JOHN JARDINE, Secretary,

Approved JULUIS L, INCHES.

Mr. Editor: As the time will soon arrive when the ratepayers of the parish of Carleton in the County of Kent will be called upon to elect fit and proper persons to serve them in the Municipality of Kert County, and as we believe there never was a time in the history of the Municipality of Kent when it was so necessary to make a judicious and careful selection of men to represent the parishes as this year, it is to be hoped that the ratepayers may be most Careful in their choice of candidates. How ever, the office of Councillor may be looked upon by the candidates, it is one of the most important trusts that may be committed into the hands of men. In the interests of the people it is really more important to us than the provincial legis. lature, and a Councillor may by his carelessness, ignorance or a desire to serve his cwn purposes, do the parish he represents an irreparable injury. Now I understand Mr. Geo. Jardine is a candidate, and looking at his business enterprises and the public spirit he evinces, I think that the electors could not do a better thing than to elect him and his colleague by acclamation. We regret that our late popular Councillor, Mr. McMaster, has resigned, but we feel that his place will be ably and judiciously filled by Mr. Jardine, who will bring all his business knowledge and experience to his aid in the filling of this very important position of Councillor of the Parish of Carleton. Klondyke Gold

Is "not in it." If every man and woman in this fair Domi nion o ours would buy as much HIGGIN'S BRITTISH LINIMENT as we believe would be best for their their own welfare we would not sell our interest in it for the best claim in the Klondyke region. "Distance lends enchantment," and we are liable to ignore the blessings that lie about our feet; hence we are urging you to buy "Higgin's Brittish Liniment" while all the unknown terrors of the journey will not keep many of you from the Klondyke gold fields.

Buy a bottle and keep it by you and there will be money in it and time honored firm of J. & T. Jardine in every direction. Within the past two for us and many blessing for you. It speedily cures all troubles for which Liniments are generally used.

Read what people are writing to us about it:-Mrs. Robinson, Hopewell corner, writes .- Dear sir, I have used your Brittish Liniment for one year and must say it surpasses all the Liniments I have ever used for Sore Throats, Lame Back, Pain in the Side, and all complaints for which a Liniment. is needed. I had had a pain in my side, so bad that I had to give up work. I give my side a good bathing with your Liniment and it gave me immediate relief, so that in twenty minutes I was able to go about my work.

Mrs. A. Hamilton, Brookfield, writes:-Dear Sir, I cannot speak too highly of your excellent Liniment. There was a lump growing on the inside of my eye for nearly two years; it grew as large as the end of my finger. I tried to drive it a way with iodine, to no purpose; the doctor said that their were no remedy but to cut it out. I told him that was the last alternative, as it would destory my eye. I than tried the British Liniment; after appliping it one month the lump entirely disappeared, so my eye is as well as ever. I have found it to surpass anything for cramps and diarrhoea.

Captain Bishop, Hopewell, writes:-Dear Sir, I have suffered with a constant pain in my breast day and night for nine month. I tried every Liniment I could get, to no purpose. By three applications it was perfectly cured.
