

LOST.—A vest, on the way from Mr. Donald McBeth's to Kingston, on the hot Wednesday about three weeks ago. Finder kindly leave it at Mr. Brait's, Kingston.

REV. W. LAWSON.

ROGERSVILLE PICNIC.—Great preparations are being made for the picnic to be held at Rogersville on Saturday, September 5th. Those who attend are promised an enjoyable day. One fare ticket good to return on Monday will be issued. The K. N. R. will run an excursion train to accommodate those wishing to attend.

A RESTIGOUCHE MAN KILLED AND ANOTHER BADLY WOUNDED.—A number of men were engaged taking down the Music Hall Block, Eau Claire, Wis., on the 17th ult., when it collapsed and killed several men and badly bruised many. Mr. William Dean is among those who were killed, and his brother James among the wounded. They are natives of Restigouche, and well known in the county.

FIRE AT SHEDIAC CAPE.—At Shediac Cape last Wednesday night, Mr. Wm. Glendenning's house was burned to the ground. The fire started from a defective flue and made considerable headway before being discovered. The neighbors turned out to a man and every effort was made to save the building but they were powerless to extinguish the flames owing to the insufficient water supply. It is understood there was no insurance.

MRS. WALLS' ESTATE.—A fairy tale is going the rounds of the press in respect to the estate of the late Mrs. Elizabeth Walls, milliner, of Obatham. It is placed by our imaginative contemporaries at \$70,000. Her real estate, cash, mortgages, and stock in trade amount to about \$5,600. There are book debts due her, and some trade debts due by her, which will probably about balance each other.—World.

THREE OF A KIND.—At the depot on Wednesday night, upon the departure of Hon. A. G. Blair for Ottawa, there were three men who would be hard to match in size in almost any general gathering. They were Mr. D. C. Fraser, of Guysboro, weight 295 pounds; Mr. J. Bowes, weight 290 pounds, and Dr. Bruce, who sends up the beam at about 260. The three stood together near the end of the car, and many comments were made on their size, when the Guysboro giant humorously remarked: "Nemo nos impune lacessit"—Telegraph.

PICNIC AT DUNDAS.—The Coatesville and McLaughlan Road S. of T. divisions held a picnic at Dundas on Aug. 27th., which was very largely attended. A large number of people from Moncton and Lewisville went through and spent a very enjoyable time. There were numerous amusements on the grounds in the afternoon, after which a free supper was given to all, and much appreciated. Then the crowd went to the school house where there was one of the best entertainments that could be possibly gotten up. Truly the members of both divisions that participated deserve credit for the elegant manner in which they carried out their parts. Mr. Albert S. Coates presided at the entertainment in the evening.—Transcript.

FIRE AT NEWCASTLE.—Fire broke out in D & J Ritchie's mill Newcastle about 11 o'clock Friday night. The fire was discovered by the watchman about one of the gangs in the mill. He immediately gave the alarm, but within a very few minutes the whole mill was ablaze. The town turned out and did what they could to save the property and most of the lumber on the wharf was saved. Two vessels loading at the wharf, the Valona, belonging to the firm, and the Svea, a Norwegian barque, were towed to safe anchorage by the steamer Rustler, Capt. Russell. The Valona is badly damaged. The two vessels had on board about \$20,000 worth of lumber. The mill and all the machinery was destroyed and considerable damage was done to the wharf. The total loss is between \$40,000 and \$50,000; insurance, \$12,000. The companies insured in are the Liverpool and London & Globe, Hartford, Lancashire, E. N. Imperial, and Union. The fire throws out of employment about 400 men.

YESTERDAY'S BOAT RACE.—The boat race in connection with the Kingston picnic yesterday, was a very pretty one. There was a fresh breeze from the north west which made a lead both ways. The following boats started: Viking, entered by Alex. Fraser, driver; Jack R., Gus Fraser; Wellington, Thos. Thompson; Helen M., Geo. Amiraux; George C., Bert Michaud; Robert C., Curwin & Holleran; Ocean Bride, Jas. Graham; Kickapoo, R. O'Leary. The race started from Kingston bridge about 10 o'clock a. m., and sailed down river, turning the red picket near Caie's Block, thence back to place of starting. Viking took 1st prize, George C., 2nd, Robert C., 3rd and Ocean Bride, 4th. The prizes were \$12.00, 8.00, 6.00 4.00

CONCERT.—Friday evening's concert was a decided success and was much appreciated by the large audience present. The best of order prevailed throughout the evening. The piano selections were of the highest order and splendidly rendered and were enjoyed by all. Miss Sylvia Black's performance on the violin was exceedingly good and reflects much credit upon that young lady. The instrumental Trio was lovely and said by many to be the gem of the evening. The singing was exceptionally good. Those Scottish Songs "Oh for the bloom of my own native heather" and "Call'er Herrin" by Mrs. Douglas were perfect and received hearty encores which were gracefully responded to and "Bonnie Prince Charlie" and "Comin thro the Rye" were nicely rendered. Mrs. James, always a favorite with Richibucto audiences received a most hearty and cordial reception. "Pilgrim Fathers" and "Bid me Good Bye," as sung by her were splendid, "Ting a Ling a Ling" brought down the house. "The Holy City" by Miss Sylvia Black, "Within a mile of Edinburgh Town" by Mrs. Phinney, "Promise me" by Miss Davidson and "The Song that reached my heart" by Mr. A. C. Storer were well rendered and received much hearty applause. Miss Blackwood's Elocution completely captivated the audience. Her rendering of "The Gypsy Flower Girl" was grand and received an earnest and well merited encore but we regret to say was not responded to. The entertainment was brought to a close by the playing of "God Save the Queen," by the Band.

—Mr. McMurray, who for the last 14 years has been engineer of the dredge, Canada, has become master of the new dredge, Cape Breton, now at Shediac. Mr. Henry Clark succeeds Capt. McMurray as engineer of the Canada.

—The dog poisoner got his work in on a dog belonging to James Fitzpatrick on Tuesday. It seems a pity that the person or persons who are in the habit of scattering deadly poison about in this way cannot be discovered and made an example of.

—Pilot Wm. Irving who has had charge of the dredge Canada since she has been operating here was taken ill on board the vessel one day last week and had to be brought to town. It was a case of Cholera. Mr. Irving who is at his sisters Mrs. G. McKinnon, is very little improved.

—"Snowflake cycling tweeds" is a name given to a dress material that comes in shades of brown and grey with flecks of different colors mixed through it. This cloth makes up in very "taking" suits and is only 60c a yard. See Daniel & Robertson's advertisement to-day.

—The government dredge, Canada, which has been operating in the Albion channel since early in the season, has completed her work and sailed for Pictou on Friday. The new channel made by the dredge is about 15 ft. deep at high water and is about one hundred feet wide. It is straight and easy to enter at night as the two beacons ranged lead clear of the shoals on either side.

—Capt. Dahl, of the Nor. bark Handy which loaded at Dalhousie last week reports that while taking soundings on the banks of Newfoundland his lead brought up a nugget of gold which assayed \$2.00 worth of precious metal. Capt. Dahl thinks he has found a gold mine. He says he can locate it at any time. The Handy was the first vessel loaded here last spring.

—The church wardens and vestry beg through THE REVIEW to tender their hearty and sincere thanks to all those who so kindly assisted in Friday evening's concert and take pleasure in reporting the affair a splendid success. \$61.00 was the sum realized, after paying \$6.00 expenses. The remaining \$55.00 will be added to the fund for repair of Rectory.

—The Christian Endeavor County Convention of Restigouche, met in the church Maple Green, on the 25th ult., and held two sessions, the Rev. A. F. Carr, President. STRAIGHT AS AN ARROW

TO THE MARK.

In all diseases that affect humanity there is some weak link in the chain of health, some spot that is the seat of the trouble. It may be the liver, it may be the stomach; perhaps it is the bowels or the kidneys; most likely it is the blood. Burdock Blood Bitters goes straight to that spot, strengthens the weak link in the chain, removes the cause of the disease, and restores health, because it acts with cleansing force and curative power upon the stomach, liver, kidneys, bowels and blood.

With good red blood health is assured, without it disease is certain to come and Burdock

BLOOD BITTERS

is the only remedy that will positively remove all blood poisons. In ulcers, abscesses, scrofula, scrofulous swellings, skin diseases, blotches, old sores, etc., B.B.B. should be applied externally, as well as taken internally according to directions.
