## CRIPPLED BY RHEUMATISM.

A KING CO. N. S. MAN SUFFERS FOR LONG WEARY MONTHS.

Had Reached a Stage When He Was Unable to Turn in Bed Without Aid—Hundreds of Dollars Spent in the Search for Relief—Dr. Williams' Pink Pills Again Prove Their Wonderful Health Giving Power.

From the Kentville, N. S. Chronicle.

Mr. David O. Corkham, of Scott's Bay Road, is the owner of one of the best farms in Kings Co., N. S., and is one of the best known farmers in that section of the county. He is naturally a hard working man and when strong is always to be found busy on his place. Last winter he spent the whole season in the lumber woods, was strong and healthy and worked as hard as anyone. But it was not always been so. In fact it is the wonder of the neighborhood that he is able to work at all. Before moving to Scott's Bay Road Mr. Corkham lived at Chester, Lunenburg Co., N. S., and while there was a great sufferer from rheumatism, which affected him in such a way that he was unable to do manual labor of any kind. About this time he moved to his present home, but he could not get a moment's respite from the effects of his disease. Feeling that he must get well at any cost he had his old doctor brought from Chester to his relief, but he was unable to do anything for him. He tried many kinds of medicine hoping to receive benefit but to no avail. Being determined not to die without a struggle he had doctors summoned from Halifax, but still continued to get worse. About three years ago he took to his bed and his case developed into bone and muscle rheumatism of the worst type. It spread through all his bones, up into his neck and into his arm, causing partial paralysis of that limb, rendering it utterly useless since he could not lift it above his waist. All the strength left his muscles, and he was unable to turn in bed without aid. He was able to stand upon his feet, but could not walk. Still the doctors waited upon him and still he took their medicines, but with no beneficial result. During this time Mr. Corkham paid out several hundred dollars in hard cash for doctor's bills and medicine, all of which did him not one particle of good. After lying in bed for fifteen months his case was pronounced hopeless and he was given up by all. About this time he heard of Dr. Williams' Pink Pills, and as a last resource he resolved to give them a trial. The first four boxes produced no noticeable effect, but at the fifth he began to notice a change. Feeling encouraged he kept on and from that time he rapidly improved and after using the Pink Pills for a period of some twelve weeks he was restored to perfect health. Such was the wonderful story told a representative of the Western Chronicle by Mr. Corkham a short time ago. Mr. Corkham is now 59 years of age and perfectly healthy and feels younger and better than he has for years and attributes his recovery solely to the use of Dr. Williams' Pink Pills, and he is willing to prove the truth of these statements to anyone who may call upon him.

These pills are a positive cure for all troubles arising from a vitiated condition of the blood or a shattered nervous system. Sold by all dealers or by mail from the Dr. Williams' Medicine Company, Brockville, Ont., or Schenectady, N. Y., at 50 cents a box, or 6 boxes for \$2.50. There are numerous imitations and substitutes against which the public are cautioned.

## Orillia's Prominent Furniture Dealer Gives Facts.

Orillia, Feb. 10th, 1894.

EDMANSON BATES & CO.

Gentlemen.—About three or four weeks ago I had an attack of Itching Piles. I tried two or three different remedies recommended by druggists as "the best and only cure," etc., etc., but got no relief. About the time I was beginning to despair of finding any relief, with some slight misgivings I bought a box of your pile cure, which I am pleased to say gave me almost instant relief and permanent cure. I consider your Ointment a God-send. ALF. J. DEAR.

## Wonderful Horsemanship.

This morning, says the Moscow correspondent of a London paper, I witnessed a wonderful display of horsemanship. It took place in the Petroffsky park. Here, in the presence of the Grand Duke Nicholas and most of the foreign officers and guests, the regiment of Cossack guards went through an extraordinary series of exercises which threw the most daring feats of the circus into the shade. The entire regiment went past at full gallop in loose order, with many of the men standing upright in the saddle, others upon their heads with legs in air, many leaping on to the ground and then into the saddle again at full speed, some springing over their horses' heads and picking up stones from the ground, and yet regaining their seats. While performing these feats all were brandishing their sabres and firing pistols, throwing their carbines into the air and catching them again, and yelling like maniacs. Some men went past in pairs, standing with a leg on each others' horses. One wild fellow carried off another dressed as a woman. The effect of the scene was absolutely bewildering, and it seemed as if the whole regiment had gone mad. Upon a signal being given the regiment divided into two parts. One rode off; the others halted and made their horses lie down on the ground, and lay beside them, waiting, as in war the approach of an enemy. The other section of the regiment then charged down, and in an instant every horse was on its feet, every rider in his saddle, and with wild yells they rode at their supposed enemy. When the manoeuvres were over, the regiment rode past singing, and uncommonly well together, a military chorus. Altogether, it was a marvellous exhibition of daring horsemanship; and one hardly knew whether to admire most the docility and mettle of the steeds, or the skill and courage of their riders. All the foreign officers and guests were no less astonished than delighted.

## THE DEAD RAISED UP.

Excitement in a Canadian Town Runs High.

A Former Resident Thought to be Dying of Bright's Disease, Uses Dodd's Kidney Pills and Appears on the Street in Perfect Health.

Special to The Review.

LISTOWEL, Nov. 7, 1895.—"The press despatch, first read here in a Toronto paper, but dated from Neepawa, Manitoba, has caused quite as much local furor as in the town of its origin. The subject, Mrs. T. H. McKee, formerly lived here and has a large circle of sympathizing friends who had for months past believed her to be dying or dead. A recovery from Bright's disease and reappearance so remarkable—so much past common belief—naturally resulted in many enquiries for confirmation of the facts."

Similar press despatches having been of such frequent occurrence, during the past few months, coming from various parts of Canada, the management of this paper had decided not to permit their publication without verification. To this end every despatch hitherto published has been investigated with a most gratifying result. In every case where we have written we got prompt replies, very friendly in their tone, and in many cases stating that their case has been under, instead of over, stated. It is found also, they state, that from those remarkable cures the sales of Dodd's Kidney Pills in the surrounding country has doubled and quadrupled during the past year, and that these pills are being successfully used in as many cases as there are names of diseases in the catalogue. The proprietors of Dodd's Kidney Pills were equally prompt in placing all the data for the successful issue of our investigation and we have ourselves become convinced of the sterling merits of this wonderful medicine.

Dodd's Kidney Pills is the only medicine or treatment in the world that has ever cured Bright's disease.

## THREE METHODIST LEADERS.

Have All - sed Dr. Agnew's Catarrhal Powder and Declared Strongly in its Favor.

The clergy of Canada, of all denominations seldom hesitate to speak frankly in the interests of a good cause, or on behalf of some meritorious article. Force is given to utterances of this character when the men can speak from individual experience. This is the case with the Rev. A. F. Chambers, L.L. B., and Rev. William Galbraith, L.L. B., and Rev. W. H. Withrow, D. D., than whom few ministers of the Methodist church are better known in Toronto or elsewhere throughout the Dominion. As with many other these brethren have been sufferers from cold in the head and its invariable successor catarrh. A remedy however was within their reach. They used Dr. Agnew's Catarrhal Powder and found, as everyone else finds, that relief was speedy and effective and desiring to benefit others they frankly make this statement to the world over their own signatures.

One short puff of the breath through the Blower, supplied with each bottle of Dr. Agnew's Catarrhal Powder, diffuses the powder over the surface of the nasal passages. Painless and delightful to use it relieves in ten minutes and permanently cures Catarrh Hay Fever, Colds, Headache, Sore Throat, Tonsillitis and Deafness. Sixty cents. Sample bottle and blower sent on receipt of two three cent stamps. S. C. Deitch, 45 Church street Toronto. Sold by W. W. Short.

DEAR Sir.—My family have received great benefits from the use of the PELEE ISLAND GRAPE JUICE during the past four years.
