**HEALTH AND STRENGTH CAN BE RESTORED.**

Not the least among the many valuable services Dr. Williams' Pink Pills have rendered to suffering women, is that of tiding them over the critical period commencing at middle age, commonly known as the change of life. It so often happens that at this climacteric women relapse into a stage of chronic invalidism and the actual danger of life which attends the change is so great that a medicine which can be relied upon to carry the system over this dangerous time, is nothing less than a life-saving invention. What Dr. Williams' Pink Pills will do for women at this change of life is shown in a case reported in the Dowsbury, (Eng.) Chronicle. It is that of Mrs. Benjamin Smith, who lives at Hanover street Dowsbury. The change of life had left her weak and miserable, with constant pains, dizziness and shortness of breath on the slightest exertion, together with chronic rheumatism in the head and eyes. The pain in her head was too acute for words. She got no sleep either by day or night, and her agony was at times so great that it took two people to hold her in bed. A skillful doctor was called in but did no good. "My cheeks would swell up as big as saucers," said Mrs. Smith, "my eyes were as red as fire and there was no getting rid of the pains in the head. I suffered also from a sluggish liver and weak heart, and at times my eyesight was so bad that objects before me seemed but dim shadows, and there was none of my friends who looked for my restoration to health. I saw an account in a newspaper of a cure similar to mine through the use of Dr. Williams' Pink Pills, and my husband urged me to try them. Before two boxes were used the pains began to disappear as if by magic and the continued use of the pills for a little more than a month, has left me enjoying as good health as ever I had in my life. I consider Dr. Williams' Pink Pills a blessing, and as I know there are thousands of women who suffer in silence from troubles having the same origin as mine, I am grateful enough for what they have done for me to tell my story in the hope that some suffering sister may be similarly helped, and you have full permission to publish what I have told you, which statements can be verified by any of my neighbors."

Mrs. Frank Murray, who resides near Ogdensburg, N. Y., says, "I am 46 years of age and for many years resided near Prescott, Ont. We moved over here some time ago and have worked this farm since. My husband is working in Ogdensburg at his trade, that of a stone mason, while my children and myself carry on the farm."

"I have been a great sufferer from sick headache, which would generally come on about evening, and I would be completely prostrated, not even able to lift my hand or help myself in any way. These spells would last for about twenty-four hours, and would leave me in so weak a condition that for a few days I could scarcely drag about the house. I have also had considerable spinal trouble, the sharp, darting tongues of pain being most severe following along my spine and to the back of my head. Have doctored much, but without the desired result. The doctor told me it was due to the approaching change of life. I heard of Dr. Williams' Pink Pills for Pale People, and also later heard of the cure they had effected in a number of persons personally known to me, and it was their stories that decided me to try them. I got some of the pills and after I had taken a few boxes I had no more headaches for several months. This summer my head began to have a heavy feeling, and at times I was quite drowsy, but no pains accompanied it. I now have more pills and though I've taken only a few I feel well again. I don't think any person could stand it a great while to be troubled as I was and stand the amount of pain. I know that Pink Pills are a good medicine and fully what they are represented to be. I have recommended them to some of my friends with beneficial result. Oh, my, yes! They have done wonders for me. I do all my housework on the farm. We have a dairy of twelve cows, and often when the boys are very busy getting in the crops I have milked all the cows alone."

Mrs. J. H. McMillan, South Finch, Ont., says:—"For seven years I was afflicted with what is generally termed female weakness, and was for weeks unable to leave my bed. At times my friends all thought that I was going into decline and had consumption. My complexion was sallow, my appetite was almost gone,

and I was terribly emaciated, my head gave me great trouble, and at times the pain was so great that I feared it would effect my reason. I had tried many medicines without avail, and began to despair of recovery when I was urged to try Dr. Williams' Pink Pills. The result has been marvelous. From a sickly, despairing woman, I have been transformed into one full of health and energy, and I feel more thankful than I can say for the wonders Pink Pills have done for me."

Mrs. L. Lundahl, Lavant, Ont., says:—"I have much pleasure in adding my testimony to the great efficacy of Dr. Williams' Pink Pills. Some years ago I was severely injured in child birth and had to go to the Kingston hospital to be operated on. I was in the hospital and under treatment for nearly two months, but flowing set in and all the skill of the doctors was unable to stop it. I went home and after still suffering for three or four months, I determined to go to the hospital again, but fortunately for me an old lady on the cars, who noticed my emaciated and worn condition asked 'what ails you, my child?' I told her my trouble and she replied, 'Before going to the hospital again give Dr. Williams' Pink Pills a fair trial. I know they will help you.' I followed her advice, and after taking four boxes the flowing absolutely stopped. I took the pills for some time longer and my health was fully restored, and since then I have been strong and active. I believe Dr. Williams' Pink Pills are a blessing to women."

Mrs. A. C. Fitchell writes:—"I take this opportunity of thanking you for the great benefit I have received from Dr. Williams' Pink Pills in that critical period known as the change of life. I had suffered for years from kidney troubles, and this I suppose was the commencement of the change. Then I was attacked with spells of dizziness and weakness, accompanied with pains in the back, which would last for weeks at a time, and from which I would not get more than an hour or two's sleep at night. A friend who had successfully used Dr. Williams' Pink Pills in a similar emergency urged me to try them. The result was that they brought me safely through this critical period, and I am again enjoying perfect health, and take pleasure in recommending Pink Pills to those similarly situated."

Rev. David Forbes, missionary at Poplar Dale, Algoma, writes:—"I feel that I would be remiss in my duty did I not write to let you know the wonderful benefit derived by a young lady here from the use of your Pink Pills. Miss Mary Martin, the young lady referred to, was taken sick two years ago, and all the medical treatment she underwent proved of no avail. Visiting the family in my capacity as missionary, I saw with sorrow that unless something was done to avert the progress of her trouble, she would not be long for this world. She was pale, almost bloodless, and subject to all the distressing symptoms which accompany anaemia and bring the victim to an early grave. I urged the parents to try Dr. Williams' Pink Pills. They acted upon my advice, and I am rejoiced to say that they have fully and entirely restored her health, and in the rosy-cheeked girl of today you would not recognize the invalid of a short time before. The words of her grateful mother to me were these:—"We have to thank you, Mr. Forbes, for recommending Dr. Williams' Pink Pills. They have saved our daughter's life, and we are more grateful than we can say, and freely give you permission to send this testimonial, in the hope that some one in similar circumstances may be benefited."

Dr. Williams' Pink Pills are a tonic medicine, enriching the blood and strengthening the nerves, thus reaching the root of disease and driving it from the system. They are beyond doubt the greatest medicine of the 19th century, and have cured in hundreds of cases after all other medicine had failed. The great popularity of Dr. Williams' Pink Pills has caused unscrupulous dealers to imitate them extensively, and intending buyers are urged to see that every box is enclosed in a wrapper bearing the full registered trade mark "Dr. Williams' Pink Pills for Pale People." Pills colored pink, but sold in loose form by the dozen, hundred or, ounce, or taken from glass jars, are fraudulent imitations and should always be refused, no matter how plausible may be the story of the interesting dealer offering them.

## CATARRH

Mrs. Dobell, of London, Ont.,  
Cured for 25 Cents

Doctors Could Help, but Couldn't Cure—  
Dr. Chase's Catarrh Cure Relieved the  
Prisoner, and To day She is as Well as  
Ever—She Says it is a Great Remedy

"Yes, I am Mrs. Dobell," said a comely, pleasant-faced woman at her home on Horton street to a News reporter to-day, "and I will very gladly tell you what you want to know. About three years ago my husband was very ill, and I had frequently occasion to rise in the night and go for a doctor or to the drug-store. In my hurry I often neglected to prepare myself, and contracted several heavy colds, which turned at last to chronic catarrh. I tried doctors, who helped me, but did not cure me, and several special catarrh medicines. I was relieved, but not cured. I was suffering intolerably when Mr. Shuff recommended me to try CHASE'S CATARRH CURE, and it began at once to help, and in about two months had entirely cured me. I cannot speak too highly of this remarkable medicine, and cheerfully recommend it to all sufferers from catarrh." The blower included is a great help to sufferers.
