DUNN MEDICINE CO.

I have used your Dr. Kilburn's Blood and Nerve Pills and your Dr. Baymond's Rheumatic Lincture for rheumatism in my arms, shoulders and neck. I was so bad with rheumatism that for a long time I could not put on my coat without help, but now, thanks to your valuable medicine, all is changed. I can dress without help and I feel better in many ways and the rheumatism is completely gone, and that with the use of only one box of pills

and one bottle of Lincture. I am an old man, seventy-seven years old, and have been troubled with rheumatism for seven years and latterly I hardly expected to get anything to help me, but your medicine has done the work for me in good shape. I have tried many different kinds of medicine and was at last aided by a doctor for six months in Vancouver, B. C., but nothing helped me until I got your medicine. I am yours, etc.
