Some Good Advice

Which Many Will be Glad to Follow.

Ufford, Oct. 14, 1894.
Messrs. Edmanson, Bates & Co., Toronto: GENTLEMEN,—I think it is due to you to let you know the benefits I have received from Dr. Chase's kidney-liver pills. I have been suffering off and on for three years from bladder trouble with a constant desire urinate, with its accompanying weakness. Medicine furnished by a skilful physician afforded me temporary relief, but the trouble would return, often at very awkward times. I was persuaded to try the pills and obtained relief from the first. Before I had taken one 25c. box I felt better than I had for years, and have had not the slightest symptoms of the complaint since. As there are, no doubt, many others who are suffering from like troubles and to whom a cure would be a similar boon, you are welcome to use this communication as you please. I remain
Yours faithfully,

AN IMPORTANT STATEMENT FROM A WELL KNOWN FARMER.

He Tells the Story of Eight Years of Suffering and Vain Efforts to Regain Health—How this Great Boon was Finally Obtained.

From the Meaford Monitor.
Knowing that Dr. Williams' Medicine Co. to be an honorable and reliable firm we have never any reason to doubt the entire truthfulness of the articles appearing from time to time setting forth the particulars of remarkable cures effected by the use of Pink Pills. There is scarcely a locality in Canada which has not furnished a case of more or less prominence, and if the particulars as stated, were not accurate, it would be impossible that the public would not find it out and thus the remedy would be discredited. There is therefore every ground to believe that the statements are accurate in every particular.

We have now been put in a position to verify one of these cases for ourselves, and we give the result faithfully, giving Pink Pills no word of praise not merited in the case. Messrs. F. Clarke & Co., druggists, of Meaford, who have sold very large quantities of these famous pills, drew our attention to the case, giving us the name of Mr. Henry Lamb, a well known and respected farmer of St. Vincent township. Having some acquaintance with Mr. Lamb we sought an interview, and the following is the substance of his testimony: "About 8 years ago I suffered from an attack of inflammation of the stomach, causing me extreme pain and uneasiness. I was attended by Dr. Clarke of Meaford, who brought me around, and I have always given him the credit of saving my life on that occasion. The effects of the attack however remained and I fell into a state of chronic poor health, which completely unfitted me for my ordinary work. I was really dragging out a miserable existence. I suffered for over seven years from a constant pain in my stomach, as well as from weakness and continued debility. I tried many advertised remedies which I thought might be suited to my case, but without relief. I at length decided to try Dr. Williams' Pink Pills. I soon felt the pain in my stomach relieved, and after I had used ten boxes the pain was entirely gone and I now feel like a new man. I can now work half a day at a time without fatigue, and as I am still using the pills I confidently expect, as I have every right to do from the great results thus far, to be able to do my work as formerly. I am 57 years of age, and before the attack eight years ago, I always enjoyed good health. I have stated my experience to many people and invariably recommend a trial of Dr. Williams' Pink Pills."

The above is the substance of Mr. Lamb's story, to which the Monitor may add that we consider him a reliable and trustworthy person who would make no statement which he did not know to be correct and truthful.

Dr. Williams' Pink Pills contain all the elements necessary to give new life and richness to the blood, and restore shattered nerves. They are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after effects of la grippe, palpitation of the heart, nervous prostration, all diseases depending upon vitiated humors in the blood, such as scrofula, chronic erysipelas, etc. They are also a specific for troubles peculiar to females, such as suppressions, irregularities, and all forms of weakness. They build up the blood, and restore the glow of health to pale and sallow cheeks. In men they effect a radical cure in all cases arising from mental worry, overwork or excesses of whatever nature.

Dr. Williams' Pink Pills are manufactured by the Dr. Williams' Medicine Co., Brockville, Ont., and Schenectady, N. Y., and are sold only in boxes bearing their trade mark and wrapper printed in red ink, at 50 c. a box, or six boxes for \$2.50, and may be had of all druggists, or direct by mail from Dr. Williams' Medicine Company, from either address.

A Married Woman's Description of What a Boy Should Be.

Editor of the Review:

In perusing the columns of your widely circulated paper I noticed A Girl's Description of a Boy dated Buctouche, April 1st, and signed Sweet Sixteen. Surely such a description of a boy is lowering the standard of noble manhood and womanhood. But as sin is a weakness, there is nothing in the world so abject as a guilty conscience, nothing so invincible as the sweeping tide of a God like indignation against all that is base and wrong. Vice cannot stand before Virtue's uplifted arm. When an evil goes unchecked it grows worse as do all sinful practices if not entirely eradicated. Now I will attempt to tell you a boy is not an animal beginning life in skirts and ripening into pants as was stated, but a boy is one of the noblest gifts of God, is a human being with a soul and if properly trained and properly cared for will grow up to be a light in this world, who will not bring derision on his own head or gray hairs to the heads of his parents. A boy should be respectful to his parents, brothers, sisters, superiors, equals and inferiors. Should avoid the bar-room, the cigar shop, and denounce all evil or profane language and obscene literature. A boy of this description is calculated to grow to be a man who will steer the Ship of State, be an intelligent tiller of the soil, or a servant of the Lord. "He that is great among you let him be your preacher." The advice of a maiden aunt should be listened to by all sixteeners whether they be boy or girl, as when a woman passes through forty or fifty cold winters they know whereof they speak. And we sympathize with the sweet sixteeners who would care to risk their bark with one who indulges in whiskey and Havana cigars to sail down the stream of life with. Surely she has no maiden aunt to give her that angelic counsel which maiden ladies are so capable of. Now we would close with one word of counsel to the Buctouche correspondent. Be Good. "For pleasures are like poppies spread, You seize the flower the bloom is shed, Or like the snowflake on the river A moment white, then melts forever." McNair, April 15th, 1895.

A Happy Choice.

AFTER 25 YEARS
A Wise Mother Chooses the Right Medicine, and Her Son Tells of Its Wonderful Effects.

GENTLEMEN,—In the spring of 1891 I got a bottle of B.B.B. for my mother, who had been troubled for 25 years with Sick Headache. I got it from Mr. H. Paxton Baird, of Woodstock, N.B., who gave me two other medicines to take home and let my mother take her choice. Fortunately she chose the B.B.B., and I returned the other bottles. She used it for three months and had no Headache since. We are sure it was B.B.B. cured her as she took no other medicine.

His Occupation.

A negro was on the witness-stand—one of the old-fashioned kind, not impudent, but plain-speaking. The lawyer got along fairly well until he asked the witness what his occupation was.

"I's a carpenter, sir."

"What kind of a carpenter?"

"They call me a jack-leg carpenter, sah."

"What is a jack-leg carpenter?"

"He is a carpenter who is not a first-class carpenter, sah."

"Well, explain fully what you understand a jack-leg carpenter to be," insisted the lawyer.

"Boss, I declar' I dunno how ter 'splain any mo' 'cept to say hit am jest de same diffunce 'twixt you an' er fust-class lawyer."—Youth's Companion.

Rheumatism Cured.

Rheumatism is caused by lactic acid in the blood attacking the fibrous tissues of the joints. Keep your blood pure and healthy and you will not have rheumatism. Hood's Sarsaparilla gives the blood vitality and richness and tones the whole body, neutralizes the acidity of the blood and thus cures rheumatism.
