

AS IN YOUTH Ayer's Hair Vigor

RESTORES Natural Growth OF THE HAIR WHEN ALL OTHER Dressings FAIL.

"I can cordially endorse Ayer's Hair Vigor, as one of the best preparations for the hair. When I began using Ayer's Hair Vigor, all the front part of my head—about half of it—was bald. The use of only two bottles restored a natural growth, which still continues as in my youth. I tried several other dressings, but they all failed. Ayer's Hair Vigor is the best."—Mrs. J. C. PRUSSER, Converse, Texas.

NIGH TO DEATH'S DOOR.

How a Young Lady was Cured of a Terrible Malady When Near the Brink of the Grave.
The large, pretentious brick residence at 86 Miami avenue, in this city, is the home of the heroine of this interesting story. She is Miss Margaret Stenbaugh, and her interesting experiences during the past four years are published here for the first time.

"Four years ago," she said, "I was a sufferer in all that the term implies, and never thought of being as healthy as I am to-day. Why, at that time, I was such a scrawny, puny little midget, pale and emaciated by an ailment peculiar to women, that my father and mother gave me up to die. The local practitioner (I was at that time living at Scotland, Brant Co., Ont.) said it was only a matter of days when I would be laid away in the church yard, and as I was such a sufferer I cared not whether I lived or died; in fact, think I would have preferred the latter. I could not walk, and regularly every night my father used to carry me up stairs to my room. I remember my telling him that he wouldn't have to carry me about much longer, and how he said with tears in his eyes, that he would be willing to do it always, if he could only have me with him. It was evidently fore-ordained that I should not die at that particular time, as a miraculous transformation in my condition was the talk of the neighborhood. I read, of the wonderful cures that were being wrought by Dr. Williams' Pink Pills for Pale People, and my father went to Biantford where he purchased a couple of boxes from Jas. A. Wallace. I commenced taking them, and I thought for a time that they did me no good, as they made me sick at first, but very shortly I noticed a great change. They began to act on my trouble, and in the short space of six months I was able to walk. I continued taking the pills, and in six months I was in the condition you see me now. I fully believe that they alone saved me from the grave, and of our will always find myself and balance of my family ready to talk about the good Dr. Williams' Pink Pills did for me."
Sworn and subscribed to before me this 15th day of December, 1893.

FALSE STATEMENTS AWAY WITH THEM!

IT IS ONLY THE LVEER OF TRUTH THAT MOVES THE GREAT WORLD.

Statements Made in Favor of Paine's Celery Compound Always Ring With Honesty.

A MARVELOUS CURE IN VIRDEN, MANITOBA.

A MINISTER OF THE GOSPAL CAN ENDORSE THE TESTIMONY.

False statements, like counterfeit coin, for a time will pass current and undetected. The false statements made in connection with a host of common medicines have duped and disappointed thousands of our suffering people in the past, and at the present time there are many who are being deceived from day to day. These worthless and deceptive medicines, with all their false assertions curing disease, are now being posted on the black list in all well-regulated communities, and abhorred by the wise and prudent. It is only the powerful lever of truth that can move intelligent communities and people. This mighty lever is Paine's Celery Compound, an agent that has never had an equal in the history of medicine for the curing of the sick and diseased. Every statement made in favor of

Paine's Celery Compound, rings out with honesty and truth. The letter of testimony come from our own Canadian people, whom doubters interview or write for particulars.

Paine's Celery Compound has thousands of records of victories over rheumatism, sciatica, neuralgia, dyspepsia, nervousness, headaches, sleeplessness, kidney and liver troubles, general weakness and lost vitality.

The marvellous cure of Mr. James Leverington, of Virden, Man, by Paine's Celery Compound, after the failures of doctors and other agencies, should be sufficient proof for all fair-minded men and women who are honestly seeking for health, strength and new life.

Mr. Leverington writes as follows about his success with the world's best medicine:

"I think it is my duty, without solicitation from any one, to write in the interests of other sufferers, and give you a testimonial in favor of your (to me) almost miraculous remedy, Paine's Celery Compound. For more than a year I was suffering from the agonizing pains of sciatica; and after trying all that medical skill could devise, and using many remedies, patent and otherwise I concluded to try the Hot Spring of Banff under the able superintendence of Dr. Brett. I took the treatment thoroughly and carefully for six weeks, and came home at the end of that time racked with pain and weighing 43 pounds less. At this juncture, when hope had almost fled, I heard of Paine's Celery Compound. It seemed suited to my case, and I sent to my druggist, Mr. J. W. Higginbotham, of this place, and asked about it. He recommended it to me, and I took a bottle. I soon began to feel better and after taking a second bottle I was a cured man and threw away my crutches.

"I keep a bottle on hand in case of any return of the complaint. I am now 58 years old and I feel as spry and healthy and free from pain as I ever did in my life. I was born in Norfolk, England, and came to Canada when only 3 years old. I was brought up in the township of Cornwall, Ontario, and came to Manitoba eight years ago. Have always been a farmer, and am as able to do hard work now as ever I was.

"With a heart full of gratitude for the benefits derived from the use of your remedy, and a wish to influence others who may suffer, I gladly and freely indite this letter.

"Rev. Mr. Malbot, Methodist Minister, of Elkhoron, can confirm my statements, and will do so if written to."

Mr. Higginbotham, the successful and extremely popular druggist of Virden, vouches for Mr. Leverington's statements, as follows:—

"I have known Mr. Leverington for two years or more, and can confirm what he says in regard to his cure by Paine's Celery Compound. Ever since his cure he has been sounding its praises, and he is a perfect enthusiast on the subject of Paine's Celery Compound. I believed him to be thoroughly reliable."

And the Band Played.

J. P. Jacobson's suit for her heart and hand was rejected by Mrs. Joanna Baseman, a widow, Friday night. Saturday morning a band marched in front of Mrs. Baseman's home, 168 Ramsey street. Then the notes "Sweet Marie" began floating through the neighborhood.

"Who's little girl," followed with "Kiss and Let's make Up Again," and enough more to keep the band busy for twelve hours.

Mrs. Baseman begged the leader to leave but he said Mr. Jacobson had paid handsomely for the music and the contract must be carried out.

The whole neighborhood gathered about the band, the children danced and the parents giggled. Mrs. Baseman was wild. At nine o'clock at night the band quit.

Tuesday morning the band again marched up to the widow's home and began again. Mrs. Baseman hurriedly consulted a lawyer with the result that a warrant was sworn out for Jacobson, and an injunction was secured against the band. Chicago, Oct. 10.
