

# THE GREAT SOUTH AMERICAN NERVINE TONIC

## AND Stomach and Liver Cure

The Most Astonishing Medical Discovery of the Last One Hundred Years.

It is Pleasant to the Taste as the Sweetest Nectar.  
It is Safe and Harmless as the Purest Milk.

This wonderful Nervine Tonic has only recently been introduced into this country by the proprietors and manufacturers of the Great South American Nervine Tonic, and yet its great value as a curative agent has long been known by a few of the most learned physicians, who have not brought its merits and value to the knowledge of the general public.

This medicine has completely solved the problem of the cure of indigestion, dyspepsia, and diseases of the general nervous system. It is also of the greatest value in the cure of all forms of failing health from whatever cause. It performs this by the great nerve tonic qualities which it possesses, and by its great curative powers upon the digestive organs, the stomach, the liver and the bowels. No remedy compares with this wonderfully valuable Nervine Tonic as a builder and strengthener of the life forces of the human body, and as a great renewer of a broken-down constitution. It is also of more real permanent value in the treatment and cure of diseases of the lungs than any consumption remedy ever used on this continent. It is a marvelous cure for nervousness of females of all ages. Ladies who are approaching the critical period known as change in life, should not fail to use this great Nervine Tonic, almost constantly, for the space of two or three years. It will carry them safely over the danger. This great strengthener and curative is of inestimable value to the aged and infirm, because its great energizing properties will give them a new hold on life. It will add ten or fifteen years to the lives of many of those who will use a half dozen bottles of the remedy each year.

### NERVOUS DISEASES.

As a cure for every class of Nervous Diseases, no remedy has been able to compare with the Nervine Tonic, which is very pleasant and harmless in all its effects upon the youngest child or the oldest and most delicate individual. Nine-tenths of all the ailments to which the human family is heir are dependent on nervous exhaustion and impaired digestion. When there is an insufficient supply of nerve food in the blood, a general state of debility of the brain, spinal marrow, and nerves is the result. Starved nerves, like starved muscles, become strong when the right kind of food is supplied; and a thousand weaknesses and ailments disappear as the nerves recover. As the nervous system must supply all the power by which the vital forces of the body are carried on, it is the first to suffer for want of perfect nutrition. Ordinary food does not contain a sufficient quantity of the kind of nutriment necessary to repair the wear our present mode of living and labor imposes upon the nerves. For this reason it becomes necessary that a nerve food be supplied. This South American Nervine has been found by analysis to contain the essential elements out of which nerve tissue is formed. This accounts for its universal adaptability to the cure of all forms of nervous derangement.

CRAWFORDSVILLE, IND., AUG. 20, '86.

To the Great South American Nervine Tonic Co.:  
DEAR GENTS:—I desire to say to you that I have suffered for many years with a very serious disease of the stomach and nerves. I tried every medicine I could hear of, but nothing doing me any appreciable good until I was advised to try your Great South American Nervine Tonic and Stomach and Liver Cure, and since using several bottles of it I must say that I am surprised at its wonderful powers to cure the stomach and general nervous system. If everyone knew the value of this remedy as I do you would not be able to supply the demand.

### A SWORN CURE FOR ST. VITUS' DANCE OR CHOREA.

CRAWFORDSVILLE, IND., June 22, 1887.  
My daughter, eleven years old, was severely afflicted with St. Vitus' Dance or Chorea. We gave her three and one-half bottles of South American Nervine and she is completely restored. I believe it will cure every case of St. Vitus' Dance. I have kept it in my family for two years, and am sure it is the greatest remedy in the world for Indigestion and Dyspepsia, and for all forms of Nervous Disorders and Failing Health, from whatever cause.

State of Indiana,  
Montgomery County, ss:

Subscribed and sworn to before me this June 22, 1887.

### INDIGESTION AND DYSPEPSIA.

#### The Great South American Nervine Tonic

Which we now offer you, is the only absolutely unfailing remedy ever discovered for the cure of Indigestion, Dyspepsia, and the vast train of symptoms and horrors which are the result of disease and debility of the human stomach. No person can afford to pass by this jewel of incalculable value who is affected by disease of the stomach, because the experience and testimony of many go to prove that this is the one and ONLY ONE great cure in the world for this universal destroyer. There is no case of unmalignant disease of the stomach which can resist the wonderful curative powers of the South American Nervine Tonic.

HARRIET E. HALL, of Waynesboro, Ind., says: "I owe my life to the Great South American Nervine. I had been in bed for five months from the effects of an exhausted stomach, indigestion, nervous prostration, and a general shattered condition of my whole system. Had given up all hopes of getting well. Had tried three doctors, with no relief. The first bottle of the Nervine Tonic improved me so much that I was able to walk about, and a few bottles cured me entirely. I believe it is the best medicine in the world. I can not recommend it too highly."

No remedy compares with SOUTH AMERICAN NERVINE as a cure for the Nerves. No remedy compares with South American Nervine as a wondrous cure for the Stomach. No remedy will at all compare with South American Nervine as a cure for all forms of failing health. It never fails to cure Indigestion and Dyspepsia. It never fails to cure Chorea or St. Vitus' Dance. Its powers to build up the whole system are wonderful in the extreme. It cures the old, the young, and the middle-aged. It is a great friend to the aged and infirm. Do not neglect to use this precious boon. If you do, you may neglect the only remedy which will restore you to health. South American Nervine is perfectly safe, and very pleasant to the taste. Delicate ladies, do not fail to use this great cure, because it will put the bloom of freshness and beauty upon your lips and in your cheeks, and quickly drive away your disabilities and weaknesses.

### TWO EXPERIENCES IN KEMPTVILLE OF INTEREST TO OTHERS.

Mr. Hugh Brownlee Tells How He Was Cured of Sciatica After Much Suffering—Miss Delia Main Suffered Terrible Incident to Girlhood—Her Case Critical—How She Found Release.

From the Kemptville Advance.

One of the best known men in the county of Grenville and the adjacent county of Carleton, is Mr. Hugh Brownlee, of Kemptville. Mr. Brownlee was born in Carleton county in the year 1834, and until about five years ago resided in the township of North Gower. Having by industry and good business ability acquired a competence he determined to retire from the somewhat laborious life of a farmer, and taking up his abode in a beautiful home in the village of Kemptville, has since continued to reside here. It is well known to Mr. Brownlee's friends and acquaintances that he has suffered for years from Sciatica of a violent form, and it has lately been understood that he has at last been relieved from the pangs of this excruciating disease. Recently while in conversation with Mr. Brownlee, a reporter of the Advance asked him to give his experience for the benefit of other sufferers, which he gladly consented to do.

"You are aware," said Mr. Brownlee, "that most of my life has been spent upon a farm, and in addition to farming I followed the business of buying cattle, sheep and lambs. In doing so I was exposed to all sorts of weather and over-exertion, which brought on severe attacks of sciatica. I suffered for about ten years, trying all sorts of powerful remedies, but without doing me a particle of good. During this long period of suffering I was deprived of much sleep and many a night I tumbled about in bed nearly all night long suffering the most excruciating pains. In fact I was rapidly approaching the condition of a chronic cripple. I had tried so many remedies that I was becoming discouraged, and almost despaired of obtaining relief. While in this condition I was induced to try Dr. Williams' Pink Pills. I took the pills for some time without any noticeable results, but feeling as if they were a last resort I continued their use. Then came a slight change for the better, and every day added to my steady improvement, until now after the use of about eighteen boxes I am nearly as well as ever I was, being almost entirely free from pain. I am still using Dr. Williams' Pink Pills and feel confident that my cure will be permanent. You may be sure that I am grateful for what Pink Pills have done for me and I am only too glad to bear testimony to their merit. Indeed I believe they are deserving of every good thing that can be said of them."

Mrs. Brownlee was present and said that she, too, could vouch for the beneficial effects derived from the use of Pink Pills. She had suffered for nearly four years with terrible soreness and pains in the back of the head and neck, accompanied by frequent attacks of dizziness which caused great distress and inconvenience. Having observed the beneficial effects Pink Pills had upon her suffering husband, Mrs. Brownlee determined to try them, and from the outset found relief, and after the use of four boxes found that the soreness was all gone, and for the past three months she had been almost entirely free from pain. She had the greatest confidence in Dr. Williams' Pink Pills and believes them the greatest medicine of the age.

#### A YOUNG LADY'S EXPERIENCE

Having heard that Miss Delia Main, a young lady who lives with her parents not far from Mr. Brownlee's residence, had also been greatly benefitted by the use of Pink Pills, the reporter next called upon her. Miss Main is a handsome young lady, eighteen years of age, with the glow of health in her cheeks. In reply to enquiries, Miss Main said that some two years ago she began to be affected with weakness peculiar to many young girls. Her face was pale, she was troubled with heart palpitation, and the least exertion left a feeling of great tiredness. She had good medical treatment but without getting relief, and at last her condition became so bad her parents and friends feared she was going into a decline and almost despaired of her recovery. At this juncture Miss Main was induced to try Dr. Williams' Pink Pills, which are an unfailing specific in cases of this kind. Having lost all confidence in medicine, Miss Main took Pink Pills irregularly at first, but finding that they were helping her she began to take them regularly according to directions. From this time out improvement in her case was steady and rapid and after the use of a dozen boxes she found her health fully restored. "I believe," said Miss Main, "that if it had not been for Dr. Williams' Pink Pills I would not be alive today, and I strongly recommend them to all girls who find themselves in a condition similar to what mine was." Miss Main's mother was present and fully endorsed what her daughter said, adding that she fully believed Pink Pills had saved her life.

Mr. Angus Buchanan, druggist, who is also reeve of the village, was asked if many Pink Pills are sold. His reply was that they have a larger sale than any medicine, and still the demand steadily increases, which is the best evidence that Pink Pills

are a great remedy, and there can be no question of the great good they accomplish.

Dr. Williams' Pink Pills contain in a condensed form all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after effects of la grippe, palpitation of the heart, restore the glow of health to pale and sallow complexions, and relieve the tired feeling resulting from nervous prostration; all diseases depending upon vitiated humors in the blood, such as scrofula, chronic erysipelas, etc. They are also a specific for troubles peculiar to females, such as suppressions, irregularities and all forms of weakness. In the case of men they effect a radical cure in all cases arising from mental worry, over-work or excesses of whatever nature.

These pills are manufactured by the Dr. Williams' Medicine Company, Brockville, Ont., and Schenectady, N. Y., and are sold in boxes covered with the firm's wrapper and trade mark, (never in loose form by the dozen or hundred and the public are cautioned against numerous imitations sold in this shape) at 50 cents a box or six boxes for \$2.50, and may be had of all druggists or direct by mail from the Dr. Williams' Medicine Company from either address. The price at which these pills are sold makes a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.

#### An Indian's Find.

HALIFAX, Sept. 20.—Abraham Gould, an Indian, who hails from Colchester Co., but is well known in Halifax, was in the city yesterday and reported that he made a rich find in a river in Colchester, but he declined to say in just what part of the county the find was made. He says he picked out fifty pieces of silver and three or four of gold. The silver pieces were round in shape and very thick and had some inscriptions on them which he could not decipher. The gold pieces were not coin shaped, but were of different shape, one being three-cornered and large, which the finder thinks is worth thousands of dollars. It also has an inscription on it. On his next trip to the city Abraham will bring samples of his find with him. He called on Mrs. Goudge at the provincial museum, but, of course, he could not get any information regarding his find, he being unable to give the nature of the inscription. In conversation with a couple of reporters the Indian also intimated that he knew where there was a gold mine.

#### A Newspaper Sensation.

COLLINGWOOD, Sept. 25. A big sensation was created in this vicinity a couple of weeks ago by the Collingwood Bulletin's account of the case of Mr. Valentine Fisher, who has been cured of sciatica of nearly thirteen years standing, by Dodd's kidney pills. Everyone who talks with Mr. Fisher is speedily convinced that his was a marvellous cure. The general conclusion is, that there may be many more like him, who are using remedies for rheumatism, sciatica, dropsy or other diseases, but fail to obtain relief, because they do not attack the seat of the disease, which is in many of such cases, the kidneys. Anyone who doubts the efficacy of Dodd's kidney pills, may soon be convinced by writing to Mr. Fisher himself, or William Williams, Esq., Principal of the Collingwood Collegiate Institute, Capt. F. A. Bassett, or A. H. Johnson, Esq., all of whom are well acquainted with Mr. Fisher, and know the history of his illness.
