ILE FLIES

[New York World.] Hear the flies, buzzing flies! In the morning ere we rise How they buzz! Feel the tuzz, And the tickle of their toes As they gambol o'er your nose! Or, perhaps, they play instead Tag or tennis on your head-Polished head. Note the restless, prickly pace As they crawl all o'er your face. Everywhere They're eavorting full of glee, Over your anatomy. How you swear, As you pound your body sore, Thirsting for the measly gore Of the flies, beastly flies, Flies, flies, flies, flies, Flies, flies. flies, Of the blooming and presuming pesky flies Note the impudence and gall Of the flies; Even in your mouth they'tl crawl-In your eyes, In your meat, and in your drink, In your muclage and ink, In all things beneath the skies-In the butter, in the pies-Would you think They could cause such endless mess, Cause good Christian men to cuss-Cuss the flies? Drive courageous to despair Till ihey'd madly pull their hair? hages wise Have grown daffy from the flies, From the humming, strumming flies-Flies, flies, flies, flies,

Flies, flies, flies, From annoying, sense-desfroying pesky flies.

The Rhoda also sent up rockets. She was crowded with the elite from shore, and also carried British Mail Officer Walmsley, the Labrador's pilot, newspaper reporters, and Honorable Charles Langelier, Mr. Carroll, M. P. for Kamouraska, Mr. Auguste Tessier, M. Land, mayor of Rimouski, and Mr. John Mc. Williams, mayor of Father Point. The two latter gentlemenon arrival alongside of the Labrador, proceeded to the large saloon of the sleamer, where they shook hands with S'r Wilfrid and Lady Laurier and read addresses of welcome. Mr. Tessier read one from the citizens of Rimonski, and Mr. McWilliams one from those at Father Point. Sir Wilfrid and Lady Laurier were evidently deeply touched by the unexpected honor shown them so far down the St. Lawrence. Sir Wilfrid replied to the addresses in his usual happy vein. HEART HOPE

Μ.

Raised in an Instant After the Use of Dr. Agnew's Cure for the Heart-A Potent Liquid Remedy-And no Case Too Acute for Immediate Relief and Certain Cure,

"For fifteen years I was a great sufferer from heart disease. All this while I was in the hands of one of our best physicians, from whom the only encouragement I could obtain was that I was liable te drop off at any moment. I had many times read of cures made by Dr. Agnew's Cure for the Heart. Was induced to try a little of this cure, and to my surprise the very first dose gave me immediate relief. I felt encouraged and persisted. Before the first bottle was taken the dropsy, which had sorely troubled me, had disappeared, and when I had completed my second bottle I felt as well as I had ever felt." Mrs. John A. James, Wiarton.
