

MOTHER AND DAUGHTER Rejoice Together.

Five Year Old Maggie McRitchie, a Victim of Chronic Fainting Spells and Nervous Weakness, Completely Cured by South American Nervine After All Other Efforts had failed. The Mother, a Sufferer From Nervous Prostration and Indigestion, likewise Cured. Hear What the Thankful Father Has to Say.

MRS. JAMES McRITCHIE AND DAUGHTER.

A leading local physician, whose profession takes him among the children of the various public institutions, remarked to the writer, that one would hardly believe that so many children were affected by nervous troubles, which sap the system and prevent proper development. In many cases the doctors are powerless to cure these troubles. They can relieve the suffering little ones, but in South American Nervine we have a medicine that does more than simply give relief. Its peculiar strength is that it completely cures where physicians relieve. A case in point came to us the 24th ult., in a letter from Mr. James W. McRitchie of Bothwell, Ont. He says:—"My daughter Maggie, aged 9 years, was afflicted with nervous fainting spells for over a year, which left her in such a condition of weakness afterwards that the child was practically an invalid. We tried several remedies and doctored with her in one way and another, but nothing gave relief. Seeing South American Nervine advertised, as particularly efficacious in nervous dis-

eases, I decided on trying it for her, and I must say that I noticed a decided change in my daughter for the better after she had taken only a few doses. As a result of using this medicine, she is now entirely free from those fainting spells and possessed of that life and brightness that is the happy lot of childhood. I am satisfied it is an excellent medicine for any nervous weakness. My experience has been further supplemented in the fact that my wife has also been using South American Nervine for indigestion, dyspepsia and nervous prostration, and has found very great relief."

Whether the patient be man or woman, young or old, South American Nervine provides a complete medium for restoration to health. It is a medicine differing absolutely from every other. A cure is effected by application to the nerve centres of the human system, and science has proved that when these nerve centres are kept healthy the whole body is healthy. For these reasons failure is impossible.

NOTES OF INTEREST.

A bad workman quarrels with his tools. Rheumatism racks the system like a thumb-screw. It retreats before the power of Hood's Sarsaparilla, which purifies the blood.

A broken friendship may be soldered, but will never be sound.

"Canst thou minister to a mind diseased?" asks Macbeth. Certainly, my lord; the condition of the mind depends largely, if not solely, on the condition of the stomach, liver and bowels, for all of which complaints Ayer's Pills are "the sovereignest thing on earth."

A close mouth catcheth no flies.

Nervous debility is a common complaint, especially among women. The best medical treatment for this disorder is a persistent course of Ayer's Sarsaparilla to cleanse and invigorate the blood. This being accomplished, nature will do the rest.

A colt you may break but an old horse never.

AN UNUSUAL DEATH-RATE.—At this season of the year there are always many deaths, particularly among children, from summer complaint, Diarrhoea, Dysentery, Cholera Morbus, Cramps, etc., but this season the cases seem to be unusually frequent and fatal, and everyone ought to know that a sure and speedy cure can easily be obtained by taking a teaspoonful of PERRY DAVIS' PAIN-KILLER in sweetened water (hot water is the best), every half hour until relieved. This remedy has never been known to fail. Full directions are with each bottle. It is kept by every respectable druggist. New Big bottle old popular 25c. price.

Economy and Strength.

Valuable vegetable remedies are used in the preparation of Hood's Sarsaparilla in such a peculiar manner as to retain the full medicinal value of every ingredient. Thus Hood's Sarsaparilla combines economy and strength and is the only remedy of which "100 Doses One Dollar" is true. Be sure to get Hood's.

Hood's Pills do not purge, pain or gripe, but act promptly, easily and efficiently.

A fair promise makes a fool merry.

Let The Women Speak.

Mrs. A. Sampson, 208 Bennington St., East Boston, writes: "I had been afflicted with dyspepsia for the last four years, was so bad that I did not dare to eat as it caused me terrible pain. Hearing of K. D. C. I produced a package. It gave me almost immediate relief. One package cured me. I have not been so well for a number of years. I cheerfully recommend it, and feel justified in saying that dyspeptics who can get this medicine have no excuse for suffering."

Bachelor's wives and maid's children are well taught.

Investigation Invited.

Of course it is proper to inquire about what any man says, is it true?

The most rigid investigation is invited into the testimonials published in behalf of Hood's Sarsaparilla. Special attention is called to the high character of the persons whose testimonials are published by the proprietors of this medicine as evidenced by their occupations or indorsements. In fact, no matter where a testimonial in behalf of Hood's Sarsaparilla may be from it is reliable and as worthy of confidence as if it came from your most trusted neighbor.

Be always as merry as you can, for no one delights in a sorrowful man.

YOUNG LAMONT'S CASE.

Neighbors much interested in the Story—Everyone thought the Youngster would Die but he's Very Much Alive now.

DUNDALK, July 30.—Hugh Lamont, of McIntyre, has a young son who is an object of interest throughout this whole section of country. From infancy the boy had dropsy, and was bloated and swollen all over. It seemed to the parents that death could be the only release to one attacked so young by this disease. They heard of Dodd's Kidney Pills and began giving them to the child. With the first box, the bloating and swelling began to disappear. Six boxes effected a perfect cure and the boy is now just as healthy a youngster as sits up the dust on the high roads of Western Ontario.

DEAR SIRS.—I have been using Burlock Butters for Boils and skin diseases, and I find it very good as a cure. As a dyspepsia cure I have also found it unequalled. Mrs. Sarah Hamilton, Montreal, Q. 16.

DEAR SIR.—My family have received great benefits from the use of the PELEE ISLAND GRAPE JUICE, during the past four years.
