

A Broad-Minded Doctor.

RELATES SOME EXPERIENCES IN HIS OWN PRACTICE.

Believes in Recommending Any Medicine that he Knows Will Cure His Patients - Thinks Dr. Williams' Pink Pills a Great Discovery.

"AKRON, Pa., April 24th, '95
Dr. Williams' Medicine Co."

GENTLEMEN,—While it is entirely contrary to the custom of the medical profession to endorse or recommend any of the so-called proprietary preparations, I shall, nevertheless, give you an account of some of my wonderful experiences with your preparation, Dr. Williams' Pink Pills for Pale People. The fact is well known that medical practitioners do not as a rule recognize, much less use preparations of this kind, consequently the body of them have no definite knowledge of their virtue or lack of it, but soundly condemn them all without a trial. Such a course is manifestly absurd and unjust, and I, for one, propose to give my patients the best treatment known to me, for the particular disease with which they are suffering, no matter what it is, where or how obtained.

J. D. Allright, M. D.

I was first brought to prescribe Dr. Williams' Pink Pills about two years ago, after having seen some remarkable results from their use. Reuben Hoover, now of Reading, Pa., was a prominent contractor and builder. While superintending the work of erecting a large building during cold weather he contracted what was thought to be sciatica, he having first noticed it one morning in not being able to arise from his bed. After the usual treatment for this disease he failed to improve, but on the contrary grew rapidly worse, the case developing into hemiplegia, or partial paralysis of the entire right side of the body. Electricity, tonics, and massage, etc., were all given a trial, but nothing gave any benefit and the paralysis continued. In despair he was compelled to hear his physician announce that his case was hopeless. About that time his wife noticed one of your advertisements and concluded to try your Pink Pills.

"He had given up hope and it required a great deal of begging on the part of his wife to persuade him to take them regularly."

"He, however, did as she desired, and if appearances indicate health in this man one would think he was better than before his paralysis."

"Why," says he, "I began to improve in two days, and in four or five weeks I was entirely well and at work."

"Having seen these results I concluded that such a remedy is surely worth a trial at the hands of any physician, and consequently when a short time later I was called upon to treat a lady suffering with palpitation of the heart and great nervous prostration, after the usual remedies failed to relieve, I ordered Dr. Williams' Pink Pills. The result was simply astonishing. Her attacks became less frequent and also less in severity, until by their use for a period of only two months, she was the picture of health, rosy-cheeked and bright-eyed, as well as ever, and she has continued so until today, more than one year since she took any medicine. I have found these pills a specific for chorea, or as more commonly known, St. Vitus' dance, as beneficial results have in all cases marked their use. As a spring tonic any one who, from overwork or nervous strain during a long winter has become pale and languid the Pink Pills will do wonders in brightening the countenance and in buoying the spirits, bringing roses to the pallid lips and renewing the fountain of youth."

Yours respectfully,
J. D. ALLRIGHT, M. D.

A man from Miramichi, N. B., arrived in Houlton a few days ago for the purpose of locating in that town. His goods were to arrive on the C. P. R. On Saturday he went to the station to ascertain if they had come, and when informed that they hadn't, asked the freight agent if he couldn't stop them, as since coming to Maine he had heard that there was going to be a big fire and he had decided to return to his Miramichi home.

Our Buctouche Letter.

BUCTOUCHE, Dec. 24.—We have lived to again see the eve of another anniversary of the birthday of the greatest man the world has ever seen, the man who is also the only begotten son of the incarnate God; we have also reached the eventide of another year and are approaching the birth of 1896. Then as we move within the period of the birth of the Saviour of our world and the birth of an always hopeful future, how heartily and how earnestly can we rejoice and make this time indeed a festive season. Now is the time to kill the fatted turkey or fatted goose, now is the time for the reunion of families now is the time for peace and good will to prevail, now is the time for the christian to be merry and to make glad, now is the time for the young and tempted to make earnest resolutions of uprightness, now is the time for those who have sacrificed their better feelings to the evil temptations to which they have succumbed during the past year, to stand uprightly side by side with their own consciences.

In short now is the time to retrieve the past with all its follies and to look the future honestly in the face. This represents the eve of the day on which Christ began his life as Man, this should be the eve of the day when we begin our lives anew as men in the fullest sense of the term. Many will make such resolutions with some these resolutions will bear good fruit, but alas, with the many the spirit of the resolution will be broken before many suns shall rise, yea, before many moons have waxed and waned, these good resolutions will be too often laid away neglected and forgotten until another year shall be with the past, then simply resurrected instead of born anew. From my many Buctouche readers, the writer asks that kindly forgiving spirit for anything written in the past that may have left its sting, as the writer has always only written what he has believed and still believes to be truth, no matter how much that belief may have differed from others. Each person has a perfect right to his individual belief or conviction and I honor that man who can, against odds, proclaim it untarnished and untainted. In wishing my readers a merry festive season and a happy and prosperous new year, I can say with the poet Longfellow,

"Let the dead past bury its dead,
Act, act in the living Present,
Heart within and God overhead."

Kingston Notes.

Mr. H. M. Ferguson returned from St. John on Friday.

Miss McPherson, of Picton, is the guest of Mrs. George Wilson.

Mr. Will Forster, of Moncton, spent Christmas with his relatives here.

Miss Maggie Stothart, of St. John, is spending the holidays here.

The Misses Fraser are spending their vacation at home.

Daniel McInerney, who has been attending St. Joseph's College, Memramcook, is at home.

Miss Mary A. Graham left for Boston on Monday last.

Miss Grace L. Orr, of the Kindergarten School, St. John, and Mrs. H. H. Warman, of Molus River, spent Christmas with their mother in Jardineville.

Mrs. A. James Girvan and Miss McInerney visited Buctouche last week.

Mr. Allen Smith, of the Merchants Bank of Halifax, Halifax, spent Christmas with his sister, Mrs. A. B. Carson.

Miss Jessie Mundle intends teaching next term at Point du Chene.

On account of the soft weather the ice has become unsafe and the smelt fishing has been seriously affected.

The many friends of Robert, son of Mr. Fred Peters, were surprised to hear of his death which occurred on Thursday last, after only a few days illness. The funeral took place on Sunday. The family have the sympathy of all in their bereavement.

The regular dance took place on Friday evening and everyone seemed to have a good time. The lunch by way of an extra was very nice, and we would not complain if it appeared on the programme each evening. The Kingston contingent turned out in a larger number than usual and we trust that they will all endeavour to be present on each occasion in the future. Among those present we noticed Miss McPherson, of Picton, Miss Orr, of St. John, Mr. Fraser, of New Glasgow, Mr. and Mrs. Robert Phinney, Mr. and Mrs. Charles Weeks, the Misses Ferguson, Miss Stevenson, Miss McFarlane and Messrs. Carter and Irving, of Richibucto.

A SUFFERING ARMY.**Borne Down by a Relentless Foe.**

The great army of sufferers from various rheumatic conditions joyfully welcome Chase's K. & L. Pills because the foster parents of their aches and pains are the Kidneys, which, on account of a diseased condition, are unable to relieve the blood of uric acid poison, which is deposited in the joints, producing on the first provocation irritating aches and pains in the bones, joints and muscles. The reason that Chase's Pills relieve and cure is their wonderful power in restoring degenerate Kidneys to a perfect and natural condition, without which the system is supplied with blood teeming with poison that adds fuel to the fire of rheumatic complaints, demoralizing the entire system and rendering it liable to a complication of diseases terminating in dropsy, diabetes, or Bright's disease. A pleasant feature of these Pills is that, while most Kidney remedies encourage constipation, Chase's relieve and cure it. In nearly all rheumatic attacks there exists constipation of the bowels, which is easily overcome by Chase's Kidney Pills; in fact, they are a perfect cure for constipation. This is endorsed by Edward Garrett, editor and proprietor of the Bradford, Ont., *Weekly Witness*, and thousands of others. One pill a dose, 25 cents a box. The cheapest medicine on earth. Sold by all dealers. Edman-son, Bates & Co., Toronto.

Little River Notes.

The condition of the roads is very bad, it being almost impossible for people to get around, but they have the advantage of the railroad which is well patronized.

Mr. John McDonald, of Wisconsin, has been visiting his parents after an absence of 14 years. His many friends were pleased to see him looking so well.

Mr. Douglas Hyslop paid Moncton a visit last week, we can imagine what he is after.

Mr. Boyce, of Mill Branch, is visiting his sister, Mrs. Samuel Biggs.

Mr. Win Ward left on Monday last for Boston to visit his family there.

Mr. A. Sheridan has closed operations for the winter at Buctouche, having earned some 15,000 pounds of wool.

Miss Atkinson, of Shediac, is visiting her friend Miss Theodora Sheridan.

Mrs. Wm. Gesner is recovering from a severe cold and cough, we are pleased to note.

Miss L. Wallace has been sick the past month but is now slowly improving.

Miss Alta Gesner has returned home looking well and is going to teach this school the coming term. We wish her every success.

The friends of Little River presented Mr. Ramsay with a donation and an entertainment was given by the young folk of the place. Music being furnished by Miss McKee and Miss McNair, after which refreshments were served. All returned home well pleased with the evening they had spent. The amount realized was \$23.00.

Mr. Leonard Wood has a fat beef ready for the U. S. A. market.

Some of our young gents have returned from Boston and we are looking for more every train.
