### MUNYON'S CONVERTS.

The People of Canada are Satisfied and Convinced.

ALL WILL TESTIFY THAT MUNYON HAS KEPT FAITH WITH THE PEOPLE AND MADE GOOD HIS PROMISES.

His Remedies are becoming the safeguard of the Home—The People Have trusted, and have not been Deceived.

For nearly seven months now the Munyon remedies have been before the people of Canada. They were represented as medical discoveries of more than ordinary value. They were represented as almost certain cures for certain diseases. They were put out as safe home remedies, which could be depended on in emergencies, or in the treatment of any disease. The people were told that Prof. Munyon would teach them to doctor themselves. Mothers were told that with Munyon's Guide to Health in their hands and Munyon's Remedies within reach, they could be mother and family physician all in one. How well every promise has been kept; the hundreds who have found health in Munyon's Cures, who have had their pains and distresses removed, can best testify.

Mr. W. de L. Young, agent of the New York Life Insurance Company, Room 416, New York Life Building, Montreal, says: "I suffered terribly with rheumatic pains and tried nearly every known remedy without receiving any benefit. I obtained a sample bottle of Munyon's Rheumatism Cure and the result exceeded my utmost expectations as I am to-day a well man, and have Munyon to thank for it. I desire my name used in the cause of humanity as all should know of this great remedy."

Mr. Donald MacDonald, 74 Emell street Montreal, Canada, says: "For years I was a sufferer from dyspepsia. I was not able to eat anything that did not give me severe distress. I was continually sick at my stomach, and in the morning I would often vomit. My appetite failed me and I lost considerable flesh. I could not get relief. I determined to try Munyon's Remedies, and in two weeks I find I am perfectly well. My appetite is good and I can eat anything without trouble."

Munyon's Rheumatism Cure seldom fails to relieve in one to three hours, and cures in a few days. Price 25c.

Munyon's Dyspepsia Cure positively cures all forms of indigestion and stomach trouble. Price, 25 cents.

Munyon's Cold Cure prevents pneumonia and breaks up a cold in a few hours. Price, 25 cents.

Munyon's Cough Cure stops coughs, night sweats, allays soreness, and speedily heals the lungs. Price, 25 cents.

Munyon's Vitalizer restores lost powers to weak men. Price \$1.

Munyon's Remedies at all druggists, mostly 25 cents a vial.

Personal letters to Professor Munyon, 11 & 13 Albert St., Toronto, answered with free medical advice for any disease.

A certain doctor, had occasion, when only a beginner in the medical profession, to attend a trial as a witness. Counsel in cross-examining the young M. D., made several sarcastic remarks throwing doubt upon the ability of so young a man to understand his business. "Do you know the symptoms of concussion of the brain?" asked the learned counsel. "I do," replied the doctor. "Well," continued the barrister, "suppose my learned friend Mr. Bagwig and myself were to bang our heads together should we get concussion of the brain?" "Your learned friend Mr. Bagwig might," said the doctor quietly.—Tit-Bits.

### Baby Eczema and Scalp Head.

Infants and young children are peculiarly subject to this terrible disorder, and if not promptly arrested it will eventually become chronic. Dr. Chase made a special study of Eczema and disease of the skin, and we can confidently recommend Dr. Chase's Ointment to cure all forms of Eczema. The first application soothes the irritation and puts the little sufferer to rest.

### OLD TODMORDEN.

Happy Happenings in the Historic Hamlet.

Mr. John Gamble, jr., the well-known and popular son of John Gamble, Esq., proprietor of the Todmorden Hotel during the past four years, gives the following account of his rescue from heart and nerve trouble through the use of Milburn's Heart and Nerve Pills. Speaking to our reporter, Mr. Gamble said: "Some three months ago I began to feel very poorly; in fact, I felt as if I was moving around in a dream. This condition I wrongly attributed to biliousness, for I became very weak and seemed to have no staying power. I also became very nervous, and would jump or start at the slightest sound. The feeling was one of constant dread. I expected something dreadful to happen. I knew not what. Again I was dizzy, my memory failed me very often, and as a matter of fact my whole system was out of order.

Our druggist, Mr. H. W. Love, corner Broadview and Danforth avenues, recommended Milburn's Heart and Nerve Pills some three weeks ago, and I have taken them according to directions. From the very first I began to improve, and am now surprised at the change in my condition. I am very much stronger; my nerves are steady, and my memory bright. I no longer suffer with that morbid feeling of dread. The pills have proved certainly, in my case, a remarkable remedy for weak nerves and reduced physical strength. I cannot too highly recommend them to all who suffer from any or all of the symptoms which I have mentioned to you, and must return my thanks to the manufacturers of these pills for placing such an excellent medicine before the public."

### Fine Ridge Notes.

Jan. 28th.—On Monday evening last, Messrs. Jackson and F. Whitney while driving down to Britton's wharf, Kingston, with a load of grain, missed the road and drove the horse over the bank, upsetting the sled and frightening the horses. Fortunately no great injury was done.

A goose supper was held at Mr. John Jackson's last Thursday evening. Among the friends present were Mr. J. Star-rack, Mr. and Mrs. Whitney, Mrs. Geo. Cail, of West Branch, Miss Eva Welling, of Trout Brook, and Mr. Wm. Girvan.

Last Friday evening a sleighing party composed mostly of the young people of Pine Ridge, drove to St. Norberts, N. B., where a hot supper awaited them, after partaking of the same they returned home, all seeming to have enjoyed themselves very much.

Certain of our friends should be more circumspect in the future or the "green-eyed monster" may make things lively for them.

During the past week a certain young man, belonging to Pine Ridge, has been going about muttering the following: "Lost a heart between Pine Ridge and Kingston. The finder kindly keep until called for." As coming events cast their shadows before, why not be on the look out.

Miss Flora McLean of McLean Settlement, spent last Sunday with her friend Miss Birdie Welling of Pine Ridge.

Who were disappointed at not getting to Main River last Sunday?

Mrs. John S. Barton, who has been quite ill for the past few months is rapidly recovering.

Mrs. John R. Girvan, who has been visiting her father at Main River, returned to Pine Ridge Wednesday last.

The friends and relatives of Mr. William Whitney, who were expecting him to spend the winter with them were quite disappointed on learning that owing to business matters he was unable to do so.

Mr. John Barton, who has been in the lumber woods, returned a few days ago.

I believe the Pine Ridge school teacher has changed her boarding house, I wonder why? Do you suppose there was any particular attraction?

TORSY.

### MY DAD'S THE ENGINEER.

An Interesting Story Suggested by the Popular and Pretty Melody.

Mrs. James Smith, Don Mills Road, Todmorden, Ont., gave our reporter a kindly interview a few days ago, and spoke about the cure effected by Milburn's Heart and Nerve Pills in the case of her husband, Mr. Jas. Smith, the well-known popular and efficient engineer.

Said Mrs. Smith: "My husband has been suffering for a long time with nervous debility, which seriously affected his general health. The use of Milburn's Heart and Nerve Pills, which he got from Mr. H. W. Love, the druggist, has been very beneficial to him. They did him more good than anything else he had ever taken before, strengthening his nerves and toning up his entire system. They are the grandest remedy for nervous affections and, moreover, the best tonic obtainable. They proved so efficacious in my husband's case that I commenced giving them to my daughter for nervousness, with which she has been troubled for some time, and they are already giving satisfactory results."
