A CHEERING TRUTH.

Thousands Prove the
Statement

THAT PAINE'S CELERY COM-
POUND MAKES PEOPLE
FEEL YOUNG AGAIN

A CURED MAN SAYS:
"I JUST FEEL AS BRIGHT AS A BOY."

The Right Medicine For
Every Ailing Man and
Woman.

All the combined powers of earth cannot stem the tide of truth that sweeps over this Canada of ours in regard to the curing and life-giving virtues of Paine's Celery Compound. Thousands of the best people back up the sensible, plain and unvarnished statements about Paine's Celery Compound published from time to time. The cured thousands send such convincing letters of testimony that the most hardened skeptics are forced to admit that they are founded on the rock of truth and honesty.

The following letter from Mr. A. R. McGruer, Dixon's Corners, Ont., assures you, though your case may be desperate and death very nigh, and though doctors fail and other medicines prove unavailing for your relief, that Paine's Celery Compound will do more for you than you can justly realize or hope for. Mr. McGruer says:

"Some time ago my condition of health was alarming and I suffered very much. I was laid up three days out of every week; and I often said to my friends that it would be better, if it was the Lord's will, that I should be called away. Three of the best doctors attended me, but could not relieve me in any way. It was then I was advised to use Paine's Celery Compound, which brought relief at once. After using this great remedy I find myself a new man, and feel just as bright as a boy of eighteen years. I think it is the greatest medicine in the world, and would strongly recommend it to all who suffer."

Prompt Relief.

Rev. Thos. E. Archer, Saltsprings Island, B. C.: "From the package of K. D. C. you sent me, a quarter of which I have used, I can say with truth that I never tried anything so quickly relieved the pains consequent upon indigestion. I shall always be pleased to recommend your cure to all and every person inclined to dyspepsia."

If you doubt the great merits of K. D. C., send for a free sample. K. D. C. Co., Ltd., New Glasgow, N. S., and 127 State street, Boston, Mass.

She Couldn't Stand It.

There was indignation in the eye of the domestic who stood at the street corner with a covered basket over her arm. An acquaintance met her and said:

"Could you recommend me to a good place?"

"You can have mine, if you'll put up with the treatment."

"Are you leaving?"

"I am. And for good reasons."

"Is the work too hard?"

"No. The work's very light."

"Is the pay too small?"

"No. The pay's very good."

"What's the matter, then?"

"The woman of the house takes too many liberties in the kitchen."

"I see. She's one of the kind that's always bossing around."

"It's worse than that. She had the impudence to come in one afternoon and eat up a lot of food that I had saved up to take home to my own family."

Detroit Free Press.

More Curative power

Is contained in a bottle of Hood's Sarsaparilla than in any other similar preparation. It costs the proprietor and manufacturer more. It costs the jobber more and it is worth more to the consumer. It has a record of cures unknown to any other preparation. It is the best to buy because it is the One True Blood Purifier.

Hood's Pills are the best family cathartic and liver medicine. Gentle, reliable, sure.

Not to be Overreached.

"You want as much for this thermometer," said the woman who had arrived before the store opened so as to be the first at the bargain counter, "as you did for those you showed me last August."

"Of course," the salesman answered.

"It's the same thermometer."

"No, it isn't. There ought to be a reduction in the price. Those others had nearly twice as much mercury in them as these have."

WORK SPOILED.

Did not get the Right kind

Why labor in vain? Why do you try to dye cotton or mixed goods, with common dyes that the makers prepared for all wool goods?

Well, you are not altogether to blame the dealer who sold you the dye, and who told you it was good for either cotton or wool, is the one who is directly responsible for your loss and failure. He sold you worthless dyes because they gave him a large return of profit.

If you had bought the Diamond Dyes made specially for Cotton and Mixed Goods, your work would have been well and truly done. These special cotton colors of the Diamond Dyes are the latest discoveries of the best chemists of the world, and are far superior to all other dyes for the coloring of cotton goods.

Fast Diamond Dyes for Cotton are quite fast to light, and if you use them your carpets and rugs will be as bright after years of wear as the most expensive carpets you can buy. For dyeing Cotton or Mixed Goods, ask for Fast Diamond Dyes for Cotton; take no others.

Does Your Husband or Son Drink?

If your Husband or Son is addicted to the use of Liquor, Morphine or Tobacco, purchase of your druggist a bottle of Hill's Chloride of Gold Tablets. They are guaranteed to cure or money will be refunded. Tablets may be given secretly in tea or coffee and the free use of stimulants allowed until voluntarily given up. Price \$1.00 per package. If your druggist does not keep them, send direct to The Ohio Chemical Works, Lima, Ohio. Book of particulars and testimonials free.

An Old Combination.

The famous alliance has been dissolved. "It must be admitted," remarked the monkey complacently, "that there is still a fair demand for chestnuts."

But the cat crossly replied that she didn't want any. And she continued to nurse her singed paw, and tried to remember the name of the specific she had been advised to use for burns, scalds, cuts, bruises, corns, bunions, colds, rheumatism and malaria.—Puck.

A Remarkable Cure.—J. W. Jennison, Gilford—Spent between \$200 and \$300 in consulting Doctors; tried Dixon's and all other treatments but got no benefit. One box of Chase's Catarrh Cure did me more good than all other medicines, in fact I consider myself cured, and with a 25 cent box at that.

Escaping a Greater Evil.

"Updike," said Fosdick, who had answered the telephone ring, "here's a message saying that your house is burning down."

"Thank heaven!" replied Updike, fervently.

"What makes you say that? Is it insured for several times its value?"

"Oh, no; but my wife has cards out for a pink tea to-morrow afternoon and now she can't have it."

—Judge.

In Penetrating Power.

No remedy in the world equals Nerviline—nerve pain cure. Neuralgia and rheumatism are relieved almost instantly, and the minor aches and pains are cured by a single application. Nerviline—nerve pain cure—is sure to cure.

A Mental Affliction.

"It's a sad thing," said the sympathetic man, "but Blykins has become a veritable miser."

"Impossible."

"It's true. The last I heard of him he didn't get any pleasure out of anything except sitting down in his cellar counting his hoard of anthracite coal over and over again."

—Washington Star.

This is Concentration.

One pill a dose, one box 25 cents. One pill relieves constipation. One box cures an ordinary case. One pill taken weekly neutralizes formation of uric acid in the blood and prevents Bright's Kidney disease and Diabetes. True only of Dr. Chase's Kidney-Liver Pills.

Ruined by a Woman.

"Ruined by a woman," he muttered moodily.

"We do not see the point," said they who overheard him.

"Nordo I," he answered, "I was speaking of this lead pencil."

However, she had left enough of it for him to make a renaissance, as it were.—Indianapolis Journal.

Why Can't the Earth Have One?

Professor—"You are now gazing, sir, on what we call the planet Saturn."

"And what is that broad belt running all around it?"

Professor (rising to the occasion)—

"Hem! That, sir, is the track of the Saturn Bicycle Club."
