The Most Astonishing Medical Discovery of the Last One Hundred Years.

It is Pleasant to the Taste as the Sweetest Nectar. It is Safe and Harmless as the Purest Milk.

This wonderful Nerve Tonic has only recently been introduced into this country by the proprietors and manufacturers of the Great South American Nerve Tonic, and yet its great value as a curative agent has long been known by a few of the most learned physicians, who have not brought its merits and value to the knowledge of the general public.

This medicine has completely solved the problem of the cure of indigestion, dyspepsia, and diseases of the general nervous system. It is also of the greatest value in the cure of all forms of failing health from whatever cause. It performs this by the great nerve tonic qualities which it possesses, and by its great curative powers upon the digestive organs, the stomach, and the bowels. No remedy compares with this wonderfully valuable Nerve Tonic as a builder and strengthener of the life forces of the human body, and as a great renewer of a broken-down constitution. It is also of more real permanent value in the treatment and cure of diseases of the lungs than any consumption remedy ever used on this continent. It is a marvelous cure for nervousness of females of all ages. Ladies who are approaching the critical period known as change in life, should not fail to use this great Nerve Tonic, almost constantly, for the space of two or three years. It will carry them safely over the danger. This great strengthener and curative is of inestimable value to the aged and infirm, because its great energizing properties will give them a new hold on life. It will add ten or fifteen years to the lives of many of those who will use a half dozen bottles of the remedy each year.

## NERVOUS DISEASES.

As a cure for every class of Nervous Diseases, no remedy has been able to compare with the Nerve Tonic, which is very pleasant and harmless in all its effects upon the youngest child or the oldest and most delicate individual. Nine-tenths of all the ailments to which the human family is heir are dependent on nervous exhaustion and impaired digestion. When there is an insufficient supply of nerve food in the blood, a general state of debility of the brain, spinal marrow, and nerves is the result. Starved nerves, like starved muscles, become strong when the right kind of food is supplied; and a thousand weaknesses and ailments disappear as the nerves recover. As the nervous system must supply all the power by which the vital forces of the body are carried on, it is the first to suffer for want of perfect nutrition. Ordinary food does not contain a sufficient quantity of the kind of nutriment necessary to repair the wear our present mode of living and labor imposes upon the nerves. For this reason it becomes necessary that a nerve food be supplied. This South American Nerve has been found by analysis to contain the essential elements out of which nerve tissue is formed. This accounts for its universal adaptability to the cure of all forms of nervous derangement.

CRAWFORDSVILLE, IND., AUG. 20, '86. To the Great South American Nerve Tonic Co.: DEAR GENTS—I desire to say to you that I have suffered for many years with a very serious disease of the stomach and nerves. I tried every medicine I could hear of, but nothing done me any appreciable good until I was advised to try your Great South American Nerve Tonic and Stomach and Liver Cure, and since using several bottles of it I must say that I am surprised at its wonderful powers to cure the stomach and general nervous system. If everyone knew the value of this remedy, I do you would not be able to supply the demand. J. A. HARRIS, Ex-Treas. Montgomery Co.

## A SWORN CURE FOR ST. VITUS' DANCE OR CHOREA.

CRAWFORDSVILLE, IND., JUNE 22, 1887. My daughter, eleven years old, was severely afflicted with St. Vitus' Dance or Chorea. We gave her three and one-half bottles of South American Nerve and she is completely restored. I believe it will cure every case of St. Vitus' Dance. I have kept it in my family for two years, and am sure it is the greatest remedy in the world for Indigestion and Dyspepsia, and for all forms of Nervous Disorders and Failing Health, from whatever cause. JOHN T. MISH, State of Indiana, Montgomery County, ss:

## INDIGESTION AND DYSPEPSIA.

The Great South American Nerve Tonic

Which we now offer you, is the only absolutely unfailing remedy ever discovered for the cure of Indigestion, Dyspepsia, and the vast train of symptoms and horrors which are the result of disease and debility of the human stomach. No person can afford to pass by this jewel of incalculable value who is affected by disease of the stomach, because the experience and testimony of many go to prove that this is the ONE and ONLY ONE great cure in the world for this universal destroyer. There is no case of unmalignant disease of the stomach which can resist the wonderful curative powers of the South American Nerve Tonic.

HARVEY E. HALL, of Waynesboro, Ind., says: "I owe my life to the Great South American Nerve Tonic. I had been in bed for five months from the effects of an exhausted stomach, Indigestion, Nervous Prostration, and a general shattered condition of my whole system. Had given up all hope of getting well. Had tried three doctors, with no relief. The first bottle of the Nerve Tonic improved me so much that I was able to walk about, and a few bottles cured me entirely. I believe it is the best medicine in the world. I can not recommend it too highly."

No remedy compares with SOUTH AMERICAN NERVE TONIC as a cure for the Nerves. No remedy compares with South American Nerve Tonic as a wondrous cure for the Stomach. No remedy will at all compare with South American Nerve Tonic as a cure for all forms of failing health. It never fails to cure Indigestion and Dyspepsia. It never fails to cure Chorea or St. Vitus' Dance. Its powers to build up the whole system are wonderful in the extreme. It cures the old, the young, and the middle aged.
