

THE GREAT SOUTH AMERICAN NERVINE TONIC

AND Stomach and Liver Cure

The Most Astonishing Medical Discovery of the Last One Hundred Years.

It is Pleasant to the Taste as the Sweetest Nectar. It is Safe and Harmless as the Purest Milk. This wonderful Nervine Tonic has only recently been introduced into this country by the proprietors and manufacturers of the Great South American Nervine Tonic, and yet its great value as a curative agent has long been known by a few of the most learned physicians, who have not brought its merits and value to the knowledge of the general public.

This medicine has completely solved the problem of the cure of indigestion, dyspepsia, and diseases of the general nervous system. It is also of the greatest value in the cure of all forms of failing health from whatever cause. It performs this by the great nerve tonic qualities which it possesses, and by its great curative powers upon the digestive organs, the stomach, the liver and the bowels. No remedy compares with this wonderfully valuable Nervine Tonic as a builder and strengthener of the life forces of the human body, and as a great renewer of a broken-down constitution. It is also of more real permanent value in the treatment and cure of diseases of the lungs than any consumption remedy ever used on this continent. It is a marvelous cure for nervousness of females of all ages. Ladies who are approaching the critical period known as change in life, should not fail to use this great Nervine Tonic, almost constantly, for the space of two or three years. It will carry them safely over the danger. This great strengthener and curative is of inestimable value to the aged and infirm, because its great energizing properties will give them a new hold on life. It will add ten or fifteen years to the lives of many of those who will use a half dozen bottles of the remedy each year.

NERVOUS DISEASES.

As a cure for every class of Nervous Diseases, no remedy has been able to compare with the Nervine Tonic, which is very pleasant and harmless in all its effects upon the youngest child or the oldest and most delicate individual. Nine tenths of all the ailments to which the human family is heir are dependent on nervous exhaustion and impaired digestion. When there is an insufficient supply of nerve food in the blood, a general state of debility of the brain, spinal marrow, and nerves is the result. Starved nerves, like starved muscles, become strong when the right kind of food is supplied; and a thousand weaknesses and ailments disappear as the nerves recover. As the nervous system must supply all the power by which the vital forces of the body are carried on, it is the first to suffer for want of perfect nutrition. Ordinary food does not contain a sufficient quantity of the kind of nutriment necessary to repair the wear our present mode of living and labor imposes upon the nerves. For this reason it becomes necessary that a nerve food be supplied. This South American Nervine has been found by analysis to contain the essential elements out of which nerve tissue is formed. This accounts for its universal adaptability to the cure of all forms of nervous derangement.

CRAWFORDSVILLE, IND., Aug. 20, '86.
To the Great South American Nervine Tonic Co.,
DEAR GENTS:—I desire to say to you that I have suffered for many years with a very serious disease of the stomach and nerves. I tried every medicine I could hear of, but nothing done me any appreciable good until I was advised to try your Great South American Nervine Tonic and Stomach and Liver Cure, and since using several bottles of it I must say that I am surprised at its wonderful power to cure the stomach and general nervous system. If every one knew the value of this remedy as I do you would not be able to supply the demand.

A SWORN CURE FOR ST. VITUS' DANCE OR CHOREA.

CRAWFORDSVILLE, IND., June 22, 1887.
My daughter, eleven years old, was severely afflicted with St. Vitus' Dance or Chorea. We gave her three and one-half bottles of South American Nervine and she is completely restored. I believe it will cure every case of St. Vitus' Dance. I have kept it in my family for two years, and am sure it is the greatest remedy in the world for Indigestion and Dyspepsia, and for all forms of Nervous Disorders and Failing Health, from whatever cause.

INDIGESTION AND DYSPEPSIA.

The Great South American Nervine Tonic

Which we now offer you, is the only absolutely unfailing remedy ever discovered for the cure of Indigestion, Dyspepsia, and the vast train of symptoms and horrors which are the result of disease and debility of the human stomach. No person can afford to pass by this jewel of incalculable value who is affected by disease of the stomach, because the experience and testimony of many go to prove that this is the ONE and ONLY ONE great cure in the world for this universal destroyer. There is no case of unalarming disease of the stomach which can resist the wonderful curative powers of the South American Nervine Tonic.

HARNEY E. HALL, of Waynesville, Ind., says:
"I owe my life to the Great South American Nervine. I had been in bed for five months from the effects of an exhausted stomach, indigestion, nervous prostration, and a general shattered condition of my whole system. Had given up all hopes of getting well. Had tried three doctors, with no relief. The first bottle of the Nervine Tonic improved me so much that I was able to walk about, and a few bottles cured me entirely. I believe it is the best medicine in the world. I cannot recommend it too highly."

Mrs. ELLA A. BRATTON, of New Ross, Indiana, says:
"I cannot express how much I owe to the Nervine Tonic. My system was completely shattered, appetite gone, was coughing and spitting up blood; am sure I was in the first stages of consumption, an inheritance handed down through several generations. I began taking the Nervine Tonic, and continued its use for about six months, and am entirely cured. It is the greatest remedy for nerves, stomach and lungs I have ever seen."

No remedy compares with South American Nervine as a cure for the Stomach. No remedy will at all compare with South American Nervine as a cure for all forms of failing health. It never fails to cure Indigestion and Dyspepsia. It never fails to cure Chorea or St. Vitus' Dance. Its power to build up the whole system are wonderful in the extreme. It cures the old, the young, and the middle aged. It is a great friend to the aged and infirm. Do not neglect to use this precious boon. If you do, you may regret the only remedy which will restore you to health. South American Nervine is perfectly safe, and very pleasant to the taste. Delicate ladies, do not fail to use this great cure, because it will put the bloom of freshness and beauty upon your lips and in your cheeks, and quickly drive away your disabilities and weakness.

A Pastor's Experience.

THE TROUBLES OF A CANADIAN CLERGYMAN.

Attacked with a Disease Unknown to Physicians—He Had Almost Given up Hope When the Hand of Relief was Stretched Out to Him.

Rev. S. J. Cummings, the pastor of the First Baptist church of Delevan, New York, has had an experience that makes him one of the most talked of men in Cattaraugus county. To a reporter of the Buffalo News who called upon him, Mr. Cummings made the following statement, which he put in the form of an affidavit: "I am now feeling so well that I am entering on a series of special meetings, and am returning to work with all my old time vigor. I was prostrated in June last and was treated by three physicians, one near this place and two in the city of Buffalo, but received no benefit or encouragement from them. They all were of the opinion that I would have to resign my pastorate and quit preaching. Nevertheless I now feel entirely recovered.

"I cannot give you the name of my disorder. It baffled the physicians, and they could not agree as to the nature of the trouble. After the slightest exposure, as in the damp of the morning, or after the dew fell in the evening, my limbs would swell and become discolored and my body would be racked with pain. These attacks would last three or four hours, but they would usually leave me helpless for at least a day after the acute pain had passed. At night I was unable to sleep. The strain upon my nervous system was tremendous. I became so prostrated as to be unable to take exercise. I could do scarcely any work in my study, and frequently could not preach to my people. Sometimes for a week the muscles of my arms would be so affected that I could not write a letter or pen a discourse.

On the recommendation of the physicians who examined me, my church granted me a vacation for a month, and I went to my old home at Oakwood, Ont., north of Toronto, for a rest. On reaching home my father urged me to try Dr. Williams' Pink Pills. I protested on the plea of having taken so many medicines that I had lost all faith in them. But he had heard of their efficacy and insisted on my giving them a trial. He brought me two boxes and I commenced to take them. I soon found my health improving so rapidly that I returned to my home and family at this place. Some of my friends insisted that the benefit was only temporary, that I would soon have a relapse and be worse than before, but I have continued to take them and now feel like a new man. The sudden attacks of pain which formerly prostrated me on my bed do not recur, and I have exposed myself many times in a way that would have formerly brought them on.

"In my family I have found them very beneficial. My wife finds them more helpful to her than anything she has ever taken. I have spent hundreds of dollars in doctors' remedies and patent medicines, but all to no avail until I tried Pink Pills.

S. J. CUMMINGS,
Subscribed and sworn to before me this 19th day of September, 1893.

JOHN HUNT, Notary Public.

Druggists everywhere bear witness to the firm hold this wonderful Canadian medicine has taken upon the public, and to the vast good it has accomplished in relieving suffering, and thousands of grateful people like Rev. Mr. Cummings, cheerfully testify to the benefits derived from its use, often after skilled physicians had absolutely failed to help them. If you are ailing cast prejudice aside and give this marvel of modern medical science a fair trial. An analysis of Dr. Williams' Pink Pills show that they contain in a condensed form all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after effects of the grippe, palpitation of the heart, that tired feeling resulting from nervous prostration; all diseases depending upon vitiated humors in the blood, such as scrofula, chronic erysipelas, etc. They are also a specific for troubles peculiar to females, such as suppressions, irregularities and all forms of weakness. They build up the blood, and restore the glow of health to pale and sallow cheeks. In men they effect a radical cure in all cases arising from mental worry, overwork or excesses of whatever nature. There are no ill effects following the use of this wonderful medicine, and it can be given to children with perfect safety.

These Pills are manufactured by the Dr. Williams' Medicine Company, Brockville, Ont., and Schenectady, N. Y., and are sold only in boxes bearing the firm's trade mark and wrapper, at 50 cents a box or six boxes for \$2.50, and are never sold in bulk. There are numerous imitations and other so-called blood builders against which the public are cautioned. If your dealer does not keep Dr. Williams' Pink Pills they will be sent post-paid on receipt of above price.
