

Mysteries of the HUMAN BRAIN!

The latest discovery in the scientific world is that nerve centres located in or near the base of the brain control all the organs of the body, and when these nerve centres are deranged the organs which they supply with nerve fluid, or nerve force, are also deranged. When it is remembered that a serious injury to the spinal cord will cause paralysis of the body below the injured point, because the nerve force is prevented by the injury from reaching the paralyzed portion, it will be understood how the derangement of the nerve centres will cause the derangement of the various organs which they supply with nerve force; that is, when a nerve centre is deranged or in any way diseased it is impossible for it to supply the same quantity of nerve force as when in a healthy condition; hence the organs which depend upon it for nerve force suffer, and are unable to properly perform their work, and as a result disease makes its appearance.

At least two-thirds of our chronic diseases and ailments are due to the imperfect action of the nerve centres at the base of the brain, and not from a derangement primarily originating in the organ itself. The great mistake of physicians in treating these diseases is that they treat the organs

and not the nerve centres, which are the cause of the trouble.

The wonderful cures wrought by the Great South American Nervine Tonic are due alone to the fact that this remedy is based upon the foregoing principle. It cures by rebuilding and strengthening the nerve centres, and thereby increasing the supply of nerve force or nervous energy.

This remedy has been found of infinite value for the cure of Nervousness, Nervous Prostration, Nervous Paroxysms, Sleeplessness, Forgetfulness, Mental Despondency, Nervousness of Females, Hot Flashes, Sick Headache, Heart Disease. The first bottle will convince anyone that a cure is certain.

South American Nervine is without doubt the greatest remedy ever discovered for the cure of Indigestion, Dyspepsia, and all Chronic Stomach Troubles, because it acts through the nerves. It gives relief in one day, and absolutely effects a permanent cure in every instance. Do not allow your prejudices, or the prejudices of others, to keep you from using this health-giving remedy. It is based on the result of years of scientific research and study. A single bottle will convince the most incredulous.
