It is also of more real permanent value in the treatment and cure of diseases of the lungs than any consumption remedy ever used on this continent. It is a marvelous cure for nervousness of females of all ages. Ladies who are approaching the critical period known as change in life, should not fail to use this great Nervine Tonic, almost constantly, for the space of two or three years. It will carry them safely over the danger. ## NERVOUS DISEASES.

As a cure for every class of Nervous Diseases, no remedy has been able to compare with the Nervine Tonic, which is very pleasant and harmless in all its effects upon the youngest child or the oldest and most delicate individual. Nine tenths of all the ailments to which the human family is heir are dependent on nervous exhaustion and impaired digestion. When there is an insufficient supply of nerve food in the blood, a general state of debility of the brain, spinal marrow, and nerves is the result. Starved nerves, like starved muscles, become strong when the right kind of food is supplied; and a thousand weaknesses and ailments disappear as the nerves recover. As the nervous system must supply all the power by which the vital forces of the body are carried on, it is the first to suffer for want of perfect nutrition. Ordinary food does not contain a sufficient quantity of the kind of nutriment necessary to repair the wear our present mode of living and labor imposes upon the nerves. For this reason it becomes necessary that a nerve food be supplied. This South American Nervine has been found by analysis to contain the essential elements out of which nerve tissue is formed. This accounts for its universal adaptability to the cure of all forms of nervous derangement.

To the Great South American Nervine Tonic Co.:  
DEAR GENTS:—I desire to say to you that I have suffered for many years with a very serious disease of the stomach and nerves. I tried every medicine I could hear of, but nothing done me any appreciable good until I was advised to try your Great South American Nervine Tonic and Stomach and Liver Cure, and since using several bottles of it, I must say that I am surprised at its wonderful powers to cure the stomach and general nervous system. If everyone knew the value of this remedy, as I do you would not be able to supply the demand.

### The Great South American Nervine Tonic

Which we now offer you, is the only absolutely unfailing remedy ever discovered for the cure of Indigestion, Dyspepsia, and the vast train of symptoms and horrors which are the result of disease and debility of the human stomach. No person can afford to pass by this jewel of incalculable value who is affected by disease of the stomach, because the experience and testimony of many go to prove that this is the one and ONLY ONE great cure in the world for this universal destroyer. There is no case of unmalignant disease of the stomach which can resist the wonderful curative powers of the South American Nervine Tonic.

HARRIS E. HALL, of Waynesboro, Ind., says: "I owe my life to the Great South American Nervine. I had been in bed for five months from the effects of an exhausted stomach, indigestion, nervous prostration, and a general shattered condition of my whole system. Had given up all hopes of getting well. Had tried every doctor, with no relief. The first bottle of the Nervine Tonic improved me so much that I was able to walk about, and a few bottles cured me entirely. I believe it is the best medicine in the world. I can not recommend it too highly."

No remedy will at all compare with South American Nervine as a cure for all forms of failing health. It never fails to cure Indigestion and Dyspepsia. It never fails to cure Chorea or St. Vitus' Dance. Its powers to build up the whole system are wonderful in the extreme. It cures the old, the young, and the middle aged. ## A MIRACLE OF TO-DAY.

THE STARTLING EXPERIENCE OF A YOUNG LADY IN ST. THOMAS.

A Constant Sufferer for More Than Five Years—Her Blood Had Turned to Water—Physicians Held Out No Hope of Her Recovery—How Her Life Was Saved—A Wonderful Story. From the St. Thomas Journal.

"The Angel of the Lord encampeth round about them that fear Him, and delivereth them." Such is a verse of holy writ made familiar to very many residents of St. Thomas by the well-known evangelist, Rev. J. E. Hunter. In letters of gold on the stained glass fanlight over the door of his residence, No. 113 Wellington street, is the text "Psalm XXXIV, 7." Though we live in an age noted for its energetic, zealous Christian endeavor, this plea of Mr. Hunter's to impress the truths of the scriptures upon those who read though they run, is altogether so original and so novel that it at once excites the curiosity. Those not familiar with the text make a mental note of it, and at the first opportunity look it up. This is just what was done by a representative of the Journal, who had occasion to visit Mr. Hunter's residence the other day. But with the object of the visit and the information obtained the reader will be more concerned.

The reporter was assigned to investigate a marvellous cure said to have been effected in the case of a young lady employed in Mr. Hunter's family, by that well-known and popular remedy, Dr. Williams' Pink Pills. And it was a wonderful story that the young lady had to tell, and is undoubtedly as true as it is wonderful. Last June the same reporter interviewed Mrs. John Cope, wife of the toll-gate keeper on the London and Port Stanley road, who had been cured by Pink Pills of running ulcers on the limbs after years of suffering and after having been given up by a number of physicians. The old lady had entirely recovered, and could not say too much in praise of Dr. Williams' Pink Pills, which had given her a new lease of life. As it was with Mrs. Cope, so was it with Miss Edna Harris, the young lady in the employ of Mr. Hunter's family who has been restored to health and strength by Pink Pills. Miss Harris has just passed her twentieth year, and is a daughter of George Harris, who lives at Yarmouth Heights, and is employed by Mr. Geo. Boucher, florist and plantsman.

"I believe Dr. Williams' Pink Pills saved my life, and I am quite willing that everyone should know it," was the reply of Miss Harris when asked if she had been benefited by Pink Pills, and if so would she make public her story. Continuing, she said, "When I was twelve or thirteen years of age I was first taken sick. The doctors said my blood had all turned to water. For five years I suffered terribly, and was so weak that I could barely keep alive. It was only my grit and strong will, the doctors said, that kept me alive at all. If I tried to stand for a short time, or if I got the least bit warm I would fall over in a faint. My eyes were white and glassy, and I was so thin and pallid that every one believed I was dying of consumption. During the five years I was ill, I was attended by five physicians in St. Thomas, two in Detroit, one in London and one in Aylmer, and none of them could do anything for me. I was so far gone that they had no hopes of my recovery. Towards the last my feet and limbs swelled so they had to be bandaged to keep them from bursting. They were bandaged for three months, and my whole body was swollen and bloated, and the doctors said there was not a pint of blood in my body, and they

held out no hopes whatever. Two years ago I saw in the Journal about a man in Hamilton being cured by taking Pink Pills. I thought if they could cure him they would help me, and I decided to try them. Before I had finished three boxes I felt relieved; the swelling went down and the bandages were removed. I continued taking Pink Pills until I had taken seven boxes, then irregularly I took three more, one of which Mr. Hunter brought back from Brockville. I am perfectly cured. I have not been ill a single day since I finished the seventh box of pills. I came to Mrs. Hunter's a year ago, and she will tell you I have never been ill a day since coming here, and I always feel strong and able to do the work. I can and do strongly recommend Dr. Williams' Pink Pills," said Miss Harris in conclusion. Her appearance is certainly that of a strong, healthy young woman.

Mrs. J. E. Hunter, wife of the evangelist, told the reporter that Miss Harris was a good, reliable and truthful girl, and that perfect reliance could be placed in her statements. "She looks like a different girl from what she was when she came here a year ago," said Mrs. Hunter.

The facts above related are important to parents, as there are many young girls just budding into womanhood whose condition is, to say the least, more critical than their parents imagine. Their complexion is pale and waxy in appearance, troubled with heart palpitation, headaches, shortness of breath on the slightest exercise, faintness and other distressing symptoms which invariably lead to a premature grave unless prompt steps are taken to bring about a natural condition of health.

In this emergency no remedy yet discovered can supply the place of Dr. Williams' Pink Pills, which build anew the blood, strengthen the nerves and restore the glow of health to pale and sallow cheeks. They are certain cure for all troubles peculiar to the female system, young or old. Pink Pills also cure such diseases as rheumatism, neuralgia, partial paralysis, locomotor ataxia, St. Vitus' dance, nervous headache, nervous prostration, the after effects of la grippe, and severe colic, diseases depending on humors in the blood, such as scrofula, chronic erysipelas, etc. In the case of men they effect a radical cure in all cases arising from mental worry, overwork or excesses.

Dr. Williams' Pink Pills are sold only in boxes bearing the firm's trade mark. They are never sold in bulk, and any dealer who offers substitutes in this form is trying to defraud and should be avoided. The public are cautioned against other so-called blood builders and nerve tonics, put up in similar form intended to deceive. Ask for Dr. Williams' Pink Pills for Pale People, and refuse all imitations and substitutes. Can be had from all dealers or by mail from the Dr. Williams' Medicine Company, Brockville, Ont., or Schenectady, N. Y., at 50 cents a box or six boxes for \$2.50.
