, do not fail to use this great cure, because it will put the bloom of freshness and beauty upon your lips and in your cheeks, and quickly drive away your disabilities and weaknesses.

The Sisters of Providence.

AN INTERESTING CHAT WITH THE SECRETARY OF ST. MARY'S.

She Explains why the Sisters and their Pupils are so Healthy—Due to Strict Rules of Hygiene and the Medicine used in the Home—Information of Value to Everybody.

From the Terre Haute, Ind., Express.

Four miles to the northwest of Terre Haute, lies the beautiful and picturesque village of St. Marys. This is a Roman Catholic Institution which has attained something more than national celebrity. Fifty years ago it was established by six sisters of Providence, who came from the shores of France to lay the foundation for this great charitable order. It now consists of the home of the Sisters of Providence, known as the Providence House; a large female seminary, one of the finest chapels in the United States, and a Rectory in which the priests make their home.

A reporter of the Express while being shown through the establishment recently asked Sister Mary Ambrose if there was any apparent reason for the good health with which the sisters and their pupils are blessed.

The answer was that particular attention is paid by the sisters in charge to the health and happiness of the students. "Bodily ailment," she said, "cannot help but have its effect on the mind. In order to keep the mind bright and active and perfectly clear at all times, the student's condition must be as nearly perfect as possible. Some time ago there was more or less ailment noticeable among the sisters and students, which was probably due to atmospheric causes, though of course I do not know just what its origin really was. Shortly after this became noticeable a friend highly recommended a medicine called Dr. Williams' Pink Pills for Pale People, and so urged upon me to give them a trial that I ordered some of them, and they have been used in the institution ever since. A few days ago the manufacturers wrote me for an opinion of Pink Pills, and my reply was as follows:

"RESPECTED SIRS,—In answer to your kind request for our opinion of Dr. Williams' Pink Pills, are pleased to say that these pills were so highly recommended to us that we were induced to try them, and we think our repeated orders for them are sufficient evidence that we find them all they are represented, a good blood builder and an excellent nerve tonic.

Yours very respectfully,
SISTER M. AMBROSE,
Secretary for Sisters of Providence."

Medical scientists concede that weak blood and shattered nerves are the fruitful cause of nearly every disease to which human flesh is heir, and if Dr. Williams' Pink Pills is, as Sister Ambrose says they have found it, "a good blood builder and an excellent nerve tonic," the source of good health at St. Mary's is easily traced.

Sister Ambrose said they are never without Pink Pills, and that now they order a gross at a time.

This is certainly a very high recommendation for the medicine, for there is probably no class of people that gives more attention to the physical health and welfare of its members than the Sisters of Providence, and they would not use anything in which they did not have unbounded faith.

Dr. Williams' Pink Pills are truly one of the greatest medical discoveries of the age. They are the beginning of a more healthful era. Every day brings reports of remarkable cures that have resulted from the use of this wonderful medicine. In many cases the good work has been accomplished after eminent physicians had failed and pronounced the patient beyond the hope of human aid. An analysis proves that Dr. Williams' Pink Pills contain in a condensed form all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after effects of la grippe, palpitation of the heart, that tired feeling resulting from nervous prostration; all diseases depending upon vitiated humors in the blood, such as scrofula, chronic erysipelas, etc. They are also a specific for troubles peculiar to females, such as suppressions, irregularities, and all forms of weakness. They build up the blood and restore the glow of health to pale and sallow cheeks. In the case of men they effect a radical cure in all cases arising from mental worry, overwork or excesses of whatever nature.

These pills are manufactured by the Dr. Williams' Medicine Company, of Brockville, Ont., and Schenectady, N. Y., and are sold in boxes (never in loose form) by the dozen or hundred (at 50 cents a box, or six boxes for \$2.50), and may be had of all druggists or direct by mail from Dr. Williams' Medicine Company, from either address. The price as which these pills are sold makes a course of treatment inexpensive as compared with other remedies or medical treatment.

A Letter from Emerson.
