NERVOUS DISEASES.

As a cure for every class of Nervous Diseases, no remedy has been able to compare with the Nervine Tonic, which is very pleasant and harmless in all its effects upon the youngest child or the oldest and most delicate individual. Nine-tenths of all the ailments to which the human family is heir are dependent on nervous exhaustion and impaired digestion. When there is an insufficient supply of nerve food in the blood, a general state of debility of the brain, spinal marrow, and nerves is the result. Starved nerves, like starved muscles, become strong when the right kind of food is supplied; and a thousand weaknesses and ailments disappear as the nerves recover. As the nervous system must supply all the power by which the vital forces of the body are carried on, it is the first to suffer for want of perfect nutrition. Ordinary food does not contain a sufficient quantity of the kind of nutriment necessary to repair the wear our present mode of living and labor imposes upon the nerves. For this reason it becomes necessary that a nerve food be supplied. This South American Nervine has been found by analysis to contain the essential elements out of which nerve tissue is formed. This accounts for its universal adaptability to the cure of all forms of nervous derangement.

CRAWFORDSVILLE, IND., APR. 20, '86. **REBECCA WILKINSON**, of Brownsvalley, Ind., says: "I had been in a distressed condition for three years from Nervousness, Weakness of the Stomach, Dyspepsia, and Indigestion, until my health was gone. I had been doctoring constantly, with no relief. I bought one bottle of your Great South American Nervine Tonic and Stomach and Liver Cure, and since using several bottles of it I must say that I am surprised at its wonderful powers to cure the stomach and general nervous system. If everyone knew the value of this remedy as I do you would not be able to supply the demand." J. A. HARRIS, Ex-Treas. Montgomery Co.

A SWORN CURE FOR ST. VITUS' DANCE OR CHOREA.

CRAWFORDSVILLE, IND., June 22, 1887. My daughter, eleven years old, was severely afflicted with St. Vitus' Dance or Chorea. We gave her three and one-half bottles of South American Nervine and she is completely restored. I believe it will cure every case of St. Vitus' Dance. I have kept it in my family for two years, and am sure it is the greatest remedy in the world for Indigestion and Dyspepsia, and for all forms of Nervous Disorders and Failing Health, from whatever cause.

INDIGESTION AND DYSPEPSIA.

The Great South American Nervine Tonic

Which we now offer you, is the only absolutely unerring remedy ever discovered for the cure of Indigestion, Dyspepsia, and the vast train of symptoms and horrors which are the result of disease and debility of the human stomach. No person can afford to pass by this jewel of incalculable value who is affected by disease of the stomach, because the experience and testimony of many go to prove that this is the one and only one great cure in the world for this universal destroyer. There is no case of unmalignant disease of the stomach which can resist the wonderful curative powers of the South American Nervine Tonic.

HARRIET E. HALL, of Waynesville, Ind., says: "I owe my life to the Great South American Nervine Tonic. I had been bed-ridden for six months from the effects of an exhausted stomach, Indigestion, Nervous Prostration, and a general shattered condition of my whole system. Had given up all hopes of getting well. Had tried three doctors, with no relief. The first bottle of the Nervine Tonic improved me so much that I was able to walk about, and a few bottles cured me entirely. I believe it is the best medicine in the world. I can not recommend it too highly."

No remedy compares with South American Nervine as a cure for the Nerves. No remedy compares with South American Nervine as a cure for the Stomach. No remedy will at all compare with South American Nervine as a cure for all forms of failing health. It never fails to cure Indigestion and Dyspepsia. It never fails to cure Chorea or St. Vitus' Dance. It is powerful to build up the whole system and wonderful in its effects on the aged and infirm. Do not neglect to use this precious boon, if you do, you may neglect the only remedy which will restore you to health. South American Nervine is perfectly safe, and very pleasant to the taste. Delicate ladies, do not fail to use this great cure, because it will put the bloom of freshness and beauty upon your lips and in your cheeks, and quickly drive away your disabilities and weaknesses.

that I meant to propose she should hold her tongue, so I'll hold my own now." "Well, ask mamma; and say I am coming to take you for a walk, or something," he suggested, good-humouredly. "She cannot object to that, surely?" "Oh no. But, Major Gilbert—" "Major Gilbert! I say!" "What is it?" quoth Miss Innocent, saucily.

"Major Gilbert" indeed! And didn't I make you say the other three times running, before I would let you off this afternoon?" "Oh, but give me time, just a few day's time," will ask mamma if she would not like a song," she suggested, crossing the room; but Gilbert was nearly sure that the request, which was presently brought back, had never emanated from Lady Caroline. Her reception of the timid overture, her averted head, and the stubborn immobility of her form, were all rightly interpreted by him.

"Treats my little girl as if she were the dirt of the earth," muttered the incensed lover to himself. Who would have believed that she could mean to keep up her vile animosity even now? Well, if it comes to a tug of war, she'll get the worst of it; so look out, old lady. I must knuckle under for the present, but by-and-by, Lady Caroline, by-and-by—" and he sat down to the piano.

"Can I have a little more light?" Rosamund turned to the nearest attendant. "Another pair of candles, William, please." "That pair on the mantelpiece, that will do," amended Gilbert, accustomed to order things as he would; here, bring those, will you?"

"I think mamma likes to have a pair there," said Rosamund, gently. "William will bring some more in a minute." Unconsciously he had been on the eve of violating one of the greater proprieties of the place,—he had desired to disarrange the furniture without so much as a reference to its liege lady.

But the sea-song was heard at last, nevertheless; and one person present, at all events, enjoyed hearing it, and hearing it for the first time. Mr. Liscard had an ear for, and a love of music, and he now felt that he had never been better nor less troublesomely entertained.

He was really sorry when at length they ceased, and Gilbert rose to go. The bell was to be rung, for Major Gilbert to be shown out; and the tone in which Lady Caroline desired that such should be done, might have fittingly conveyed a command for his never being shown in again.

He never was shown in again—to her. [TO BE CONTINUED.]

THE IRREPRESSIBLE SMALL BOY.—Now is the season when the ubiquitous small boy fills himself with green plums and greener apples, and bolts half-ripe cherries, seeds and all. His voracity almost invariably leads to Cramps, Diarrhoea or Dysentery, and the family heartstone responds with his lamentations. If his parents are prudent people, they will have a bottle of PERRY DAVIS' PAIN KILLER ready for such summer emergencies, and a spoonful of this great specific will bring the young scamp around all right. Druggists all sell it. Only 25c. per bottle new large size.

Gray Mare Fooled Them.

HENNESSY, Ok., Aug. 10.—The boomers were out in force Monday and turned a trick on a horse race that the cowboys will long remember. A forlorn-looking Kansan brought a gray mare into the city in the afternoon and bantered the boys for a race. The "two bar" outfit has a short distance horse that has nearly 'broke' the Cheyenne and Arapahoe Indians by defeating their most fleet-footed animals, and the outfit was only glad to get on a match. The race took place on the strip and \$3,000 changed hands on the result. The little Kansan mare threw dirt into the cowboys' pet's eyes the entire distance, winning by three open lengths. Directly after the race a free-for-all fight took place in which at least 100 men were engaged. Several on both sides were badly punished. Monday evening several cowboys were ridged up and down the streets with Winchester rifles.

Trusts and Combinations

Are unpopular. But there is one form of trust against which no one has anything to say. That is the trust which the public reposes in Hood's Sarsaparilla, and the best of it is the trust is fully justified by the merit of the medicine. For, remember, HOOD'S Sarsaparilla CURES.

Hood's Pills are purely vegetable, and do not purge, pain or gripe. Sold by all druggists.

The Maories of New Zealand are demanding home rule. The British have "raised them from their savage state and educated them," and now they want to attend to their own affairs instead of being governed by the white settlers. They want a House of Lords for the chiefs, and a House of Commons elected on manhood suffrage. They are especially anxious that the sale of native lands should be taken from the New Zealand Government and committed to some Maori Council of State. New Zealanders expect this home rule movement to become troublesome before long.

For Sick Headache, Sour Stomach, Leathening of Food, Dyspepsia or Biliousness, take HAWKER'S LIVER PILLS. They will cure you. Recommended by leading Physicians as a most reliable medicine.

Crop reports from the principal centres throughout Manitoba and the Northwest show a prospect of a splendid harvest. Most all districts will have a heavy yield, but a few will turn out below the Manitoba average. The drought during the growing season was the cause of this, together with the hot winds during the past few weeks. Taken as a whole, however, the reports are of a satisfactory nature and indicate the farmers are generally well pleased. Some wheat cutting was done this week where the soil was light, but the harvest will not be general till next week. Oats and barley have turned out well, while hay has been an enormous crop.

Rebecca Wilkinson, of Brownsvalley, Ind., says: "I had been in a distressed condition for three years from Nervousness, Weakness of the Stomach, Dyspepsia and Indigestion until my health was gone. I bought one bottle of South American Nervine, which did me more good than any \$50 worth of doctoring I ever did in my life. I would advise every weakly person to use this valuable and lovely remedy; I consider it the greatest medicine in the world." A trial bottle will convince you. For sale by W. W. Short, druggist, agent for Kent Co.
