THE CAMPAIGN OPENED.

Since our last issue Sir Charles Tupper has issued his manifesto to the electors, expressing the utmost confidence that the government will be sustained at the polls. He bases his confidence on the national policy, the well-sustained credit of the country, the efforts made by the government to create a fast Atlantic mail service, to obtain cable connexion with Australia. to prepare for the country's defence and to settle on just terms, the Manitoba school question. Among other grounds for his confidence are also the alleged obstructive tactics of the opposition, their changing trade policies, and the danger to our manufacturing industries should the Liberal party come into power and un- mill has been sawing a few days, but no settle the existing protective tariff.

festo by entering in the campaign with mill which is to be built just inside th characteristic energy. He has set his or- ballast heap, ganizers to work in every province and Conservative nominations are being rapidly made from one end of the country to the other. Ten of these were made in Nova Scotia within a week, Sir Charles himself is going through the country like a whirlwind. He opened the campaign at Wirnipeg, whither he went for the purpose; thence he flies to Toronto to hold a monster meeting, aided by Mr. Foster; thence he swiftly swoous down, first on Montreal and then upon Quebec. These centres thus stirred by his energy and eloquence he will betake himself to Nova Scotia, and after rallying that province he will return to Ontario. Subsequent descents are to be made, we are told upon New Brunswick and P. E. Island-in fact the Conservative leader will be ubiquitous returning from church, the bridge is no during the fight.

On the other side Mr. Laurier and his lieutenants are busy. Great meetings Quebec, and he too will make a tour of THE REVIEW. Mrs. George Wilson had the principal centres of Canada before the lily which stood over six feet high an campaign is over. A principal event on gave six buds in March. Mrs. McDonal the Liberal side has been the action of Sir | had one which opened eight lovely bload Laurier in terms of strong endearment and has two windows filled with lovely flower confidence, and expressed his willingness which we often admire. There are other to become a member of the new govern- cases which we reserve for the future. ment which the Liberal leader is shortly to form! This will doubtless assist the Liberal campaign in Ontario, where the Conservative party is somewhat disintegrated by the defection of Dalton Mc-Carthy and the opposition of Clarke Wallace, McLean, Col. O'Brien and others to the remedial bill. The loss sustained by the death of Sir John Macdonald must be seriously felt at this crisis and makes the Mowat-Laurier alliance the more formidable from the want of a Conservative leader of the first rank in the big province.

In our own province the Liberals of St. John appear to have partially buried their differences and ratified the nominations of Messis. Ellis and Tucker. Hon. Mr. Mitchell has again been nominated in Northumberland with courage apparently unabated by his recent crushing defeat, and Hon. Mr. Blair has shown in a published interview an edge of unusual hostility to the action of the government in making Halifax the winter mail port to the exclusion of St. John. Some think this means that the attorney general will take the field as a candidate in Charlotte, Albert or Westmorland, but this is not

yet known. On the Conservative side Messrs Hazen and Chesley have been formally put in the field in St. John, while in Kings Judge Morton, as a prohibition and Conservative candidate, will fight hard to prevent Col. Domville from capturing Mr. Foster's old seat. Altogether there is such a rapid marshalling of the hosts on both sides throughout Canada as promises a stirring battle. Both parties are, as usual, confident, and few seats will be likely to go uncontested,

CARD

To the Electors of the County of Kent: GENTLEMEN,-The Dissolution of Parliament again imposes upon you the duty of electing a representative at Ottawa, and the Electoral Writs summon you to the discharge of that duty on the 23rd of

Permit me to thank you, heartily, for the confidence you reposed in me on the 6th of December, 1892.

The mandate you then so generously, confided to me, I return to you, unsullied. I have regarded it as a public trust, and have faithfully endeavored, within the measure of my ability, to discharge the obligations it laid upon me.

Believing that my experience of the last four years may be of some benefit to the Constituency in the future, I respectfully solicit a renewal of your confidence.

I submit for your approval that Policy -truly national-which has advanced the credit of Canada, fostered native indus tries, conserved the home market for our agriculturists and manufacturers, increased our Foreign Trade, and engendered that spirit of union without which national greatness is impossible. I favor:

Preferential Trade within the bounds

of the Empire; A Fast Atlantic Service; The Development of Agriculture; An Efficient National Defence;

The Encouragement of Immigration: The Admission of Newfoundland into this Confederation, and Justice to minorities whether in Quebec

or Manitoba. 1 support Remedial Legislation because with Sir Leonard Tilley, "I look at it as a solemn compact between the Parliament of Canada and the people of Manitoba."

It is the decision of the highest Court

in the Empire. It is a constitutional guarantee of the rights of Provincial minorities-Protestant as well as Catholic-and the highest

patriotism inspires and compels respect for the letter and spirit of the Constitu-I confidently, await your enlightened and unprejudiced approval of the moderate attitude I have taken on this

I will attempt, at public meetings to discuss the political issues of the day, and endeavor to see as many of you, personally, as possible.

Again soliciting your support, I am, Gentlemen, Your Obedient Servant, GEORGE V. McINERNEY. Richibucto, N. B., May 12th 1896.

Since 1810.

There is not a medicine in use today which possesses the confidence of the public to so great an extent as Johnson's Anodyne Liniment. For more than eighty years it has stood upon its own intrinsic merit, while generation after generation have used it and transmitted the knowledge of its excellence to their children as a valuable inheritance. The best evidence of its value is the fact that in the state where it originated the sale of it is steadily increasing.

I. S. Johnson, Esq. My Dear Sir:—Fifty years ago this month your father. Dr. Johnson, called at my store and left me some Johnson's Anodyne Liniment on sale. I have sold it ever since. I can most truly say that it has maintained its high standard and popularity from that time to this.

JOHN B. RAND, North Waterford, Maine, Jan., 1891.

I have used your Johnson's Anodyne Liniment for more than fifty years in my family. Have used it for colds, coughs, sore throat, stings, cramps, sore stomach, rheumatism, lameness, colic, toothache, neuralgia, etc., and found it always good every way. I would not let my house be without it. I am a man 71 years old. Johnson's Liniment is my family remedy. Thomas Cleland, So. Robbinston, Me.

This certifies that Dr. A. Johnson, whose name is signed to every genuine bottle of Johnson's Anodyne Liniment, in the month of Jan., 1840, first left at my store some of the same. I have supplied my customers with it ever since, (over fifty years) with increasing sales. I have used it in my family for sprains, coughs, colds, lame back, and consider it the best.

JABEZ KNOWLTON, Newburg, Me.

The Doctor's Signature and directions are on every bottle. If you can't get it send to us. Price 35 cents; six \$2.00. Sold by Druggists. Pamphlet free. I. S. JOHNSON & Co., 22 Custom House St., Boston, Mass., Sole Proprietors.
