The Pine Forests.

The pine forests yield up their healing virtues for the cure of coughs, colds, asthma, bronchitis and sore throat in the pleasant preparation known as Dr. Wood's Norway Pine Syrup. 25 and 50c. at druggists.

Resembled His Father.

He was the son of a wealthy Chicagoan and he had just returned from college. The father was a brusque, matter of fact man, who had no likeing for anything dudish, and he noticed with sorrow that his son returned with bangs and various BLOOD BITTLES. other insignia of dudedom. The old gentlemen surveyed hom critically when he T. MILBURN & CO., Proprietors, Toronto. appeared in his office, and then blurted

"Young man, you look like a fool." Just at that time, and before the young man had time to make a fitting reply, a friend walked in.

"Why, hello, George, have you returnlished yesterday. The last return came | ed ?" he asked. "Dear me, how much

Suicidal Marriage.

He was engaged to the girl but he would not carry out the contract, though he refused to give her up.

She had coaxed him at first to give up his toolish notion, but he wouldn't have it, and finally she kicked out of the traces. "Why don't you stop fooling," she said, 'and marry me?"

"My dear," he pleaded, "marriage in my case would be suicide." "Suicide? What do you mean?"

"I mean that I am so poor I could not hire a cook."

"Well," she urged bravely, "what of that ? I am strong and well and can do the cooking until you are rich enough to hire a cook."

"I know that, my dear love," he murmured, taking her face on his hands, "it is your cooking that I am afraid of " and love's young dream was split wide open.

Rhenmatism Cared in a Day,

South American Rheumatic Cure for Rheumatism and Neuralgia radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits. 75 cents. For sale by W. W. Short, druggist, agent for Kent Co. *

Match Making as a Trade. A Minnesota jury has refused to recognize the validity of a contract specifying a matrimonial match as a consideration for the payment of money. A man in that state agreed to give another man \$25 if he would secure him a wife. When the wife had been obtained the benedict repudiated his contract and the watch-maker brought action against him. The watch-maker was defeated. A man whose courtship entailed po greater investment than \$25 would ordinarily be accounted a favorite of fortune. On the other band a jury that has the temerity to declare a good spouse to be worth less than her weight in gold is evidence prima facie of twelve men hopelessly gone wrong. In a State, however, which last year undertook to make the wearing of hoopskirts a crime, strange freaks of conduct are apt to be

Piles! Piles! Itching Piles.

SYMPTOMS-Moisture; intense itching and stinging; most at night; worse by scratching. If allowed to continue tumors form, which often bleed and ulcerate, becoming very sore. SWAYNE'S OINTMENT stops the itching and bleeding, heals ulceration, and in most cases removes the tumors. At druggists, or by mail, for 50 cents. Dr. Swayne & Son, Philadelphia. Lyman Sons & Co., Montreal, wholesale agents.

New Maxims.

Candid advice isn't always candied. A woman's age is about 85 per cent. The man who doesn't want anything

doesn't get it. A small mind has usually plenty of room for pride.

Pet vices are just as apt to bite and claw a fellow as any other kind.

The mortal who tries to win love without respect has generally to get along without either.

There's as much difference between adventure and pure deviltry as there is between wit and raw turnip. - Cincinnati Tribune.

Important to Workingmen.

Artizans, mechanics and laboring men are liable to sudden accidents and injuries, as well as painful cords, stiff joints and lameness. To all this trouble we would recommend Hagyard's Yellow Oil, the handy and reliable pain cure, for outward and internal use.

"I feel like a new man." "It will cure any case."

These are the enthusiastic words of the gentleman whose portrait appears wit these lines. His own statement is fro from any wordiness or "writing up."

For the past five or six years I have been troubled with Dyspersia. In th winter of '92 I was completely "use up," so much so that I tried three doctor without receiving any benefit from the treatment. I tried other dyspepsia med

cines without success. During that period of trial and experment I was so poorly that I could no work steadily for one half hour at a time without going to my house and lyin

At last I went to W. E. Thistle's drug store to get something to relieve me, and he recommended GRODER'S SYRUI I have taken two bottles and am nov COMPLETELY CURED. I feel like a new man; I can eat or drink anything and en joy my food. I have recommended you remedy to others. I cannot say too much in its favor. Yours truly.

P. S.-I am confident that Groder's Syrup will cure any case of Dyspepsia if it is properly used. Others who suffer as did should know of the intrinsic merit of your remedy. For some time I have fel it my duty to write you and let you know just what two bottles of your medicine have done for me. This statement is to be used as von think best. It is true in every particular, as my friends can testify.-G. W. C.
