

Goes to Europe for Treatment

Suffering For Years from Insomnia and Nervous Debility—Prostrated, Exhausted—No Vitality—No Rest Until "Nature's Sweet Restorer," South American Nervine Tonic, Built up the Nervous Organism, and Gave Back to the Wearied and Exhausted Nerve-Centres their Wanted Vigor.

ADOLPHE LABODIE, B.C.L., J.P., OF THE WELL-KNOWN LEGAL FIRM OF LABODIE & LABODIE, MONTREAL.

For four generations the remarkable family of LaBodie have been prominently identified with the legal and professional life of Montreal. A long line of active, intellectual men, whose ambition to rise to prominence meant a constant drain upon the nerve forces and a tremendous demand for brain power. Mr. Adolphe LaBodie, B.C.L., J.P., etc., has for seventeen years been actively engaged in the legal profession, living, as the duties of intellectual men of this fast age demand, beyond the reserve limit of natural nerve force, requiring more of the nerve centres at the base of the brain than they can possibly fulfil, which always results in nervous prostration, dyspepsia, hot flashes, insomnia, constipation, and attendant evils.

Mr. LaBodie spared neither time nor money to obtain relief, went to Europe for special treatment, all to no purpose. His attention being directed to South American Nervine Tonic, he concluded to try it. Result—immediate relief from insomnia, and a perfect and permanent cure from all other disorders, with but five bottles of the Nervine.
