

WANTED.—A capable servant girl for a small family in Fredericton. Apply or write to REVIEW office.

BICYCLE FOR SALE.—I have for sale one high grade bicycle in first class shape, has only been ridden about three weeks, will sell for \$58. W. E. Forbes.

PROVINCIAL APPOINTMENTS.—Kent—Maxime M. LeBlanc, Charles Douglas, Robert H. Davies, Thomas Teed, and Urban St. Maillet, to be Justice of the Peace. Robert A. Davis to be Stipendiary Magistrate for the Parish of Richibucto, in room of Caleb Richardson, removed from office.

A GOOD YIELD OF FLOUR.—Mr. J. C. Smith, of Harcourt, Kent Co., sent eleven 2-bushel bags of wheat to Wm. F. Humphrey, of Humphrey's Mills, Moncton, to be ground, and had returned to him twelve hundred pounds wheat flour. Any person who can beat this should be heard from.—Times.

NORTHUMBERLAND CIRCUIT COURT.—The Newcastle post office cases are to come to trial to-morrow. The grand jury found true bills against the clerk, Meddie Smith, for stealing a registered letter written from Adolph Hache and addressed to the Bank of Nova Scotia, and for secreting and delaying registered letters addressed Kirkland & Co., Ewing & Co., and F. C. Fowler. True bills were also found against the ex-postmaster, John Fish, for secreting and delaying a registered letter addressed P. Hennessey, Newcastle, and for stealing a registered letter addressed to P. Hennessey.

A NOTABLE EVENT.—The Famine Fund sent to the Montreal Star has turned fifty thousand dollars, representing subscriptions from upwards of two hundred thousand persons, one hundred thousand school children, and nearly one hundred thousand church members of all faiths, besides great and small subscriptions from thousands of private citizens.

We do not remember ever to have seen so extraordinary a subscription anywhere. For many years to come the remarkable spontaneity with which this subscription was supported, its almost universal character and the right good will with which the subscriptions were bestowed for the cause, will be looked back to by all Canadians with genuine pride.

Besides the relief that this fund provides for India, it provides a substantial evidence that Canadians have a real interest in the whole Empire and it thus serves the double purpose of philanthropy and patriotism.

We do not believe that any person ever imagined that it was possible for any one agency to raise so large a sum and to enlist the sympathies of such an enormous number of people as has been done by the Star.—Ottawa Free Press, March 25th, 1897.

—All Fool's Day.

—The ministerial majority in the House of Commons is estimated variously at 46 to 50.

—The death of Mrs. A. F. Morrison is reported from Bathurst. Mrs. Morrison formerly lived in Kingston.

—Mr. Martin Lanigan has been entrusted with the paying of the fishery bounties in this district.

—Mr. John Fraser, of Chatham, was stricken with paralysis last week, but is recovering.

—George, a young son of Mr. John McInerney, Kingston, had his arm broken by a fall last Saturday. Dr. Ferguson set the fracture.

—Campbell's Wine of Beech Tree, Dr. Seiler's Antiseptic Tablets, fine Clover Honey, 15c. a bottle, Maltine, plain, at W. W. Short's Richibucto.

—A company has been formed here who have purchased the telephone property in Kent of the Miramichi Telephone Exchange.

—Quite a number of wild geese have already been shot by our sportsmen.

Miss Mary McInerney, of Kingston, is ill of la grippe.

Mr. John Stevenson is confined to his house with grippe.

Mr. James McDougall has been unable to leave his room for the past few days on account of sickness.

—A San Francisco girl dislocated her neck the other day while looking in a mirror—probably for want of practice. Richibucto girls need not fear, for in general they have sufficient practice.

—Fred Webb, the bigamist, arrested at Cocagne, Kent Co., last week, was arraigned before Judge Johnston at Halifax, on Thursday and pleaded guilty. He was remanded until to-day for sentence.

—LaGrippe raging all around us—a stitch in time saves nine—those not yet affected with this troublesome malady will do well to take a dozen or two quinine pills which can be had in any quantity at W. W. Short's, Richibucto.

—One swallow doesn't make a summer and one subscriber doesn't make a newspaper; though the airs some men put on when they order a paper discontinued would lead one to fancy that their individual patronage was the paper's sole support.

—The combination of silk and wool in the new dress materials is the leading feature this season. Warp and weft woven in contrasting colors, fancy silks, figures on dark grounds etc. Write to Daniel & Robertson, St. John, for samples, see advertisement on page 3.

—An Arkansas editor puts it thus:—"You may have all the stars in a nail keg, hang the ocean on a rail to dry, put the sky in a gourd to soak, unbuckle the bellyband of eternity and let out the sun and moon, but never delude yourselves with the idea that you can escape that place on the other side of purgatory unless you pay the printer."

—The society editor, in describing the belle of the ball, concluded by saying: "And her dainty feet were incased in shoes that resembled fairy boots. But he was horror-stricken the next morning on glancing down the column of the paper to see that his blundering printer had set it up in this manner: "And her dainty feet were incased in shoes that resembled ferry-boats."

—A number of public spirited citizens turned out on Saturday and shovelled the snow and ice off the sidewalks from the Masonic hall to Roxborough's corner. Merchants, hotel keepers, lawyers, school teachers, etc., were in attendance. Various implements were used from a grain scoop that would hold a little less than a half bushel, to a sharp pointed drain digger that would carry a little more than a table-spoonful. For real beneficial, physical exercise the punching bag or the bicycle isn't in it with shovelling off sidewalks. Of course all our able bodied citizens do not look at it that way. Some consider that the manipulation of a quid of "blackjack" is all the physical exercise they require.

—Mr. Geo. N. Clark, who has purchased the Girvan homestead in Kingston, will, besides his agricultural operations, conduct an agricultural implement business in Kingston, where he can supply farmers and others with everything required in that line. Mr. Clark's experience of twenty years as a member of the firm of Clark & Lounsbury will no doubt be a great assistance to him in the prosecution of this business. See advt. in another column.

—Blotting Paper, 5c. a package, School Bags only 15c. each, Gem Pocket Dictionary, containing over thirty thousand words of the English language, 10c. each, mailed to any address on receipt of price by W. W. Short, Richibucto.

—The Grand Musical and Reading Concert under the auspices of the Ladies Aid Society in the Temperance Hall, Richibucto, promises to be a great treat. Mrs.

Rev. W. Lawson will be the Reader, and some of the best local talent will sing Solos, Duets, Quartettes and Choruses. Ticket holders for "Ben Hur" can exchange their tickets for reserved seat tickets for above at Mr. W. W. Short's. If desired they can have their money refunded by those from whom they bought any time before the concert. Doors open at 7.30, begins at 8 p. m. We regret this item was accidentally omitted last week public notice has been fully given of the same. Reserved seats 25 cents, others 15 and 10 cents.

—In the tariff matter the government are earnestly trying to please everybody. Consumer, producer, and manufacturer are alike receiving attention. We hope that in their attempt to win the approval of all classes they will not have the luck of the old man and the ass in the fable.

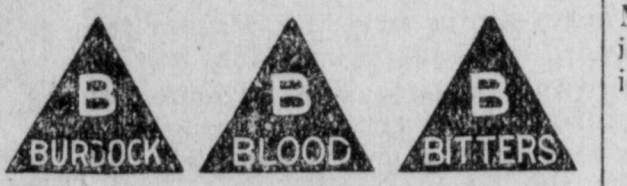

IMPORTANT NOTICE

TO THE FARMERS OF KENT COUNTY: Thanking you for the very liberal patronage given me as a member of the late firm of Clark & Lounsbury, I beg to inform you that I have purchased the Girvan homestead at Kingston, which will hereafter be known as Sunny Brae, where I shall handle a full line of farm machinery, Carriages, Harness, Sleighs, Robes, Organs, Sewing Machines, etc. Having secured the agency for the justly celebrated Massey-Harris goods, my customers can rely upon getting the best machinery that money can buy. As I expect to confine my business to Kent County, I shall be able to give my personal attention to the details of it in a manner which it is impossible for outsiders to do. My twenty years' experience in the business enables me to understand what the farmer needs, where it can be bought to the best advantage and how to buy it right. As my expenses will be light I shall be able to sell at a small advance on cost. I shall keep a stock of repairs for the various machines I handle and farmers who have waited days and weeks in a hurried time for some necessary part of their mower, reaper, or plough, will know how to appreciate this fact. I shall be prepared to take any kind of farm stock or produce in exchange for goods. Do you want a buggy, sleigh, robe, farm wagon, cart, set of harness, plow, harrow, seeder, cultivator, mower, root-pulper, hay cutter, ensilage cutter, wheel barrow, wind mill, thresh-er, woodcutter, sewing machine, organ, bicycle, washr, winger, churn, or anything else about your farm? If so, it will pay you to consult me before purchasing. GEO. N. CLARK
