

FIRE AT COCAGNE.—At Cocagne last Wednesday, Babineau's grist mill, shingle mill and blacksmith shop were completely destroyed by fire. It is not known how the conflagration originated. The loss will be heavy as there is no insurance.

A NEW VARIETY OF POTATO BUG.—The Sussex Record says:—Mr. Joseph Yeomans, of Upper Cooner, is showing what is said to be a new species of potato bug. The insect is much more active than the one that has done so much damage to potato fields in the past, and if the destructiveness of the new kind is to be measured by its activity as contrasted with the old species, then we say much greater danger exists for the safety of potato fields than ever before. At this writing we have not learned what effect Paris green has on this new comer.

KENT COUNTY COURT.—The July term of the Kent County court opened on Tuesday, Judge Wells presiding. The following petit jurors were in attendance: L. J. Wathen, E. B. Buckfield, Henry Hickey, Duncan Stohart, Geo. W. Raymond, C. D. Robicheaud, Ange. Barriault, Germain N. Goguen, Hypolite Bourgeois, C. M. Cormier, Geo. A. Coates, and Antoine D. Boudreau. The only case to have been tried was Malcolm McKinnon of Richibucto vs J. W. Steeves, of Petitcodiac. Mr. W. D. Carter for ptf. and Mr. A. H. Yeomans, of Petitcodiac for dft. The case was settled before court opened. The court was simply opened and adjourned.

JUNE WEDDING.—The marriage of Mr. Herbert M. Buckley, of Harcourt, N. B., to Maggie, eldest daughter of the late John Devereaux, of Belledune, N. B., took place here on Monday morning at 5.30 o'clock, the nuptial Mass being celebrated and the ceremony performed by Rev. Mr. Vande Moortel, P. P., Miss S. Buckley presiding at the organ. The groom was supported by his brother, William F. Buckley, and the bride, by her friend Miss Leah MacDonnell, of Jacquet River. After a recherche breakfast at the residence of the bride's mother, they drove to the I. C. R. depot where they took the Accommodation for their future residence, Gloucester Junction Station, of which the much-to-be-envied man is agent. Numerous and valuable presents were given by her Pupils, of the Public School here, by Members of the Church Choir, of which she was organist, and many other admiring friends.—Advocate.

SHOOTING AFFAIR.—John McKane, agent of the Merchants' Bank at Newcastle, and Norman McKenzie, druggist, were at the Waverly hotel, Newcastle, at 4 o'clock Monday morning. They were making some noise when Dr. Baynon, of New Orleans, a guest at the house, requested them to make less noise and allow him to sleep. This seemed to have angered the two, who followed Baynon to his room and gave him a severe beating, in the midst of which he drew a revolver and fired on them. One ball left a mark along the top of McKane's head and the other two took effect in McKenzie's wrist and shoulder. The latter is in a very critical condition and it is feared he will die. Dr. Baynon went and gave himself up immediately and was admitted to bail. The examination will be held before Police Magistrate Nevin on Wednesday.

SAD DROWNING ACCIDENT.—A very sad drowning accident happened near the end of Casey Cape at ten o'clock on Saturday morning. Theodore Casey, a young man of 24 years being the victim of the fatality. The young man had been engaged in fishing lobsters and on the return of the boats from the morning visit to the traps Mr. Casey and a companion proceeded to take two of the boats to a sheltered spot at a little distance from the factory. The unfortunate Casey was in the hinder boat and the wind being very light at the time he was standing up in the stern of his boat managing it, when, it is supposed, the sail suddenly swung around and knocked him into the water for the next instant his friend heard cries for help, and looking round, he saw the unfortunate man struggling for his life. Mr. Casey's companion immediately brought his boat about and steered for his friend, but the wind was so light and the boat consequently so slow in reaching the spot that the unfortunate man sank before the aid reached him. Searching parties were immediately organized but the body has not yet been found. Mr. Casey was single and was a son of Damien Casey. He was of a mild and even temperament and of a cheerful and pleasant disposition and was very popular among his acquaintances to whom his sudden death was a terrible blow.

STRAIGHT AS AN ARROW TO THE MARK.

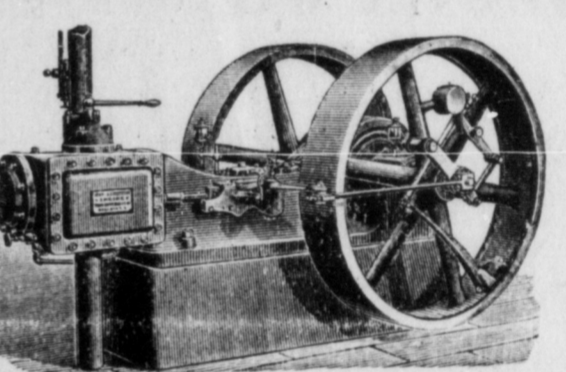

In all diseases that affect humanity there is some weak link in the chain of health, some spot that is the seat of the trouble. It may be the liver, it may be the stomach; perhaps it is the bowels or the kidneys; most likely it is the blood. Burdock Blood Bitters goes straight to that spot, strengthens the weak link in the chain, removes the cause of the disease, and restores health, because it acts with cleansing force and curative power upon the stomach, liver, kidneys, bowels and blood.
With good red blood health is assured, without it disease is certain to come and Burdock **BLOOD BITTERS** is the only remedy that will positively remove all blood poisons. In ulcers, abscesses, scrofula, scrofulous swellings, skin diseases, blotches, old sores, etc., B.B.B. should be applied externally, as well as taken internally according to directions.

THE WIDE, WIDE WORLD
London, July 4.—A letter from Mr. Gladstone is published to-day denouncing the whole increase of expenditure on armaments as wild, wanton and perilous; but it fails to evoke any sympathy. The public is more moved by a serious article from the pen of Sir Charles Dilke, just published, predicting that Great Britain, single handed is destined to engage in a great struggle against Germany, Russia and France combined. The fight, he claims, may come at any time within a decade, ostensibly about Egypt; but really on account of jealousy of Great Britain's colonial expansion. Therefore Sir Charles urges Great Britain to hold herself free from any alliances which might only prove illusive, and devote herself to the development of her defenses.
