

Cocagne, N. B.

JULY 26.—A heavy rain set in here Saturday evening and continued, sometimes in torrents, till Sunday afternoon. It then cleared up and is now a little more agreeable.

Four summer boarders, all ladies, are at Dysart's Hotel. Our excellent boating and bathing facilities afford them much enjoyment. On Friday the ladies, in company with some of our young folk had an outing to Cocagne island. They report an enjoyable trip and a pleasant time.

A few evenings ago a nice little party was given at the residence of Mr. Teed, of Cocagne Station. Dancing and games sped the hours away till the little party broke up, having spent a most enjoyable evening.

Miss Mary Hannigan, of Buctouche, is here visiting her sister, Mrs. Albert J. Dysart.

Mrs. James Seely, of Buctouche, is spending a few days here with her daughter, Mrs. John Elliott.

After a three week's illness of inflammation of the stomach, Miss Emma Goguen died at the home of her father, Reuben Goguen, on Friday afternoon. The deceased, who was a school teacher, was seized with the fatal illness immediately on her coming home to spend the vacation, and, it being the third attack of the same disease, all the efforts of Drs. Chandler and Belliveau to save her proved vain on Friday. Though she had suffered much from the dreadful malady, the deceased passed away very calmly and peacefully. The interment took place on Sunday at noon, and, notwithstanding the heavy rain, was quite largely attended. The funeral procession proceeded from the late home of the deceased to the R. C. Church, the interior of which was draped in black. Rev. Father L'Archeveque conducted the funeral services. The pallbearers were, Hugh Dysart, Ernest Elliott, Hugh Cutler and Hugh Elliott. Miss Goguen, who was in her 25th year, was a most estimable young lady, the youngest daughter and pet of the family, and a general favorite. Virtue and modesty had ever stamped her as their child, while love and charity walked with her hand in hand. It was always her duty she thought "to console the afflicted; to add sunshine to daylight by making the happy happier, to teach the young and gracious of every age." By her much lamented and early death, the community loses one of its most excellent daughters, and her afflicted family lose a daughter and sister who was the love of an indulgent mother, and the pride and joy of a father and only brother.

DIXIE.

A Subject for the Gallows.

CHICAGO, July 23.—Dewitt Crompton, a pedlar, who has lived unhappily with his wife, attempted to shoot her last night. His revolver would not work and he pounded her on the head with the butt of the weapon until he believed her dead. He then went into the room where his two-year-old boy was sleeping and, putting a handkerchief around the little one's neck, twisted it until life was extinct. He then attempted to cut his throat with a razor. It is likely that both Crompton and his wife will recover.

HELPLESS FOR A YEAR.

Bowed Down With Rheumatism and Sciatica.

From the Post, Sackville, N. B.

Records like the following carry conviction with them, and in a practical sense it might be said that this is still the age of miracles. Mr. Edward Downey, of Macan, N. B., says:—"I have been a resident of Cumberland Co., some years. I have been a great sufferer for upwards of ten years with sciatic rheumatism. I was tortured with severe pains which at times would become almost unbearable, and I think I suffered almost everything a man can suffer and live. I was so crippled that I could not work and part of the time was not able to even move about. I became so weak, and my system so run down that I despaired of ever getting better. My case was an almost hopeless one, and as I had abandoned work I was almost helpless for over a year. I heard of Dr. Williams' Pink Pills and I was induced to at least give them a trial. In a short time I began to recover, and the agonizing pains left my back and limbs, so that I was enabled to walk out of doors. Before I had used more than half a dozen boxes I was almost entirely well and could do a hard day's work. I had a good appetite and began to gain flesh and feel like a new man. I am free from aches and pains and have Dr. Williams' Pink Pills to thank for it all." The reporter could not help feeling that Mr. Downey's case was a striking one, as he now presents a stout well built figure, straight limbed and as smart in his movements as a young man of twenty.
