

LOCALS

LOST.—Between Kingston and East Galloway, a lady's cape. The finder will confer a favor by leaving it at W. F. Girvan's, Kingston.

'S. OF T.—In Richibucto Div., Sons of Temperance, No. 42, the officers for the ensuing quarter are as follows:—Allen Hains, sr., W. P.; John Scott, sr., W. A.; Florence A. Cair, R. S.; Margaret Barnard, A. R. S.; Robert W. Beers, F. S.; Robert Phinney, T.; Rev. Wm Lawson, Chaplain; Robert Barnes, C.; Albert Michaud, A. C.; Frank Pine, I. S.; Odber K. Black, O. S.; W. A. Cowperthwaite, P. W. P.; Maud Hains, Organist; Florence A. Cair, S. Y. P. W.

A PROBLEM FOR BOAT BUILDERS.—The Richibucto trap boat, represented here by Mr. Thomas McFarlane's Nancy Hanks, is remarkably fleet off the wind. She outruns any of the local yachts with lifted sheets. But on the wind, she is not in it with the slowest of them. Here is a chance for a designer to produce something very fast by combining the running qualities of the Richibucto type with the weatherliness of our fastest yachts.—Chat-ham World.

WEDNESDAY.—The Church of St. Anthony was the scene of a pretty wedding on Monday at 8.30 a. m. The contracting parties were Miss Mary daughter of Aime Robichaud and Peter Landry of St. Mary's. As the bridal party entered the church, Beethoven's Grand March was played by Mr. Tom Allain and after the ceremony "Lowell Band March" Dinner was served at the brides home. Among the invited guests we remarked, Rev. H. Ouillet, P. P. Mr. and Mrs. Laudy, St. Mary's. Mr. and Mrs. Andre Cormier. Mr. and Mrs. T. Langis, Mrs. Alfred White, Bathurst. Miss Tilla Melanson, Bathurst. The bride was the recipient of many handsome presents.

MOLLY.

LAST THURSDAY'S RACES.—The races in the Kent driving park advertised for Wednesday were postponed on account of the heavy rain, to Thursday, at 2 o'clock p. m. The weather was beautiful, the track was in good condition, and there was a fair attendance. The following horses started in the 2.40 class: Annie J., Robert Wood, Montrose Dot, Lady Wallace. Milton Swift, 7 heats were required to decide the race. Robert Wood was awarded 1st prize, Annie J., 2nd, and Milton Swift, 3rd. Lady Wallace was withdrawn after the second heat. The following is a summary of the heats:

Table with 5 columns: Name, Heat 1, Heat 2, Heat 3, Heat 4. Rows: Robert Wood, Annie J., Milton Swift, Montrose Dot, Lady Wallace.

The time was: 1st heat, 2.42; 2nd heat, 2.48; 3rd heat, 2.47; 4th heat, 2.47; 5th heat, 2.44; 6th heat, 2.46; 7th heat, 2.48.

COLT RACE.

The following 2 year olds started: Guy J., owned by E. E. Johnson, Tribby, "W. D. Carter, Alpha, "W. A. Ferguson, Burdock, "James Jardine, Goldleaf, Jr., "M. Lanigan.

Guy J. was awarded 1st prize, Burdock, 2nd, and Alpha, 3rd. The above was half mile heats, best 2 in 3. Below we give the heats as trotted:

Table with 4 columns: Name, 1st, 2nd, 3rd. Rows: Guy J., Burdock, Tribby, Goldleaf, Jr.

Time, 1.49, 1.46, 1.50. The judges were Drs. Doherty and Bourque and L. T. Joudry, of Moncton, was starter. Messrs. Martin Lanigan and R. A. Irving were time-keepers and Jas. Jardine, clerk. Mr. R. Hebert broke two sulks. The judges threatened to fine Mr. Hebert for crooked driving, but as the fine would go to himself as manager, they let it go.

BLOOD W. TELL.—Just think of it. Four two year olds, all well matched, the get of one horse—contesting a race on the Kingston Driving Park, on October 1st, and while the track might not be considered very heavy for a matured trotter, it certainly was for youngsters. I heard one driver stake that he had a small sum that said Guy J. could trot in 3:04 that day. Mr. William Jardine deserves much praise for the selection he made of a Sire, for while any man with money can go into the United States and purchase a horse with the best strain of blood, it does not follow that such a horse is going to uniformly produce trotters as "Allyone" has done. We could mention some two year olds, same stock, that did not compete, that are considered the equal of those that did, as they have been known to speed by some of those that divided the money. Why do not more of our farmers avail themselves of the services of this animal?

It is to be hoped they will, now that he has proved himself, as it is much more important to select a speed producer than a Sire who may himself be capable of winning money on the race-course. It is a well-known fact that some of the most valuable progenitors were not worth anything as racers. It is a pity we had not a few more from Goldleaf, as his only representative at the races was a good one, and a credit to Mr. Martin Lanigan, his owner. Goldleaf was not a trotter.

Do Not Heed the Warning

The Plain Reason Why Heart Disease Claims Many Victims. If the many who, in some degree, are troubled with affection of the heart, would but keep near them a remedy that would ease trouble before it assumes more serious conditions, life would many a time be saved. This one of the most striking elements of Dr. Agnew's Cure for the Heart. When palpitation, dizziness, that terrible smothering feeling, shows itself, a single dose of this medicine taken promptly, will remove the immediate trouble, and a little perseverance in the continuation of the medicine will banish the disease.

DEATHS

LEGER.—At Cocagne, Que., 23rd inst. at the age of 64, Dame Madeleine Cormier wife of Jean Pierre Leger, leaving a husband and four children.

Killed in the Northwest

The Winnipeg Tribune of a recent date has the following paragraph concerning the death of a former Kent Co. man:—

"On Friday last an unfortunate accident happened at the Glacier House, whereby a C. P. R. brakeman lost his life. The brakeman's name was Harry H. Hoggan, and he was a young man about 25 years of age and a favorite with the railway men on the mountains. It appeared that he was out flinging a train, and when his own train was passing him he jumped on a car about the middle of the train, but unfortunately missed his footing and fell under the cars, the wheels going over his both legs between the ankle and knee. It happened fortunately that Dr. Brett, of Barff, and a doctor from Philadelphia were at hand at the time, and amputation was performed immediately, but all that medical skill could do could not save the young man's life, he died shortly after the operation. He was from the neighborhood of Elmton and his last words were for his mother. He was, we understand, a member of the C. P. R. T."

Harry Hoggan is a native of Harcourt. He left his home about seven years ago and had prospered financially in the West. He moved his mother and mother to the Northwest some years ago. The deceased was a highly respected young man.
