Tho' doubly blest with health, she seemed The fairest in the room, Because the brilliant rouge supplied The place of faded bloom.

That have her well developed bust And clouded her fair face— She sighed, I woen't for her lord, But one to fill his place.

The gypsy Cleopatra, who, High famed in ancient story, To be admired was her delight, To vanquish men, her glory.

I couldn't dance—I told him so, And tried hard to explain; And Joseph saw that further urging Would be worse than vain.

She frowned on me—I've oft heard tell Of magic in a smile, That pleasant words and pleasant looks Could woo and care beguile.

And terrified as I was then, 'Twas hard for me to stay, I diligently stalked around For chance to get away.

But whether 'twas the quality Or quantity that told, It gave more vim unto the young More vigor to the old.

But soon these limber legged loons Were hustled off the scene; They rolled o'er like potato bugs When gorged with Paris Green.

I really cannot say I saw The ladies taste the stuff, But fumes from men half full of it, Had surely been enough.

The fiddler's elbow got impaired From constant vigorous use; For ever since the man began He'd fiddled "like the deuce."

As no one else among the throng Could wield the tuncful bow, And Joseph could not fill the place Vacated now by Joe.

Joe sat right down longside of Joe, And sang with might and main, And "diddled" till he lost his breath, Then Joe took up took up the strain.

Gob-muscic may do well enough, But this, was to my mind, Not over sweet, to say the least— More vigorous than refined.

Lady Aberdeen. Lady Aberdeen possesses immense activity and energy, together with a capacity to do things and get them done.

A Pure Breath is an Added Charm. Many a beautiful form and face loses its charm in an impure breath. Catarrh does not choose its victims, the innocent babe the beautiful and witching maiden, and the manly lover alike fall victims to this offensive and foul plague.

England's Naval Supremacy. One proof that the Imperial temper has not quite died out among the English is the unanimity with which all parties insist, at least in words, on the maintenance of naval supremacy.

Popular Everywhere. Beginning with a small local sale in a retail drug store, the business of Hood's Sarsaparilla has steadily increased until there is scarcely a village or hamlet in the United States where it is unknown.

Preachers in a Box Car. A party of sedate Maine clergymen, who recently went over the new Bangor and Aroostook line from Brownville to the West Branch had a little experience in railroading that made their hair stand on end for a time.

Motive of the Emancipation Proclamation. [William Livingston, in January Donahoe's.] The South has not uprooted the old prejudices born of slavery days.

Scraped with a Rasp. SRS.—I had such a severe cough that my throat felt as if scraped with a rasp. On taking Dr. Wood's Norway Pine Syrup I found the first dose gave relief, and the second bottle completely cured me.

never intended to benefit the colored people. Some of the wildest enthusiasts are beginning to understand that it has not been a blessing. It was certainly right to give the colored man his freedom. The approaching expiry of the Naval Defense act; the apprehensions aroused by the Franco-Russian alliance and the opening of French harbors in the Mediterranean to Russian men-of-war, together with the comparative weakness of England's fleet in those waters have given rise to a vigorous agitation with a view to making the British Navy what it should be.
