teeth out. I was never so startled in my

"I looked sheepish, I suppose; I cer-

tainly felt so, for, turning the pillow

down, I found that the springs were of

woven wire and lacked several inches

of filling in the space at the head of the

through and dropped upon the face of

my startled stateroom companion. He

took matters very good naturedly, and

we got to be good friends before we got

our western country, looking for invest-

ments, and I found him a very compan-

ionable fellow."-New York Tribune.

A BEAR IN A CAVE.

Two Indians Went In by the Light of s

Torch and Killed the Game.

how two buck Indians of the northwest-

ern coast tribes went into a bear's den and, by the light of a torch, killed a big

Robert H. Davis tells in Gameland

A young law student got sight of the

bear one day while he was still hunt-

yards on the face of the cliff and started

rocks down about the hole, thinking to

drive the bear out, but the bear would

not start. Then he went to a nearby In-

dian camp and got Trinity Dick and a

go with the man after the bear if he would let them take the rifle. The stu-

dent let Trinity Dick take the rifle and

borrowed another for the Pitt river In-

"I waited outside," the student told

Davis. "while the Indians went into the

cave with a torch. I listened for a long

time, then I heard the dull boom of two

guns away back in the cave somewhere.

Then all was still again for some time.

waved his hand to me, then went back

in. I followed and quickly came to the

bear, which was already loosing its hide

"The cave was deep, with many arms.

out, however, the men were confronted

by the bear at a distance of 20 feet.

be seen plainly. When the shot was

fired, the bear pitched forward, and

then a second bullet was fired into it.

The Indians then turned and ran, load-

ing their guns as they did so. But the

> FRIENDS AND RELATIVES FILLED WITH REMORSE.

suming that he would choose the lower PAINE'S CELERY COMPOUND COULD HAVE SAVED THE MAJORITY.

> It Saves Life When All Other Medicines Fail.

> The winter months have brought bereavement and dark clouds of sorrow to many homes in Canada.

Fathers, mothers, sisters and brothers have been removed by the grim reaper teath, the majority of whom might have been saved, had their friends given them Paine's Celery Compound instead of the in bills were gone. I lay still for a long worthless and, in many cases, life-destroyhaps he had hurled the plunder into the ng medicines that the sick ones were forced to swallow.

In many families a too slavish obedience to medical dictation kept the true agent of life from the sick and dying ones. Pa t records of victory achieved by Paine's "'I've been waiting for you to wake belery Compound were set aside; it was up, ' he said. 'Do these things belong to un rofessional to introduce the life-saving Compound in any way!

Ah! Remorse is now doing its quiet and effective work, and those most closely interested are suffering for their neglect.

Will you, reader, allow some dear relaive or friend to pass from life without uaking an effort to save the perishing one by Paine's Celery Compound? The char ces for life-saving by Paine's Celery Con pound are great and mighty. Even though your friends have suffered long, and neared that point when the family physician can do no more, even then there is hope if Paine's Celery is used. Will Million

berth. My property had simply slid The life-saving work, the desperate cases overcome in the past, is the bright and living proof that Paine's Celery Compound makes sick people well. to Duluth. He was a wealthy young Englishman taking his first trip through

The truly honest physicians of the day are quietly and unceasingly recommending Paine's Celery Compound as the best spring medicine that siling men and women can use. Its wonderful popularity has induced some to bring out imitations that are vile and worthless. See that you get "Paine's," with the stalk of celery on the bottle label and cartoon,
