

A Leading Horseman's Opinion

Few men in Canada are better known, or whose opinion will have greater weight with the horse-loving public, than A. L. SLIPP, Nova Scotia's famous trainer and driver.

J. W. MANCHESTER & CO.,
Sirs,—Manchester's Tonic Condition Powder and Veterinary Liniment are the best Horse medicine I ever used.

A. L. SLIPP,
Mr. Slipp owns and drives horses worth thousands of dollars, and when he uses medicine wants the best; he wants the best prepared by qualified Veterinarians, not by quacks; YOU WANT THE SAME.

Sold by all Druggists and Country Merchants, or sent post paid on receipt of 25 cents.

IN THE SHADOW OF DEATH

THE CONDITION OF MANY YOUNG GIRLS IN CANADA.

Pale Faces And Bloodless Lips—Given To Headaches—Extreme Weakness, Heart Palpitation and Other Distressing Symptoms—The Means of Cure Readily at Hand.

From the Leamington Post.

The attention of the Post has lately been frequently called to a remarkable cure in the case of a young girl living within a few miles of this town, whose life was despaired of, but who was completely cured in a short space of time by the most wonderful of all remedies Dr. Williams' Pink Pills. Since reading in almost every issue of the Post of the cures effected by the use of this medicine, we felt it to be a duty we owed to investigate this case which has so urgently been brought to our notice, and we are sure the interview will be read with interest by the thousands of young girls all over Canada, as well as by the parents of such interesting patients. The young lady in question is not anxious for notoriety, but is willing to make her case known in order that others who are similarly afflicted may have an opportunity of being equally benefited.

The symptoms in her disease differed in no way from those affecting thousands of young girls about her age. She was suffering from extreme weakness, caused by an impoverished condition of the blood and her chances of life seemed to grow less every day. The best and brightest faded away as well as others, but when we see a young girl of sixteen years, who should be in the best of health, with cheeks aglow with the rosy flush of youth, and eyes bright and flashing, just the opposite with sallow cheeks, bloodless lips, listless in every motion, despondent, despairing of life with no expectation or hope of regaining health, and with only one wish left, that of complete rest physical and mental, we think it one of the saddest of sights.

In the quiet little hamlet of Stranfield, in Essex County, just such a case was presented to the sorrowing eyes of loving friends a few months ago in the person of Miss Ella Beacon, who frequently said she did not care how soon she died, as life had no charms for her. To our reporter she declared that life had been a burden, but after suffering in this way for months, and after trying all sorts of remedies prescribed by physicians or furnished by friends from some cherished recipe handed down from their grandmother, but without being benefited in the least, she was at last persuaded by a neighbor to give Dr. Williams' Pink Pills a fair trial; but she had tried so many remedies without getting relief that she still refused for some weeks. However, after repeated urgings by her parents and friends she began the use of the pills. Before one box was taken she experienced some relief, and after the use of a few more boxes she was restored to perfect health, and there are few young girls now who enjoy life more. She says she owes her life and happiness to Dr. Williams' Pink Pills, and is willing that all the world shall know it. Her case attracted much attention and her perfect recovery has created much comment.

The facts above related are important to parents, as there are many young girls just budding into womanhood whose condition is, to say the least, more critical than their parents imagine. Their complexion is pale and waxy in appearance, troubled with heart palpitation, headaches, shortness of breath on the slightest exercise, faintness and other distressing symptoms which invariably lead to a premature grave unless prompt steps are taken to bring about a natural condition of health. In this emergency no remedy yet discovered can supply the place of Dr. Williams' Pink Pills, which build anew the blood, strengthen the nerves and restore the glow of health to pale and sallow cheeks. They are a certain cure for all troubles peculiar to the female system, young or old. Pink Pills also cure such diseases as rheumatism, neuralgia, partial paralysis, locomotor ataxia, St. Vitus' dance, nervous headache, nervous prostration, and the effects of the grippe, influenza and severe cold, diseases depending on humors in the blood, such as scrofula, chronic erysipelas, etc. In the case of men they effect a radical cure in all cases arising from mental worry, overwork or excesses of any nature.

Catarrh and Colds Relieved in 10 to 60 Minutes.

One short puff of the breath through the Blower supplied with each bottle of Dr. Agnew's Catarrhal Powder diffuses this powder over the surface of the nasal passages. Painless and delightful to use, it relieves instantly and permanently cures Catarrh, Hay Fever, Colds, Headache, Sore Throat, Tonsillitis and Deafness. All druggists. Sold by W. W. Short.

Remarkable Facts of Memory.

Morton, a celebrated Irishman, could repeat from memory any discourse he had once listened to; whilst Schenkel, who invented one of the "arts of memory," could repeat three hundred arbitrarily connected words, and over two hundred sentences, all in the same order in which he had heard them.

It is said of Florentine Magliabecchi that he could not only remember the entire contents of any book he had read, but he could give at once the number of the page upon which any quotation therefrom occurred. This marvel of his age could also describe in minute detail every place he had once visited.

Some minds have a wonderful capacity for imbibing languages. Perhaps the most extraordinary of these the world has ever seen was the case of Mezzofanti. This genius was the son of a carpenter, but in early youth was adopted by a priest who had him educated for the priesthood. Before the completion of his University career Mezzofanti had completely mastered the Latin, Greek, Hebrew, Arabic, Spanish, French, German, and Swedish languages.

In 1841, Guido Gorres wrote that Mezzofanti could read and write forty different languages; and it is stated that he was at different times taken to be a Portuguese and an Englishman, by inhabitants of these respective countries. Before his death Cardinal Mezzofanti was acquainted with between seventy and eighty different languages.

AT TWO HOSPITALS.

Five Years In The Toils—Nothing but Dodd's Kidney Pills could touch the Spot

BRUSSELS, Nov. 23 (Special)—Mr. W. P. Jackson a telegraph operator of this place has had an experience which should be, when known of value to every man in Canada. He says:—Without relief for five years, I have gone from bad to worse with kidney disease. Have been treated at two hospitals—Chicago and Montreal, and took the hot spring course all to no purpose. I have taken doctors advice and their medicines with the same result. My cure commenced as soon as I started taking Dodd's Kidney Pills, and after taking ten boxes I am happy to say that my cure is perfect.

It Was Too Mean.

"I think it just too mean, so I do." Eve sobbed as Adam tried to comfort her as a comforter should.

"Waste mas'er wiz my ownest own tootsie?" he inquired.

Tears poured from her eyes and into his watch, causing Adam to nervously remove his chronometer and place it on the sofa beside him for fear the delicate works would be run.

"You are the only man in the world," said Eve, between her tears, "and I am not sure that I love you as much as I might love another, and then I can't make you jealous by receiving attentions from some one else. This new woman business is not altogether desirable."

No woman has since suffered as she did.

Absent-Mindedness.

Professor Dusel, of Bonn, noticed one day his wife placing a large bouquet on his desk.

"What does all this mean?" he asked.

"Why, this is the anniversary of your marriage," replied Mrs. Dusel.

"Is that so? Well, let me know when yours comes round and I'll reciprocate."

WHY THEY DO NOT PASS.

Kidney Disease Prevents Hundreds of Apparently Healthy Men from Passing a Medical Examination for Life Insurance.

If you have inquired into the matter you will be surprised at the number of your friends who find themselves rejected as applicants for life insurance, because of kidney trouble. They think themselves healthy until they undergo the medical test, and they fail in this one point. South American Kidney Cure will remove not alone the early symptoms, but all forms of kidney disease, by dissolving the uric acid and hardening substances that find place in the system. J. D. Locke, of Sherbrooke, Que., suffered for three years from a complicated case of kidney disease and spent over \$100 for treatment. He got no relief until he used South American Kidney Cure, and he says over his own signature that four bottles cured him. Sold by W. W. Short.

While deer hunting near Pine Tree harbour, on the Saugeen peninsula, young Royal Gawley, of Spry, shot his brother Richard, mistaking him for a deer. The bullet entered the shoulder, going through the lungs, the unfortunate man dying in a few hours.

Easy Cured.

Drunkenness, Morphine and Tobacco habit are easily cured by the use of Hill's Chloride of Gold Tablets. No effort required of the patient, who is allowed the use of stimulants until he voluntarily quits their use. May be given secretly in tea or coffee and a cure guaranteed in every case. For sale by all first-class druggists at \$1.00 per package. For full particulars and book of testimonials address The Ohio Chemical Works, Lima, Ohio.

H. J. Lisle, representing Ganong Bros., St. Stephen, N. B., says: "Chase's Ointment cured me of a very stubborn case of Itching Eczema. Tried everything advertised, several physicians' prescriptions without permanent relief. Know of several cases of Itching Piles it has cured."

Beaufort, July 4, 1894.—I consider Dr. Chase's ointment a God-send to anyone suffering from piles, itching scrotum or any itching skin disease. It is so effective that I feel from the first application.—J. N. KEGGAN.

LIFE INSURANCE AT COST.

The Mutual Reserve Fund Life Association of New York issues life policies at about half the old line rates, and returns to the policy holders at the end of ten years the earnings of their share of the reserve which makes it the cheapest life insurance in the world, considering the security offered. The company has a reserve fund of \$3,700,000 and have paid to deceased policy holders upwards of \$19,000,000. Lieut. Col. James Domville, 134 Prince Wm. Street, St. John, is manager for the Maritime Provinces. James T. Kirke, Special Traveling Agent for N. B.

P. S.—Some desirable territory for Agents may yet be secured.

CARRIAGES.

We are prepared to offer to the public, Carriages, Track-wagons, etc., at lowest prices consistent with the quality of our work.

By purchasing from us, customers can save the large amount of commission usually paid to agents who handle imported articles. And another inconsiderable item is the freight on goods brought from a distance. We propose to give our customers the benefit of this saving.
