

# CASTORIA

for Infants and Children.

**MOTHERS, Do You Know** that Paregoric, Batenman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

- Do You Know** that opium and morphine are stupefying narcotic poisons?
- Do You Know** that in most countries druggists are not permitted to sell narcotics without labeling them poisons?
- Do You Know** that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?
- Do You Know** that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?
- Do You Know** that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?
- Do You Know** that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and he assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?
- Do You Know** that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?
- Do You Know** that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?
- Do You Know** that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of *Chas. H. Pitcher* is on every wrapper.

Children Cry for Pitcher's Castoria.

"Be not wise in thine own eyes: fear the Lord, and depart from evil."

**Love Thyself Last.**  
Love thyself last. Look near; behold thy duty.  
To those who walk beside thee down life's road;  
Make glad their days by little acts of beauty,  
And help them bear the burden of earth's load.  
Love thyself last. Look for and find the stranger  
Who staggers 'neath his sin and his despair;  
Go lend a hand and lead him out of danger,  
To heights where he may see the world is fair.  
Love thyself last. The vastness above thee  
Are filled with Spirit Forces, strong and pure.  
And fervently, these faithful friends shall love thee;  
Keep thou thy watch o'er others, and endure.  
Love thyself last; and oh, such joy shall thrill thee  
As never yet such selfish souls was given.  
Where'er thy lot, a perfect peace will fill thee;  
And earth shall seem the ante-room of Heaven.  
Love thyself last; and thou shalt grow in spirit  
To see, to hear, to know and understand  
The message of the stars, lo, thou shalt hear it,  
And all God's joys shall be at thy command.  
Love thyself last. The world shall be made better  
By thee, if this brief motto forms thy creed.  
Go follow it in spirit and in letter,  
This is the Christ religion which men need.

The man who begins by drinking sometimes may end by having to drink all the time.  
Better stay in bed all day than get up early to drink.  
Wine opens the damper to let all the fires of evil in a man burn:  
There is no sin that a man inflamed with wine may not commit.  
When a man gets up early in the morning to drink he is apt to spend the day in doing nothing else.  
Whoever forms the drink habit gives the devil a mortgage on his sleep.  
The sparkle in the wine is made by one of the devil's sharpest teeth.  
When the devil would run his claws clear through a man and clinch them on the other side he makes him believe that moderate drinking won't hurt him.  
A brewer's horse fares better than a drunkard's child.  
Appetite for drink is the devil's iron chain on the drunkard's neck.  
Many a man puts his family in the dark to help the saloon pay its gas bill.  
Every moderate drinker is leading an army of boys toward the pit.  
The earliest time to let drink alone is before the first drink is taken.  
Bridget starts her fire with coal oil. The devil uses alcohol.  
If there is joy in heaven when a sinner repents, what happens when a boy goes into a saloon?  
If you would teach children to hate drink give them the first lesson before they leave the cradle.  
The first glass has the most poison in it.  
A drunkard's throat has no bottom to it.  
The devil agrees with the man who claims he can drink or let it alone.
