My gums were so effected that I was unable to masticate my food, and as a result I suffered greatly from lack of nourishment. My face became so contracted from the effects of the pain that my best friends could hardly recognize and the only relief I could get was from chloral and the use of opiates. Finally my local physician, who had been tireless in his efforts to help me, said he could do nothing further for me, and my case seemed utterly hopeless. I then went to Ciinton and consulted one of the most skilful practitioners in that town, who diagnosed my case and said he could recommend no treatment that would benefit me. I came home utterly broken had read in the newspapers of the marvel- general laws or through secondary causes. an indenture of mortgage made by the ous results accomplished by the use of Dr. Williams' Pink Pills, but as I had never placed much confidence in proprietary medicines so widely advertised, and had relied more on the methods of skilled practitioners, I had not given the matter of using them much thought. This summer, since August, I have been entirely free from the malady, which has never been the case during the previous seven summers, but I occasionally take the Pink Pills, as my doctor advises me that it is well, so as to ward off the disease. I attribute the marked improvement in my health solely to the use of Dr. Williams' Pink Pills, and have not failed to recommend their use to many of my friends who have made enquiry as to the benefit derived by me from them."

In conversation with Jas. Wilson, druggist, it was learned that Dr. Williams Pink Pills have a very large sale in Goderich, and that many can testify to their great value as a blood builder and nerve tonic. Mr. Geo. A. Fear, druggist, also speaks highly of the results attained by the use of Pink Pills among his customers, and says he finds them the best selling remedy in his store.

Such remarkable cures as that of Mrs. Fraser have been but too few in the past. Thanks to the better knowledge that the people are obtaining of Dr. Williams' Pink Pills they are now becoming more numer-

### The Heresy Trial Ended.

CHARLETON PLACE, Ont., May 11.-The celebrated heresy case against Prof. Jno. Campbell on appeal from the Montreal presbytery, this evening resulted in a compromise, but practically a victory for the accused. A final conference was held committee reported that he had agreed to the following statement of his position:

First-The statements of the Old Testament writers as to the character of God were true as far as they went, but in a few cases were not the whole truth.

Secondly-In the great majority of cases the father when smiting in judgment defin and not knowing what to do. 1 or chastisement acts in accordance with by virtue of a power of sale contained in J. 1893.

#### Mill Branch,

MAY 10th .- It is with deep regret we chronicle the death of Agnes Beers, which took place at the home of her parents on the morning of the 7th May. Everything was done for her that earthly hands could do but they could not stay the terrible disease. For nine weeks she suffered, then quietly passed away. The deep sympathy of the community is extended to the bereaved family.

Rheumatism racks the system like a thumb-screw. It retreats before the power of Hood's Sarsaparilla, which purifies the blood.
