DELINQUENT SUBSCRIBERS.—While several of our subscribers have responded to our recent call for payment of arrearages, we regret to say there are still quite a number in default. It is impossible for us to allow these accounts to remain longer without an effort to collect, and while we would very much regret putting costs on them, we will be compelled to do so unless an early settlement is made.

GORMAN-HOLLAND.—The Amherst News of Wednesday says: "Miss Thessa Holland, of Cape Tormentine, but for some years resident here, was this morning at 7.30 o'clock united in marriage to A. J. Gorman, formerly manager of the Terrace Hotel, now of the Baie View Hotel, at Buctouche, N. B. The ceremony took place in St. Charles R. C. Church, Rev. Father Mehan officiating. Miss Susie McKay was the bridesmaid, James D. Woods, the groomsmen. The couple left on the C. P. R. for their future home in Buctouche."

The Amherst Press says: "The bride, who was one of Amherst's prettiest brunettes, was becomingly attired in pink silk with chiffon which made her look more than usually charming. She was attended by Miss Susie McKay."

BUYING MADE EASY.

So great has been the demand to see our samples of Dress Materials, Silks, &c., &c., this season, we were compelled to double the usual number of sets to keep up with the requests that come in each mail from every County, City and Town in the Provinces.

Just now we have over 40 complete sets of samples on duty; in to-day, away again tomorrow; always on the move.

There's a great advantage in this system of ours; for instance: we lay before you our whole stock, represented by these samples which are ample large to give a perfect idea how a certain color or mixture would look in the piece.

You have two days to examine them and consider the effect of this shade or that shade when made up.

You're not compelled to make a decision in a hurry, as often happens when buying at the counter or busy days when other people are waiting to be served.

Our samples speak for themselves, louder and more effective than the salesmen who handle the pieces every day.

The return of the samples costs but a few cents, and for this trifling amount you have the privilege of seeing one of the most complete stocks of staple and fancy Dry Goods in the Province.

Send now while our assortments are large and mention particularly what kind of goods you wish to see.

We prepay express charges on parcels of \$5.00 and upwards, thus landing the goods at your door free.
