South Branch.

July 23rd.—As I have not seen any correspondence from this place for some time, I will attempt to give you a few notes.

Mr. Thomas Chrystal left here a few days ago for Portland, Me., where he purposes remaining during the summer.

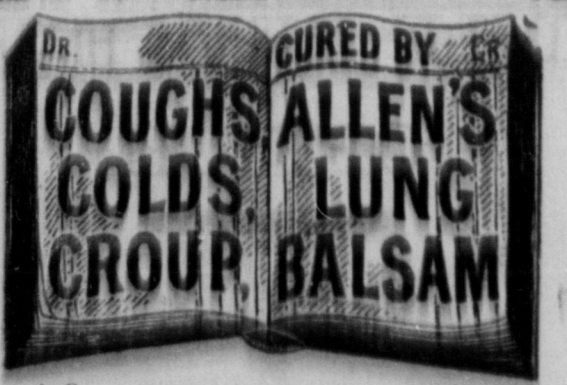

Our local merchant, Mr. John Ryan, is making his weekly trips, as usual.

Mrs. Joseph Mitchell, who was dangerously ill, is recovering under the skillful treatment of Dr. Doherty.

Miss Mary McInerney, of Kingston, is spending a few days visiting her many friends in this vicinity.

Mr. William Handrahan, of St. Nicholas River, passed through here on Sunday last on his way home from Nova Scotia, where he had his hand badly cut while working in a saw mill.

Mr. James Burns left here on Monday

last with a large crew of men for Point Sapin, where he purposes peeling a large quantity of tan bark.

Rumor says that Mr. Lawrence Evans, of Spring Brook, and a young lady of South Branch, will be married in a few days. We offer our congratulations beforehand.

Mr. Philip Murphy has a number of men engaged in peeling tan bark.

IMPROVISATORE.

A BOON TO HORSEMEN.—One bottle of English Spavin Liniment completely removed a curb from my horse. I take pleasure in recommending the remedy, as it acts with mysterious promptness in the removal of horses of hard, soft or calloused lumps, blood spavin, splints, curbs, swellings, stifles and sprains.

JUNE 22.—Not seeing any notes from here lately, I thought I would attempt to write a few lines to show we are still living.

Well, everything is going on very well. Farmers are just about through with their seeding and everything is making a good appearance. Lobsters are very scarce along this shore which make it bad for the packers.

We notice Mr. Wilber is making a great improvement in the place he bought from Mr. Robert McIntyre. In connection with his farming he is doing a good business at tanning, and boot, shoe and harness making.
