

FOR SALE.—A threshing Machine. Good hand. Cheap. Wm. D. Carter Richibucto.

REMITTANCES.—Advertisers and subscribers are requested to make payments and remittances hereafter to THE REVIEW, Richibucto, May 15th, 1897.

TAKE NOTICE.—A number of accounts have lately been sent out from this office to our subscribers, and we will be much obliged by a prompt payment of the same. We will also thank all who have not heard from us in this way for an early remittance of the amounts due. This is a good season of the year to remember the printer. It costs money to run a newspaper.

A MAN INSTANTLY KILLED.—Mr. Arthur Pelly was instantly killed at Senator Snowball's mill Sat. morning about half past five o'clock. A piece of wood fouled the conveyer, or belt that carries waste wood from the mill, and Mr. Pelly went to work to remove it. When he had it nearly cut away with an axe he sent a lad to start the machinery, thinking he would have finished the job before the conveyer started. But it started before he had finished and stepped aside, and he was caught by one of the scrapers or cross bars and dragged along until his position was seen and the machinery stopped. Links of the belt had to be broken to secure his release. He was dead. His left side, back and neck were badly bruised, and the physician who examined the body said the blow over the heart must have caused instant death. The deceased was 30 years old, and leaves a sorrowing wife and two children.—World.

DIED IN BOSTON.—Last Thursday, Mrs. R. H. Davis received a telegram announcing that her son, Dr. J. C. H. Lawrence, was dangerously ill of appendicitis in Boston, where he had been practising his profession. Mrs. Davis started immediately, but the young man expired before his mother reached there. Dr. Lawrence was about twenty-eight years old. He graduated at the College of Physicians and Surgeons, Baltimore, Md., then went to Philadelphia, where he passed a successful examination. His first practise was in Wollaston, Pa. He afterwards removed to Oconto, Wis., where he had a large practise which he sold out for the purpose of taking a special course in the eye, ear, throat and lungs. He took special courses in Vienna, Paris and London, after which he began practise as a specialist in Boston. Dr. Lawrence was a young man highly esteemed by all his acquaintances. His early demise has cut off a promising career.

DIED IN N. W. T.—Last Wednesday, Mrs. David McMinn received word from Maple Creek, N. W. T., that her son William R. McMinn had died of typhoid fever on the 13th inst. The deceased left here on May 7, 1881, and joined the North West mounted police, in which he held the rank of Sergeant. He was 39 years old. He was to have been married in 10 days from the date of his death. Mr. McMinn was a member of the Masonic order and was highly esteemed. Much sympathy is felt for Mrs. McMinn and family as it is only 8 months since her other son George, died of the same disease in South Africa. One is buried in the far east and the other in the far west. Mrs. McMinn is in receipt of the following letter which explains itself:

Maple Creek, N. W. T., Sept. 20, 1897
Mrs McMinn,
Richibucto, N. B.

Dear Madam:
As desired by Maple Leaf Lodge, No. 56, A. F. A. M., I write, offering our heartfelt sympathy in the death of your dear son, Wm. Robert McMinn, who died at the North West Mounted Police Hospital, Maple Creek, Monday, the 13th Sept. 1897. He has been a fervent and consistent member of our Order since March 15th, 1894. To know him was to honor and respect him. He was our brother and your son. May God bless you in your hour of sorrow is the wish of the Masons of this district.

We are yours respectfully,
Jno. Dixon,
Secy.

The Medicine Hat News, of Sept. 16, contains the following of Sergeant McMinn's funeral:

"The funeral of the late Sergeant McMinn was well attended despite the heavy rain fall. 'Me.' was held in high esteem among his many friends in Maple Creek, and we will miss him from our number. He belonged to the Masonic Fraternity and a number of the brothers were in attendance."

—Last Friday, Sheriff Leger took the two prisoners Melanson and Cassie to Dorchester, where they will spend the next two years. —The entire plant, consisting of presses type, etc., and everything connected with the Progress newspaper, St. John, including the right to publish, was sold at public auction in the city of St. John on Friday. Mr. Geo. E. Fenety held the mortgage. Mr. Carter's energy and pluck deserved a better reward.

—Last Thursday Judge Wells sentenced the two young men Donet Melanson and Gilbert Cassie, of St. Mary, to two years in the Maritime Penitentiary. They were accused of breaking into the store of W. J. Ouellet, St. Mary, on the night of Sept. 8th inst., and stealing a quantity of goods and \$4.00 in cash. The only witness against them was Alphonse Girouard a boy of ten years, who gave a straight-forward evidence against the prisoners. Mr. C. J. Savre conducted the prosecution and Messrs. E. Girouard of Moncton and Caleb Richardson appeared for the defence.

Acadenville.

Sept 25.—News issue but I will try to send some.

Mr. Sylvain Barriault has bought a new threshing machine and no doubt will have a lot of straw to thresh.

The crops are partly saved. The frost of last week has done damage in some places.

On the 12 ult., the parishoners presented an address and a purse to Rev. Father Berube on the occasion of his tenth anniversary among us to which he made an appropriate reply. No doubt the Rev. gentlemen has done a good deal for the parish in building a first class house for the cure, and in making the plan and conducting the work on the new church which is nearly completed outside and of which every parishoner ought to be proud.

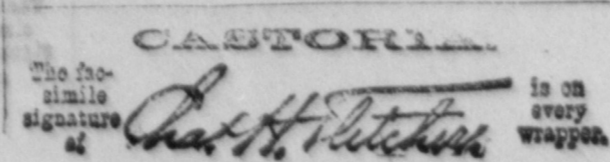

The picnic on Thursday last was a success and the receipts were very fair.

At this season it would not do to not a word about Municipal Elections. Although things are very quiet yet there are numerous candidates predicted, and it would be hard to expect acclamation although it would be desired it would save a lot of trouble and time. Mr. Barriault is making a strong canvass, and warden Pineau's strongest opponents say he is to be hard to beat. A visit from our local member is expected soon. We advise them to take care not to break their necks in the holes on the road.
