A FORTUNATE GIRL.

THE SUBJECT OF SINCERE CONGRATULATIONS FROM HER FRIENDS.

Was Thought to be Sinking into a Hopeless Decline—How Her Restoration to Health Was Brought About—An Example Worthy of Imitation by Other Young Ladies.

From the Sherbrooke Gazette.

A number of reports have reached the Gazette office of marvellous cures effected by the use of Dr. Williams' Pink Pills. To satisfy a legitimate public curiosity about a fact which, if true, should be proclaimed to suffering humanity, the Gazette requested a reporter to go to Rock Forest and investigate the facts in the case of Miss Maggie Simpson, who was said to have been restored from a very low condition.

The reporter took the afternoon train for Rock Forest and, after a short walk from the C. P. R. station, reached Mr. James Simpson's home, situated on a well cultivated farm beautifully located on the banks of the Magog River.

Upon communicating the purpose of his visit the reporter was informed by Mrs. Simpson that her daughter was absent at the Sherbrooke Convent where he might easily interview her. She spoke with the warmth of genuine gratitude of her daughter's cure, strongly corroborating the facts obtained later from the young lady herself. She told how she lost no opportunity to recommend Pink Pills, and that, as an immediate result, Miss Delaney, a near neighbor of theirs, had also been recently rescued from premature decline by their use.

Upon his return to Sherbrooke the reporter called upon Miss Maggie Simpson at the Congregation de Notre Dame Convent. Miss Simpson is a handsome blonde of seventeen years, of prepossessing manner, and winsome address, whose clear rosy complexion, full round merry face and bright eyes are a source of delight to the beholder. Miss Simpson had no hesitation in candidly stating what had brought her to her present happy state of health, of which she is the very picture. She expressed herself as follows:—

"Since the age of fourteen up to last spring I had been gradually losing health and strength, without our doctor being able to do anything to help me. For a year preceding my case got to be desperate. I was constantly troubled with headache; my lips were of a livid paleness and sometimes perfectly blue for want of blood. I had to gasp for breath upon the least exertion; I had become a living skeleton and had lost my strength to the extent that I was unable to walk upstairs. I had become discouraged when my doctor could not offer any relief and I found that I was rapidly sinking into a hopeless decline.

"A friend recommended Dr. Williams' Pink Pills, but I had tried in vain so many different kinds of medicine that I lost confidence in any further experiment. Very fortunately my mother insisted upon my trying the pills. It was but a short time before I could see that they were doing me good. I continued to use them without interruption, and when I had taken six boxes I was completely restored to my former perfect health and strength. My mother, however, insisted that I should continue the use of the pills until I had used nine boxes. These I had finished taking some time last summer.

"When I returned to the convent, at the opening this autumn after a long absence through my illness, those girls who had previously known me were astonished at the transformation that had taken place. I frequently have occasion to be amused by the amazement of former friends and acquaintances that I now chance to meet. I can tell you I don't lose an opportunity of recommending Pink Pills to them. I always keep a box on hand, and whenever any of my convent friends are ill I am always ready with a sure remedy. When the girls, as they often do, make the remark to me 'Oh, Maggie, you are a fortunate girl to be so happy and jolly,' I tell them I am making up for lost time.

The gratifying results following the use of Dr. Williams' Pink Pills in the case of Miss Simpson, prove that they are unequalled as a blood builder and nerve tonic. In the case of young girls who are pale or sallow, listless, troubled with a

fluttering or palpitation of the heart, weak and easily tired, no time should be lost in taking a course of Dr. Williams' Pink Pills, which will speedily enrich the blood, and bring a rosy glow of health to the cheeks. These pills are a positive cure for all troubles arising from a vitiated condition of the blood or a shattered nervous system such as locomotor ataxia, partial paralysis St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after effects of la grippe, the tired feeling resulting from nervous prostration, all diseases depending upon humors in the blood, such as scrofula, chronic erysipelas, etc. They are also a specific for troubles peculiar to females, such as suppressions, irregularities and all forms of weakness. In the case of men they effect a radical cure in all cases arising from mental worry, overwork, or excesses of whatever nature.

Dr. Williams' Pink Pills are manufactured by the Dr. Williams' Medicine Co., Brockville, Ont., and Schenectady, N. Y., and are sold in boxes (never in loose form by the dozen or hundred) at 50 cents a box, or six boxes for \$2.50, and may be had of all druggists or direct by mail from Dr. Williams' Medicine Company at either address. The price at which these pills are sold makes a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.

MR. JAMES DOMVILLE,
General Manager,
Mutual Reserve Fund Life Ass.,
St. John, N. B.

Dear Sir: Permit me to acknowledge with thanks, the receipt of check No. 8441 on the National Park Bank of New York, for \$2,000, as executor of the late Rev. Father Thomas J. Bannon, being payment in full under policy No. 77535, held by him in the Mutual Reserve Fund Life Association of New York; and I assure you it will be a source of great pleasure to recommend your company to all my friends in this community, who may want life insurance.

Allow me again to thank you for the courtesy with which I have been treated by all concerned.

Yours faithfully,
E. J. BANNON.

P. S. If the late Thomas J. Bannon had taken an ordinary life policy in an Old System Company, and paid the same amount in premiums as he paid in the Mutual Reserve, his heirs would have received \$994, instead of \$2000. Gain by being insured in Mutual Reserve, \$1006.

In reference to the above letter and post-script, we call the attention of our readers to the undoubted stability and low rates of the above named Company. They have paid upwards of \$19,000,000 to policy holders in the past 13 years. Mr. J. T. Kirk is now at the Kent Hotel and will be pleased to explain the plans of the Company to all interested in life insurance. Lieut. Col. James Domville, 134 Prince Wm. Street, St. John, is manager for the Maritime Provinces.

The book fully describes a method by which to attain full vigor and manly power.

A method by which to end all unnatural drains on the system.

To cure nervousness, lack of self-control, despondency, etc.

To exchange a faded and worn nature for one of brightness, buoyancy and power.

To cure forever effects of excesses, overwork, worry, etc.

To give full strength, development and tone to every portion and organ of the body.

Age no barrier. Failure impossible. 2000 references.

A despairing man, who had applied to us, soon after wrote:

"Well, I tell you the first day is one I'll never forget. I just bubbled with joy. I wanted to hug everybody and tell them my old self had died yesterday and my new self was born to-day. Why didn't you tell me when I first wrote that I would find it this way?"

And other thus:

"If you dumped a cartload of gold at my feet it would not bring such gladness into my life as your method has done."

Write to the ERIC MEDICAL COMPANY, Buffalo, N. Y., and ask for the little book called "COMPLETE MANHOOD." Refer to this paper, and the company promises to send the book, in sealed envelope, without any marks, and entirely free, until it is well introduced.
