

# THE GREAT SOUTH AMERICAN NERVINE TONIC

## AND Stomach and Liver Cure

The Most Astonishing Medical Discovery of the Last One Hundred Years.

It is Pleasant to the Taste as the Sweetest Nectar.  
It is Safe and Harmless as the Purest Milk.

This wonderful Nervine Tonic has only recently been introduced into this country by the proprietors and manufacturers of the Great South American Nervine Tonic, and yet its great value as a curative agent has long been known by a few of the most learned physicians, who have not brought its merits and value to the knowledge of the general public.

This medicine has completely solved the problem of the cure of indigestion, dyspepsia, and diseases of the general nervous system. It is also of the greatest value in the cure of all forms of failing health from whatever cause. It performs this by the great nerve tonic qualities which it possesses, and by its great curative powers upon the digestive organs, the stomach, the liver and the bowels. No remedy compares with this wonderfully valuable Nervine Tonic as a builder and strengthener of the life forces of the human body, and as a great renewer of a broken-down constitution. It is also of more real permanent value in the treatment and cure of diseases of the lungs than any consumption remedy ever used on this continent. It is a marvelous cure for nervousness of females of all ages. Ladies who are approaching the critical period known as change in life, should not fail to use this great Nervine Tonic, almost constantly, for the space of two or three years. It will carry them safely over the danger. This great strengthener and curative is of inestimable value to the aged and infirm, because its great energizing properties will give them a new hold on life. It will add ten or fifteen years to the lives of many of those who will use a half dozen bottles of the remedy each year.

### NERVOUS DISEASES.

As a cure for every class of Nervous Diseases, no remedy has been able to compare with the Nervine Tonic, which is very pleasant and harmless in all its effects upon the youngest child or the oldest and most delicate individual. Nine-tenths of all the ailments to which the human family is heir are dependent on nervous exhaustion and impaired digestion. When there is an insufficient supply of nerve food in the blood, a general state of debility of the brain, spinal marrow, and nerves is the result. Starved nerves, like starved muscles, become strong when the right kind of food is supplied; and a thousand weaknesses and ailments disappear as the nerves recover. As the nervous system must supply all the power by which the vital forces of the body are carried on, it is the first to suffer for want of perfect nutrition. Ordinary food does not contain a sufficient quantity of the kind of nutriment necessary to repair the wear our present mode of living and labor imposes upon the nerves. For this reason it becomes necessary that a nerve food be supplied. This South American Nervine has been found by analysis to contain the essential elements out of which nerve tissue is formed. This accounts for its universal adaptability to the cure of all forms of nervous derangement.

CRAWFORDVILLE, IND., Aug. 20, '86.  
To the Great South American Nervine Tonic Co.,  
DEAR GENTLEMEN:—I desire to say to you that I have suffered for many years with a very serious disease of the stomach and nerves. I tried every medicine I could hear of, but nothing done me any appreciable good until I was advised to try your Great South American Nervine Tonic and Stomach and Liver Cure, and since using several bottles of it I must say that I am surprised at its wonderful powers to cure the stomach and general nervous system. If everyone knew the value of this remedy as I do you would not be able to supply the demand.

### A SURE CURE FOR ST. VITUS' DANCE OR CHOREA.

My daughter, eleven years old, was severely afflicted with St. Vitus' Dance or Chorea. We gave her three and one-half bottles of South American Nervine and she is completely restored. I believe it will cure every case of St. Vitus' Dance. I have kept it in my family for two years, and am sure it is the greatest remedy in the world for indigestion and dyspepsia, and for all forms of Nervous Disorders and Failing Health, from whatever cause.

There is no case of unmalignant disease of the stomach which can resist the wonderful curative powers of the South American Nervine Tonic.

HARRIS E. HALL, of Watertown, Ind., says: "I owe my life to the Great South American Nervine. I had been in bed for five months from the effects of an exhausted stomach. Indigestion, Nervous Prostration, and a general shattered condition of my whole system. Had given up all hopes of getting well. Had tried three doctors, with no relief. The first bottle of the Nervine Tonic improved me so much that I was able to walk about, and a few bottles cured me entirely. I believe it is the best medicine in the world. I can not recommend it too highly."

No remedy will at all compare with South American Nervine as a cure for all forms of failing health. It never fails to cure Indigestion and Dyspepsia. It never fails to cure Chorea or St. Vitus' Dance. Its powers to build up the whole system are wonderful in the extreme. It cures the old, the young, and the middle-aged. ### A Strange Experience.

AN INTERVIEW WITH A WELL KNOWN BRANT COUNTY FARMER.

Suffered for Two Years With Sick Headache, Dizziness and Dyspepsia—How She Found Relief—What Well Known Chemists Say.  
From the Brantford Expositor.

Mrs. S. W. Avery lives on Pleasant Ridge, about four miles out of the city of Brantford, that being her nearest post-office and where all her trading is done. Mr. and Mrs. Avery have always lived in that neighborhood, and he is the owner of two splendid farms, the one where he lives consisting of 160 acres and the other lying near Brantford comprising 100 acres. They are highly respected residents of the community in which they reside, and every person for miles around knows them. Having heard that Mrs. Avery had been cured of chronic dyspepsia and indigestion by the use of Dr. Williams' Pink Pills, a reporter called there recently and asked if she was willing to make public the facts concerning the cure. Mrs. Avery replied that she had benefitted by the use of Pink Pills, and was perfectly willing to give her experience for the benefit of those who might be similarly suffering. "For the past two years," said Mrs. Avery, "I had been greatly troubled with a very sick headache, dizziness, and a cough which I believe were the symptoms of dyspepsia and indigestion, and I could find nothing to relieve me although I tried several different medicines. I could not find anything which would relieve my cough which at times would be very severe. Early last winter I read in the Expositor of Dr. Williams' Pink Pills, and as the symptoms mentioned were somewhat similar to mine I was thus induced to try them. I procured a supply from Messrs. McGregor & Merrill, druggists of Brantford. Before I had used two boxes of the Pink Pills I felt so much better and relieved from my distressing symptoms that I thought it would be best to continue taking them through the winter, and I accordingly got another supply and used them with the result that I have been totally relieved. I have not once since had the severe headaches which formerly made my life miserable and my cough has entirely disappeared. I strongly recommend Pink Pills to anyone who suffers similar to what I did, from dizziness, headaches, indigestion, etc., and I believe they will derive great benefit from their use.

Mrs. Avery's statement was corroborated by her husband, who was present during the interview, and who said that without a shadow of a doubt Pink Pills had accomplished more for his wife than any other medicine which she had taken. Messrs. McGregor & Merrill were interviewed, and in reply to a query as to the sale of these pills, Mr. McGregor said: "We have sold in the neighborhood of 5,000 boxes during the past twelve months and there is no remedy we handle gives better satisfaction to our customers than Dr. Williams' Pink Pills. I have every confidence that Pink Pills are the best on the market and something the people can depend upon." Mr. Merrill, the other member of this well known firm, said: "I have more pleasure in selling Pink Pills than any other medicine we handle, because it is rarely there is any disappointment in them, and the people who purchase them unanimously express themselves as well satisfied. I am well acquainted with Mrs. Avery and I know that all her statements are reliable, and I have watched the improvement Pink Pills have made in her case and have seen a great change for the better. Many other druggists recommend some other preparations, sometimes their own, to be equally as good as Pink Pills, but we cannot conscientiously say so, knowing that as a system tonic Dr. Williams' Pink Pills stand unrivalled."

Dr. Williams' Pink Pills are a perfect blood builder and nerve restorer, curing such diseases as rheumatism, neuralgia, partial paralysis, locomotor ataxia, St. Vitus' dance, nervous headache, nervous prostration and tired feeling therefrom, the after effects of la grippe, diseases depending on humors in the blood, such as scrofula, chronic erysipelas, etc., Pink Pills give a healthy glow to pale and sallow complexions and are a specific for troubles peculiar to the female system, and in the case of men they effect a radical cure in all cases arising from mental worry, overwork, or excesses of any nature.

Dr. Williams' Pink Pills are sold only in boxes bearing the firm's trade mark and wrapper, (printed in red ink.) Bear in mind that they are never sold in bulk, or by the dozen or hundred, and any dealer who offers substitutes in this form is trying to defraud you and should be avoided. Ask your dealer for Dr. Williams' Pink Pills for Pale People and refuse all imitations and substitutes.

Dr. Williams' Pink Pills may be had of all druggists or direct by mail from Dr. Williams' Medicine Company, Brockville, Ont., or Schenectady, N. Y., at 50 cents a box, or six boxes for \$2.50. The price at which these pills are sold make a course of treatment comparatively inexpensive as compared with other remedies or medicinal treatment.

BAD BLOOD causes blotches, boils, pimples, abscesses, ulcers, scrofula, etc. Burdock Blood Bitters cures bad blood in any form from a common pimple to the worst scrofulous sore.

### Donahoe's for May.

America is now passing through one of the gravest crises in its history. The air is heavy with suspense and anxiety. Magazines and newspapers are full of stories of the trouble and of theories as to its cause. Until Donahoe's Magazine was issued this month, few were aware that there are men,—American citizens and moulders of public opinion,—who dare to lay the blame for the existing situation at the door of popular government. Most of us had thought that the question whether the people should govern or be governed was settled once for all more than a century ago. But it seems that in educational halls and in editorial sanctuaries there are men who even now cherish the same sentiments that awakened Tory applause in 1776. Donahoe's Magazine has done a service of inestimable value in bravely and forcibly exposing a source of danger greater far than any mere economic or political heresy. When Americans cease to trust themselves it is time for a note of alarm. This note is struck in just the right tone in the leading article of Donahoe's for May, "Is popular Government to Fail in America?" This brilliant article is only one of the many features which place Donahoe's not merely among the leading Magazines but in the front rank among the leaders.

### THE BUCHANAN CASE.

Equal to a Resurrection—Almost helpless from Kidney Disease—A Burden to Himself and his Friends—Dodd's Kidney Pills Cured him.

CHATHAM, April 30.—The story of Sherman Buchanan, living near Leamington, is worthy of notice. He says he was almost helpless, bloated and a wreck with kidney disease. His digestive organs were powerless and he was rapidly becoming a burden to himself and his friends. Naturally he lost all hopes of recovery, but a happy thought suggested Dodd's Kidney Pills and these cured him. Dodd's was the first kidney remedy in pill form ever offered the public. Its wonderful success in curing all forms of kidney disease has led to the introduction of numerous cheap and worthless imitations. Purchasers, for their own safety, should insist on getting Dodd's Kidney Pills. Sold in large boxes; price, fifty cents or six boxes for \$2.50. To be had of all dealers.

During a temperance excitement at Arcola, Ill., some time ago an incident occurred that is now first seen in print. A blacksmith there was a confirmed drinker. All efforts to reform him had been in vain, and at last some of his friends concluded to try a desperate remedy as a last resort. They got him dead drunk and put him in a pine box. They then carried him out to the cemetery and put the box in a grave that had been dug for use the next day. The friends waited for developments. Early in the morning they heard him moving in the box and soliloquizing aloud. "Dead, am I? Dead and buried. Buried in my old clothes. Shows what they think of a fellow when he's gone. Wonder what I died of? I can't remember anything about it." About that time the top, which had been lightly fastened, came loose and the toper sprang to his feet, looked around the cemetery and shouted: "Resurrection, by gum. First man above ground. Bet the drinks on it." The experiment was a total failure, and the blacksmith was drunk again by night.

I CAN highly praise Burdock Blood Bitters because it had a fair trial in my case with wonderful success. My symptoms were drowsy, backache and sleeplessness, and all these disappeared after using two bottles of Burdock Blood Bitters. I cannot praise its healing powers too highly.

Haughty Lady (who has just purchased a stamp).—"Must I put it on myself?" Stamp Clerk.—"Not necessarily. It will probably accomplish more if you put it on the letter."

I HAVE been greatly troubled with headache and bad blood for ten or twelve years. I started to take Burdock Blood Bitters in July, 1892, and now, (January, 1893), I am perfectly cured.
