DROWNED.—On Monday evening about six o'clock Isadore Daigle, his two sons, and Paul Ouellette, while crossing the river St. John, at St. Hilaire, in a small canoe, were thrown into the water and Daigle and his two sons were drowned. Paul Ouellette was taken from the water nearly chilled to death but will possibly recover.

OYSTERS AT BAY DU VIN.—The Chatham Advance says: "It will, no doubt, surprise a good many Miramichi people, even, to learn that the oyster fishery of Bay du Vin has, this year, yielded to the men who work with the rakes about \$10,000 in hard cash or its equivalent. The oyster beds of other well known places, such as Malpeque P. E. I., Buctouche, Caraque and others are no longer as productive as they used to be, while the supply at Bay du Vin seems to be inexhaustible.

BAZAAR AND ENTERTAINMENT.—A bazaar and entertainment will be held at St. Louis Convent, on the 8th of December. Vocal music will be furnished by the pupils of the convent and instrumental music by St. Louis brass band and others. Oyster stews and other refreshments will be served. The K. N. R. will run a special train for the accommodation of those who wish to attend, leaving Kingston at 10 o'clock and returning at 10 p. m. An enjoyable evening may be expected.

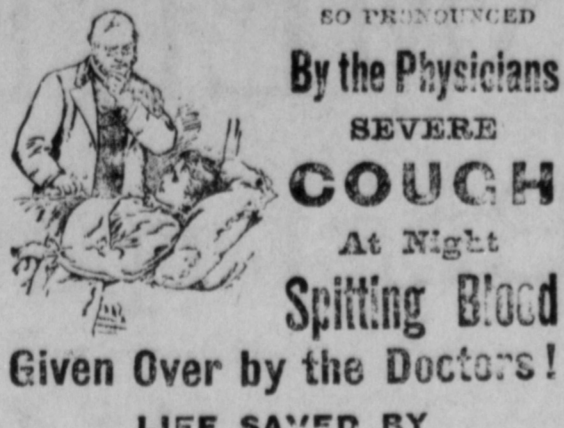

JUDGE PETERS DEAD.—The death occurred early Monday morning at St. John of B. Lester Peters, judge of the St. John county court, which he was appointed after the demise of the late Judge Watters, about five years ago. Mr. Peters was stricken with paralysis, from which he but slightly improved, and to this illness his death was due. He was born in St. John 67 years ago, and was a son of the late Benjamin Lester Peters, who was the first police magistrate of St. John. In 1863 the deceased judge was appointed common clerk, which position along with that of police magistrate he held until the union of the cities of old St. John and Portland, when the Blair government appointed Hon. R. J. Ritchie police magistrate. Deceased was prominently connected with the Masonic body, being one of its highest degree officers.

CONSUMPTION

By the Physicians SEVERE COUGH At Night Spitting Blood Given Over by the Doctors! LIFE SAVED BY AYER'S CHERRY PECTORAL

Seven years ago, my wife had a severe attack of lung trouble which the physicians pronounced consumption. The cough was extremely distressing, especially at night, and was frequently attended with the spitting of blood. The doctors being unable to help her, I induced her to try Ayer's Cherry Pectoral, and was surprised at the great relief it gave. Before using one whole bottle, she was cured, so that now she is quite strong and healthy. That this medicine saved my wife's life, I have not the least doubt.—K. MORRIS, Memphis, Tenn.
