## Rheumatism Conquered.

A GREAT ADVANCE IN MEDICAL SCIENCE.

A Discovery Which This Painful Disease Cannot Resist.—Mr. B. Blasdell, of Paris, Ont., Relates His Experience With the Cure.

Paris, Ont., Review.

Rheumatism has long baffled the medical profession. Medicine for external and internal use has been produced, plasters tried, electricity experimented with, hot and cold baths and a thousand other things tried, but without avail. Rheumatism still held the fort, making the life of its victims one of misery and pain. The first real step toward conquering rheumatism was made when the preparation known as Dr. Williams' Pink Pills for Pale People was discovered, and since that time thousands have testified to their wonderful efficacy in this, as well as in other troubles, the origin of which may be traced to the blood.

Among those who speak in the highest terms of Dr. Williams' Pink Pills is Mr. Blasdell, of this town, who is known not only to all our citizens but to residents of this section, and he is as highly esteemed as he is widely known. To the editor of the Review Mr. Blasdell recently said: "I have reason to speak in terms of the warmest praise of Dr. Williams' Pink Pills, as they not only saved me a big doctor's bill but have restored me to health, which was impaired by rheumatism and neuralgia. These troubles were, I think, the after effects of an attack of measles. After the latter trouble had disappeared I felt an awful pain in my head, neck, and down my back. I tried a number of remedies, but without effect. I was then advised by Mrs. Horning, of Cope-town, who had been cured of paralysis by the use of Dr. Williams' Pink Pills, to give them a trial. I followed her advice, and after using a box or two I began to feel much better, and with their continued use I constantly improved in health, and am now feeling better than I have done before in ten years. I am satisfied that but for the timely use of Pink Pills I would to-day have been a physical wreck, living a life of constant pain, and I cannot speak too highly of their curative powers, or recommend them too strongly to other sufferers. I cheerfully give permission to publish my statement in the hope that some other sufferer may read and profit by it."

Dr. Williams' Pink Pills strike at the root of the disease, driving it from the system and restoring the patient to health and strength. In cases of paralysis, spinal troubles, locomotor ataxia, sciatica, rheumatism, erysipelas, scrofulous troubles, etc., these pills are superior to all other treatment. They are also a specific for the troubles which makes the lives of so many women a burden, and speedily restore the rich glow of health to pale and sallow cheeks. Men broken down by overwork, worry or excesses, will find in Pink Pills a certain cure. Sold by all dealers or sent by mail postpaid, at 50c a box, or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont., or Schenectady, N. Y. Beware of imitations and substitutes alleged to be "just as good."
