

A Leading Horseman's Opinion

Few men in Canada are better known, or whose opinion will have greater weight with the horse-loving public, than A. L. SLIPP, Nova Scotia's famous trainer and driver.

J. W. MANCHESTER & CO., Srs.—Manchester's Tonic Condition Powder and Veterinary Liniment are the best Horse medicine I ever used.

A. L. SLIPP. Mr. Slipp owns and drives horses worth thousands of dollars, and when he uses medicines wants the best; he wants medicine prepared by qualified Veterinarians, not by quacks; YOU WANT THE SAME.

Sold by all Druggists and Country Merchants, or sent post paid on receipt of 25 cents.

Very Sudden Death of Mr. Bunting

(St. John Globe, Thursday.)

Mr. William Franklin Bunting was found dead in a chair in his room at the residence of his niece, Mrs. M. E. Paterson, Wentworth street, this morning, when a messenger went to call him to breakfast. The body was still warm, and the death evidently had taken place not long before.

Two years ago his physician had warned him that death might come to him at any moment through a sudden failure of his heart. Mr. Bunting was unmarried and has resided for some years with his niece. He was born in this city on May 25th, 1825, the third son of Rev. Joshua Bunting and Elizabeth Giraud. On the father's side the family was English. His mother's was of Huguenot descent and came from Rochelle. Roland Bunting and Daniel Giraud, his grandfathers, came here with the loyalists, and Roland Bunting died in 1839 at the age of 105 years. Mr. Bunting went to school to the late William Miles, and also to the high school of the late Mr. Hart, with whom he learned the Latin and French tongues, with both of which he had a fair acquaintance. In 1846 he was appointed clerk to the late Mr. James Gerow, Collector of Taxes, when that office was not part of the Chamberlain's department. In 1859 he became clerk to the Assessors and Chairman of the Board in 1882, which latter position he held up to several months ago, when age and increasing infirmity made it necessary to retire him from that office, but he still remained a member of the Board. The best years of his life were given to the service of the city, and he discharged faithfully very difficult and onerous duties. Outside of St. John Mr. Bunting was well known for his long and active connection with the Masonic fraternity. He was a member of St. John Lodge, in which he was initiated Feb. 3, 1852, and had served it as secretary, master and treasurer. Before the Grand Lodge was organized he was Provincial Grand Secretary from 1861 until as late as 1867. In the organization of the Grand Lodge he took an active part and was the first Grand Secretary, which office he filled to the entire satisfaction of the authorities of the craft, and on his voluntary retirement from that position he became Deputy Grand Master and subsequently Grand Master in 1883. He wrote an interesting history of Freemasonry in the province and biographical sketches of the founders of the Encampment of St. John. Over this latter body as commander and over Carleton Royal Arch Chapter he had presided; he founded the Emulation Lodge of Instruction, was a director of the Masonic Hall Company, a member of the Board of Relief and gave the craft good service in many ways. And he had received many evidences from the society of its good feeling toward him. While of late years his activity slackened his interest never ceased. Mr. Bunting was a very active participant in many forms of life in this city. Forty years ago he was a member and officer in No. 6 Volunteer Fire Company, the Faugh a Ballaghs; he was one of the promoters and organizers of the Polymorphians, a social and humorous organization which, in its day, gave St. John a great deal of fun. He was one of the originators of the Victoria Skating Rink, and he was ever ready to lend a helping hand to anything which advanced the spirit and life of the city. If a subscription were needed to send a boat's crew to Paris or Springfield, for a fire company for anything in which the pluck and daring and spirit of St. John could exhibit itself, he was always ready to give service. He was kind hearted to the last degree and when the means were at his command his hand was steadily in his pocket to help the distressed. There was another capacity, too, in which Mr. Bunting was well known. He was an angler of uncommon skill, and there was hardly a stream or lake in the province or in eastern Maine which he did not visit at some time in his life, while anglers from many places abroad constantly took his advice and opinions with great reverence.

Gravel In The Bladder.

Used Eighteen Boxes of Dodd's Kidney Pills—The Stone Dissolved and Removed—Knew of Others Cured.

Shelburne, Jan. 25 (Special)—Mr. John Medill known locally as well as far and near as physical giant and glorying in his strength came to be a great sufferer and tells of his cure as follows:—

"I do not hesitate to speak of Dodd's Kidney Pills or anything else exactly as I find them. If a medicine cures me and if I think it will cure others why not say so?"

"It is true I had been suffering for some time with Bladder trouble and learning of a cure made in a similar case, by Dodd's Kidney Pills I commenced using them."

In all I have used eighteen boxes and they have dissolved the stone and have entirely cured me of any sign of such difficulty. I do not hesitate to speak of Dodd's Kidney Pills in the highest terms of praise for I know of many persons who have been cured by them.

CURED!

Cured Perfectly!

CURED AND A PERMANENT CURE!

Cured by Paine's Celery Compound!

Cured by the Only Medicine that Could Cure!

CURED BY THE MEDICINE THAT CAN SURELY MEET YOUR CASE!

Cured? Yes, perfectly and permanently cured. Paine's Celery Compound does not, like other medicines, confer only temporary relief. Its work is thorough and far-reaching, and nothing is left undone. Happy indeed are they who, suffering from disease and sickness, make use of Paine's Celery Compound to renew their lives.

Mrs. John Belanger, of St. Henri, P. Q., whose daughter had been brought to realize that she was nearing the end of her life's journey, and who was perfectly cured by Paine's Celery Compound, writes gladly the following letter regarding the permanency of the wonderful cure:—

"Eighteen months ago I sent you a testimonial for your wonderful Paine's Celery Compound which had quite restored my daughter to health and strength after other medicines failed to cure her."

"I am pleased to inform you that the cure has been a permanent one, and that my daughter owes her present good health to your great life-giving medicine. I think more of Paine's Celery Compound to-day than ever before."

FOURTEEN YEARS IN TERROR.

But Dr. Agnew's Cure For the Heart Gave Relief in 30 Minutes and Three Bottles Effected a Cure Which Baffled the Best of Physicians.

This is what Mrs. J. Cockburn of Warkworth, Ont., says: "For fourteen years I have been a great sufferer from heart disease: troubled very much with sharp, shooting pains constantly passing through my heart. Very often the spasms were so severe that I would become unconscious. My limbs would swell and become quite cold. For these fourteen years I doctored with best physicians without relief. Having seen Dr. Agnew's Cure for the Heart advertised, I determined to try it, and before I had taken half a bottle I found great relief. I felt the beneficial effects inside of thirty minutes. I have taken three bottles and it has done me more good than any medicine or any physician ever did. I can conscientiously recommend it to all sufferers from heart trouble." Sold by W. W. Short.

To the Editor of The Review:

SIR.—I was very glad to see in your issue of January 7th a copy of that valuable paper read before the members of Kingston Agricultural Society at its last annual meeting by our honored president, Dr. I. W. Doherty. In connection with said paper, will you be kind enough to publish the following:—In referring to "what is always a serious question with the progressive farmer, what special fertilizer he shall purchase to keep his farm productive," our president makes a comparison between lime and manure made from the feeding of cotton-seed meal. He says the meal can be sparingly fed with straw, hay and roots and the manure, if properly cared for, is worth \$30.76 per ton. Now, Mr. Editor, I would be delighted if my manure pile was worth \$30.76 per ton. I figure thus:—When I buy a ton of cotton-seed meal, I consider it a bovine luxury and feed it sparingly, mixing it with ensilage and striving to get it to last, say, five months. During that time I save about 40 tons of manure, the value of which is enhanced 75c. per ton, or, speaking approximately, my manure value is raised from \$1.00 to \$1.75 per ton. Now sir, if my calculations are wide of the mark, I know our obliging president will kindly put me right.

Yours, etc., ROBERT MAIN.

Galloway, Jan. 13, 1897.

NOT A QUARTER

But Just 20 Cents. And 40 doses in a Vial of Dr Agnew's Liver Pills

No pain, no bad after effects, pleasure in every dose—little, but awful good.

Cure sick headache, constipation biliousness, nausea, salivosity. They are purely vegetable. In big demand and all druggists sell them. Mere granules in size.

For immediate relief after eating use K D C

WHY SUFFER WITH PILES?

Dr. Chase's Ointment Will Cure Them at a Cost of but 60 cents.

Piles, scrofula, eczematous eruptions, scald head, salt rheum and all other annoying and painful skin diseases can be easily cured by Dr. Chase's Ointment. "I had protruding piles for ten years," writes H. H. Sutherland, commercial traveller, of Truro, N.S.; "tried many remedies, and had doctors operate. It was no use. Was completely laid up at times. Chase's Ointment was recommended to me by Mr. Brennan, of the Summerside, P.E.I. Journal. I tried it, and one box completely cured me."

Mr. Statia, the editor of the Streetsville, Ont., Review, gives this unsolicited testimonial under date of Nov. 6, 1895: "Half a box of Dr. Chase's Ointment cured my daughter of eczema. That was months ago, and there has since been no reappearance of the disease." T. Wallace, blacksmith, of Ironquois, Ont., was troubled with blind itching piles for 20 years. "I tried every remedy that came out in vain," he writes, "until I tried Dr. Chase's Ointment. It was a godsend. One box cured me." All druggists and Edmanson, Bates & Co., manufacturers, Toronto. Price 60c.

Linseed and turpentine are every mother's household remedy for coughs, colds, throat and lung affections. Dr. Chase has disguised the taste and made the remedy pleasant to take. Large bottle only 25c.

THAT CARRIAGE BUILDER

Who uses only Fowler & Rankine's Springs need not be in dread lest his customers come back in a very short time with the charge, "those springs have all settled down as though they had been used twenty-five years," or "that wagon is all down on one side." All our springs are made of the best steel, oil tempered and WARRANTED.

Always ask for Fowler & Rankine's Springs and Axles. Sold by all dealers.

FWLER & RANKINE, St. John N.B.

Break Up a Cold in Time BY USING

PYNY-PECTORAL

The Quick Cure for COUGHS, COLDS, CROUP, BRONCHITIS, HOARSENESS, etc.

Mrs. JOSEPH NORWICK, of 65 St. George Ave., Toronto, writes: "Pyny-Pectoral has never failed to cure my children of croup after a few doses. It cured myself of a long-standing cough after several other remedies had failed. It has cured several excellent cough cures for my family. I prefer it to any other medicine for cough, croup or hoarseness."

H. O. BARBOUR, of Little Rocher, N.B., writes: "As a cure for coughs Pyny-Pectoral is the best selling medicine I have; my customers will have no other."

Large Bottle, 25 Cts.
